EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 07-54—Filed April 4, 2007, 2:43 p.m., effective April 4, 2007, 2:43 p.m.]

Effective Date of Rule: Immediately.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order:
 Amending WAC 220-52-051 and 220-69-240.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The 2007 state/tribal shrimp harvest management plans for the Strait of Juan de Fuca and North Puget Sound require adoption of harvest seasons and the prohibition on nighttime fishing contained in this emergency rule. This emergency rule corrects the phone number to be called by Puget Sound shrimp pot and trawl fishers for harvest in Crustacean Management Region 3. There is insufficient time to promulgate permanent rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 232-28-61900X; and amending WAC 232-28-619.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This regulation is necessary to assure a safe and successful Fishing Kids event. Trout will be stocked two days prior to the event to acclimate them. Closing the pond prior to the event will ensure there are fish for participants to catch. On the day of the event preregistered kids will be allowed to fish in these netted areas. NEW SECTION

WAC 232-28-61900X Exceptions to statewide rules—Kliline Pond (Clark Co.) Notwithstanding the provisions of WAC 232-28-619, effective 12:01 a.m. April 12, 2007 through 6:00 p.m. April 14, 2007, it is unlawful to fish in those waters of Kliline Pond, except open to fishing 8:00 a.m. to 2:45 p.m. April 14, 2007 in the netted area to juvenile anglers participating in the Fishing Kids event.

REPEALER

The following section of the Washington Administrative Code is repealed effective 6:00 p.m. April 14, 2007:

WAC 232-28-61900X Exceptions to statewide rules—Kliline Pond (Clark Co.)

WSR 07-09-031 EMERGENCY RULES DEPARTMENT OF EARLY LEARNING

[Filed April 9, 2007, 4:48 p.m., effective April 9, 2007, 4:48 p.m.]

Effective Date of Rule: Immediately.

Purpose: Amend WAC 170-296-0020, 170-296-0450 and 170-296-0520 to bring the department rules into compliance with an oral ruling in *DeLaO v. Arnold-Williams* and *Fernandez v. DSHS* requiring the department to place limits on the times of inspection and areas that can be inspected in licensed family home child care.

Citation of Existing Rules Affected by this Order: Amending WAC 170-296-0450 and 170-296-0520.

Statutory Authority for Adoption: Chapter 43.215 RCW.

Other Authority: Oral ruling in *DeLaO v. Arnold-Williams* and *Fernandez v. DSHS*.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: A federal district court ruling will invalidate portions of chapters 74.15 RCW and 170-296 WAC unless these limits on time and area are not placed into rule immediately. This would affect the ability of the department to perform the inspections that ensure the health, safety, and general welfare of children in licensed child care. The department intends to develop permanent rules under the negotiated rule-making process underway pursuant to WSR 07-01-068.

[Order 07-56—Filed April 11, 2007, 9:19 a.m., effective May 18, 2007, 12:01 a.m.]

Effective Date of Rule: May 18, 2007, 12:01 a.m.

Purpose: Amend personal use fishing rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 232-28-61900Z; and amending WAC 232-28-619.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or

general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule change is necessary to assure two safe and successful fishing events for juvenile anglers at Bradley Lake. The first of these youth fishing events traditionally has been held at Wapato Lake, which was closed to public access due to water quality and public health concerns, so sponsors had to find a new place to hold the highly popular event. [Order 07-57—Filed April 11, 2007, 9:20 a.m., effective May 1, 2007, 12:01 a.m.]

Effective Date of Rule: May 1, 2007, 12:01 a.m.

Purpose: Amend personal use rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 232-28-61900A; and amending WAC 232-28-619.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Washington department of fish and wildlife predicts that 500 to 900 hatchery (adipose fin-clipped) spring chinook will return to the Ringold Springs Rearing Facility. These salmon were reared with funding from the confederated tribes of the Umatilla Indian Reservation (CTUIR). All of the fish (100%) were adipose fin-clipped prior to release. The dual purposes of the 2005 smolt release producing this year's return are: (1) To provide adult spawners for CTUIR's Walla Walla River spring chinook reintroduction feasibility study, and (2) to provide bank fishing opportunity for anglers in the Tri-Cities area. This is the first Ringold area bank fishery for released spring chinook 2002. There is insufficient time to promulgate permanent rules.

