

WSR 06-21-002
PUBLIC RECORDS OFFICER
JOINT LEGISLATIVE AUDIT
AND REVIEW COMMITTEE

(Citizen Commission for Performance Measurement of Tax Preferences)

[Filed October 4, 2006, 2:18 p.m.]

The 2006 legislature created the citizen commission for performance measurement of tax preferences (EHB 1069) to develop a schedule to accomplish an orderly review of tax preferences at least once every ten years and to provide a process for effective citizen input regarding the review of tax preferences. This legislation also directs that the joint legislative audit and review committee (JLARC) provide clerical, technical and management personnel to serve as commission staff.

Consistent with JLARC's responsibility to provide clerical, technical and management personnel to serve as commission staff, and in compliance with RCW 42.56.580, Lisa Hennessy has been appointed as the public records officer for the citizen commission for performance measurement of tax preferences. Requests for disclosure of public records may be directed to Lisa Hennessy, Commission Support Assistant, Citizen Commission for Performance Measurement of Tax Preferences, P.O. Box 40910, Olympia, WA 98501-2323, phone (360) 786-5288, fax (360) 786-5180, e-mail Hennessy.lisa@leg.wa.gov.

Ruta Fanning
 Legislative Auditor

NOTICE OF PUBLIC MEETINGS
WHATCOM COMMUNITY COLLEGE

[Memorandum—October 2, 2006]

You are hereby notified that the board of trustees of Whatcom Community College, District Number Twenty-One, will hold a community forum during the special board of trustees meeting on Tuesday, October 10, 2006, from 5:00 p.m. - 6:15 p.m. in the Heiner Theater at Whatcom Community College. Community members are invited to attend the community forum, led by Dr. Bob Barringer of Gold Hill Associates, the consulting firm hired by the board to facilitate the search process, and share their comments on desirable qualities of a president. The board of trustees will convene into executive session at the conclusion of the forum, with the search committee, Dr. Bob Barringer, and the assistant attorney general for WCC in the Syre Student Center Conference Room 216. No action items are expected from the executive session. The college is located at 237 West Kellogg Road, Bellingham, WA.

You are also hereby notified that on Wednesday, October 11, 2006, the board of trustees of Whatcom Community College, District Number Twenty-One, will hold their scheduled monthly board of trustees meeting at 2:00 p.m. in the Whatcom Community College in the Laidlaw Center Board Room. The college is located at 237 West Kellogg Road, Bellingham, WA.

ATTORNEY GENERAL'S OFFICE
[Filed October 12, 2006, 2:55 p.m.]

NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL

The Washington attorney general issues formal published opinions in response to requests by the heads of state agencies, state legislators, and county prosecuting attorneys. When it appears that individuals outside the attorney general's office have information or expertise that will assist in the preparation of a particular opinion, a summary of that opinion request will be published in the state register. If you are interested in commenting on a request listed in this volume of the register, you should notify the attorney general's office of your interest by November 8, 2006. This is not the due date by which comments must be received. However, if you do not notify the attorney general's office of your interest in commenting on an opinion request by this date, the opinion may be issued before your comments have been received. You may notify the attorney general's office of your intention to comment by calling (360) 664-3027, or by writing to the Solicitor General, Office of the Attorney General, P.O. Box 40100, Olympia, WA 98504-0100. When you notify the office of your intention to comment, you will be provided with a copy of the opinion request in which you are interested; information about the attorney general's opinion process; information on how to submit your comments; and a due date by which your comments must be received to ensure that they are fully considered.

The attorney general's office seeks public input on the following opinion request(s).

06-10-03 Request by Patricia Lantz
State Representative, 26th District

1. Under RCW 77.55.021, should the Department of Fish and Wildlife require private parties engaged in the practice of planting, growing, and harvesting farm raised goeduck clams as part of an aquaculture operation to obtain a hydraulic project approval permit?

2. Under RCW 90.58.140, should local governments require private parties engaged in the practice of planting, growing, and harvesting farm raised goeduck clams as part of an aquaculture operation to obtain a substantial development permit, and if so, how should local governments and the Department of Ecology manage existing operations?

POLICY STATEMENT
DEPARTMENT OF HEALTH
(Office of Drinking Water)
[Filed October 12, 2006, 4:24 p.m.]**

Rescinding Outdated Policies

The department of health, office of drinking water, periodically examines its policies and consistency statements to determine if they accurately reflect our approach in implementing a program. With the creation of various new guidance documents, amendments to Washington Administrative Code, and changes in our approach to selected programs, the office of drinking water has elected to rescind the policies listed below because they are outdated in content and format.

Policy Title	ID	Effective Date
Management of Publications	A.04	11/9/93
Computerized Data Requests	A.05	7/30/92
Water System and On-Site Waste Disposal Construction Report Follow-up	D.02	9/12/84

Policy Title	ID	Effective Date
Review of Plans and Specifications for Public Water System Projects	D.04	12/11/84
Well Site Inspection Form	E.07	9/12/84

WSR 06-21-060

**INTERPRETIVE STATEMENT
DEPARTMENT OF REVENUE**

[Filed October 16, 2006, 12:55 p.m.]

ISSUANCE OF INTERPRETIVE STATEMENT

The department of revenue has issued Excise Tax Advisory 2033.04 B&O Tax Exemption for Property Managers (RCW 82.04.394—On-Site Personnel Working at Multiple Properties (ETA 2033)).

RCW 82.04.394 provides an exemption from the business and occupation (B&O) tax for amounts received by a property management company from the owner of a property for gross wages and benefits paid to on-site personnel. There are several conditions that must exist for the exemption to apply.

This advisory clarifies the statutory requirement that "[t]he on-site personnel is a person that works primarily at the owner's property. The advisory explains that nothing prohibits on-site personnel from performing services at multiple properties owned by the same owner. If the on-site personnel work at multiple properties owned by different owners, however, then the exemption is only available if a majority (more than 50%) of the services are performed for a single owner. In such a case, the exemption would apply only to the extent of that single owner's share of the on-site personnel's wages and benefits.

A copy of this document is available via the internet at <http://www.dor.wa.gov/content/laws/eta/eta.aspx> or a request for copies may be directed to Roseanna Hodson, Interpretations and Technical Advice Unit, P.O. Box 47453, Olympia, WA 98504-7453, phone (360) 570-6119, fax (360) 586-5543.

WSR 06-21-070**DEPARTMENT OF ECOLOGY**

[Filed October 16, 2006, 4:18 p.m.]

PUBLIC NOTICE

**Public Workshops and Hearings to Accept Comments on
the Aquatic Mosquito Control General Permit**

The department of ecology (ecology) is proposing to issue a general permit to cover mosquito control activities in and around surface waters of the state. This permit replaces and revokes the aquatic control NPDES general permit that was issued on April 10, 2002, and expires on May 10, 2007. Ecology is proposing to issue the final permit soon after the comment period ends. The title of the revised permit is "Aquatic Mosquito Control National Pollutant Discharge Elimination System and State Waste Discharge General Permit."

The draft permit and fact sheet are available for review and public comment from November 1, 2006, to December 18, 2006. Ecology will host two informational workshops and public hearings on its proposed permit. The public is encouraged to give written comments during the public comment period or oral comments at the public hearings.

Purpose of the General Permit: The proposed general permit covers the discharge of products used to control mosquito larvae to waters of Washington state. Under the Washington State Water Pollution Control Act, a permit is required

for the discharge of pollutants which may alter the biological or chemical characteristics of a water body. The proposed permit addresses these legal requirements and regulates the discharge of pollutants to protect surface water quality in Washington state.

A general permit is issued in place of a series of individual permits when the permitted activities are similar. Individual activities that receive coverage under the general permit are required to comply with the terms and conditions of the permit.

Requesting Copies of the Permit: You can request copies of the proposed permit and fact sheet by contacting Kelly McLain, Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, phone (360) 407-6938, fax (360) 407-6426, e-mail kelm461@ecy.wa.gov.

The proposed permit and fact sheet are also available online at www.ecy.wa.gov/programs/wq/permits/pesticides/index.html.

Submitting Written and Oral Comments: Ecology will accept written and oral comments on the draft aquatic mosquito control general permit and fact sheet. Comments should reference specific text when possible. Comments may address the following:

- Technical issues,
- Accuracy and completeness of information,
- The scope of activities proposed for coverage,
- Adequacy of environmental protection and permit conditions, or
- Any other concern that would result from issuance of the new permit.

Please submit written comments to Kelly McLain, Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, phone (360) 407-6938, fax (360) 407-6426, e-mail kelm461@ecy.wa.gov.

Written, e-mailed and faxed comments must be **received** no later than 5 p.m., Monday, December 18, 2006. Oral comments can be made by attending and testifying at the public hearings.

Public Workshops/Hearings: The workshops begin at the times listed below. The hearings will begin when the workshop ends. The purpose of the workshops is to explain the general permit, what has changed from the previous permits, and answer questions. The purpose of the hearings is to provide an opportunity for people to give formal comments on the proposed permit.

The public workshops and hearings on the draft general permit are on Tuesday, December 12, 2006, at 6 p.m., at the Ecology Headquarters Building, 300 Desmond Drive S.E., Olympia, WA 98503; and on Wednesday, December 13, 2006, at 6 p.m., at Columbia Basin College, Room L101 (Library Building), 2600 North 20th Avenue, Pasco, WA 99301-0401.

Issuing the Final Aquatic Mosquito Control General Permit: Ecology will issue the final permit after it considers all public comments. Ecology expects to issue the general permit soon after the end of the public comment period. It will be effective thirty days later. When ecology issues the permit, it will send a response to everyone who commented.

What would be covered by the permit? This general permit covers aquatic mosquito control activities that dis-

charge chemicals into and around surface waters of the state of Washington.

If you have special accommodation needs or require a copy of the permit and fact sheet in an alternative format, please contact Kelly McLain at (360) 407-6938. If you are a person with a speech or hearing impairment, call 711 or 800-833-6388 for TTY.

DEPARTMENT OF ECOLOGY

[Filed October 17, 2006, 2:27 p.m.]

**Public Hearing
Air Quality Program
Including Revised Emission Check Rules in the
State Implementation Plan**

Background Information: The department of ecology (ecology) is holding a public hearing on including changes to the emission check rule in Washington's state implementation plan (SIP). The SIP is a statewide plan for meeting air

quality standards. The United States Environmental Protection Agency (EPA) previously approved Washington state's emission check rule and revisions to it as part of the SIP. Since then, ecology has revised the rule to make it consistent with the way the emission check program is operated in Washington state. Ecology is now requesting EPA approval of the rule revisions so that the revised rule can be included in the SIP. Ecology is also requesting that EPA remove fee provisions from the SIP-approved rule, because they are not appropriate for inclusion in the SIP.

What is the Emission Check Program? The emission check program tests vehicle emissions to identify the most polluting vehicles. It requires these vehicles to be repaired so that their emissions are reduced. The emission check program is a key to helping Washington state meet federal air quality standards. It is included in the SIP as a control for ozone and carbon monoxide air pollution in the Puget Sound and Vancouver areas, and for carbon monoxide in Spokane.

What Did Ecology Change in the Rule? The Washington state emission check program rule is in chapter 173-422 WAC, Motor vehicle inspection. Ecology revised nine sections of this rule in June 2002. The most important changes allow late model vehicles to be tested with their on-board diagnostics systems instead of with a tailpipe test, and make related changes to the sections of the rule on vehicle repair. Ecology also deleted outdated language in the rule, and added clarifications to make the rule easier to understand and more consistent.

What Will This SIP Revision Do? Ecology is requesting two actions to revise the SIP:

1. Ecology requests that EPA approve the nine sections of the rule that ecology has revised since EPA last approved the rule. These sections are: WAC 173-422-020 Definitions, 173-422-030 Vehicle emission inspection requirement, 173-422-031 Vehicle emission inspection schedules, 173-422-060 Gasoline vehicle emission standards, 173-422-065 Diesel vehicle exhaust emission standards, 173-422-070 Gasoline vehicle exhaust emission testing procedures, 173-422-075 Diesel vehicle inspection procedure, 173-422-190 Emission specialist authorization, and 173-422-195 Listing of authorized emission specialists.

2. Ecology requests that EPA remove previously approved fee provisions from the SIP, because these provisions are not appropriate for inclusion in the SIP. The parts of chapter 173-422 WAC that are to be removed from the SIP are:

- WAC 173-422-130 Inspection fees.
- The words "twelve or less dollars" in WAC 173-422-160 Fleet and diesel owner vehicle testing requirements.

Documents are Available for Public Review: You can review the rule updates ecology is proposing to include in the SIP at the following locations: Department of Ecology, Air Quality Program, 300 Desmond Drive, Lacey, WA 98504-7600; Department of Ecology, Northwest Regional Office, 3190 160th Avenue S.E., Bellevue, WA 98008-5452; Puget Sound Clean Air Agency, 110 Union Street, Suite 500, Seattle, WA 98101-2038; Southwest Clean Air Agency, 11815 N.E. 99th Street, Suite 1294, Vancouver, WA 98662-2454;

and Spokane County Air Pollution Control Agency, 1101 West College Avenue, Suite 403, Spokane, WA 99201.

Hearing Information: Department of Ecology Headquarters, Room 1S-16, 300 Desmond Drive, Lacey, WA 98504-7600, on Thursday, November 16, 2006, at 2:00 p.m.

How to Comment on the Proposed SIP Changes: You can comment on the proposed SIP changes at the public hearing as described above. You can also submit written comments to Doug Schneider, Department of Ecology, Air Quality Program, P.O. Box 47600, Lacey, WA 98504-7600, phone (360) 407-6874, fax (360) 407-7534, e-mail dsch461@ecy.wa.gov. Ecology must receive all comments by November 22, 2006.

For More Information: Contact Doug Schneider of ecology as shown above.

If you need special accommodations or need this publication in another format, please call Tami Dahlgren at (360) 407-6800. Persons with hearing loss can call 711 for Washington Relay Service. Persons with a speech disability can call (877) 833-6341.

NOTICE OF PUBLIC MEETINGS

OFFICE OF THE INTERAGENCY COMMITTEE

(Interagency Committee for Outdoor Recreation)

[Memorandum—October 16, 2006]

The interagency committee for outdoor recreation (IAC) will hold a special meeting on Friday, October 27, 2006, beginning at 10:30 a.m. This meeting will be held in Olympia in Hearing Room B, John L. O'Brien Building on the capitol campus.

The purpose of the special meeting is to clarify the order of the seven projects transferred from the Urban Wildlife Habitat, Critical Habitat, and Natural Areas categories to the Riparian Protection category of WWRP by the IAC at its September 21 and 22, 2006, regular meeting.

If you plan to participate or have materials for committee review, please submit information to the IAC office no later than October 24, 2006. This will allow for distribution to committee members in a timely fashion.

Parking is limited at the meeting location due to construction but parking is available in the Natural Resources Building visitors' parking lot which is a couple of blocks from the meeting location.

Once finalized, the briefing information will be posted on the IAC web site at <http://www.iac.wa.gov/iac/board/schedule.htm>.

IAC public meetings are held in locations accessible to people with disabilities. Arrangements for individuals with hearing or visual impairments can be provided by contacting IAC by October 25, 2006, at (360) 902-2637 or TDD (360) 902-1996.