[Order 07-58—Filed April 12, 2007, 3:01 p.m., effective April 12, 2007, 3:01 p.m.]

Effective Date of Rule: Immediately.

Purpose: Amend personal use rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-56-25500I; and amending WAC 220-56-255.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule conforms to federal action taken by the Pacific Fisheries Management Council. There is sufficient recreation quota to provide for these seasons. There is insufficient time to promulgate permanent rules.

EMERGENCY RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

(Aging and Disability Services Administration)
[Filed April 16, 2007, 11:14 a.m., effective April 16, 2007, 11:14 a.m.]

Effective Date of Rule: Immediately.

Purpose: The department is proposing these amendments and new text to change transfer of asset rules for clients found eligible for long-term care (LTC) services. This

change is due to the 2005 federal Deficit Reduction Act (DRA). The new WAC section is entitled, WAC 388-513-1363 Evaluating the transfer of an asset for clients found eligible for LTC services on or after May 1, 2006. The department will be updating WAC 388-513-1330 to include a reference to WAC 388-513-1363 and 388-513-1364.

Citation of Existing Rules Affected by this Order: Amending WAC 388-513-1330.

Statutory Authority for Adoption: RCW 74.04.050, 74.04.057, 74.08.090, 74.09.575.

Other Authority: 2005 federal Deficit Reduction Act (DRA), Public Law (P.L.) 109-171.

Under RCW 34.05.350 the agency for good cause finds that state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this Finding: The department must adopt the applicable language from the federal Deficit Reduction Act (P.L. 109-171) in order for the state to remain eligible for federal Medicaid funding. This filing continues the emergency rule filed as WSR 07-01-074 while the department completes adoption of permanent rules initiated under WSR 06-10-020. Permanent rules will be drafted once the department receives guidance from CMS for a state plan amendment. Rules will be circulated for review in spring 2007.

AMENDATORY SECTION (Amending WSR 06-07-077, filed 3/13/06, effective 4/13/06)

WAC 388-513-1330 Determining available income for legally married couples for long-term care (LTC) services. This section describes income the department considers available when determining a legally married client's eligibility for LTC services.

(1) The department must apply the following rules when determining income eligibility for LTC services:

(a) WAC 388-450-0005(3), Income—Ownership and availability and WAC 388-475-0200, SSI-related medical;

(b) WAC 388-450-0085, Self-employment income—Allowable expenses;

(c) WAC 388-450-0210 (4)(b) and (e), Countable income for medical programs, and WAC 388-475-0750, SSI-related medical - Countable unearned income;

(d) WAC 388-506-0620, SSI-related medical clients; and

(e) WAC 388-513-1315 (15) and (16), Eligibility for long-term care (institutional, waiver, and hospice) services.

(2) For an institutionalized client married to a community spouse who is not applying or approved for LTC services, the department considers the following income available, unless subsection (4) applies:

(a) Income received in the client's name;

(b) Income paid to a representative on the client's behalf;

(c) One-half of the income received in the names of both spouses; and

(d) Income from a trust as provided by the trust.

(3) The department considers the following income unavailable to an institutionalized client:

(a) Separate or community income received in the name of the community spouse; and

(b) Income established as unavailable through a fair hearing.

(4) For the determination of eligibility only, if available income described in subsections (2)(a) through (d) minus income exclusions described in WAC 388-513-1340 exceeds the special income level (SIL), then:

(a) The department follows community property law when determining ownership of income;

(b) Presumes all income received after marriage by either or both spouses to be community income; and

(c) Considers one-half of all community income available to the institutionalized client.

(5) If both spouses are either applying or approved for LTC services, then:

(a) The department allocates one-half of all community income described in subsection (4) to each spouse; and

(b) Adds the separate income of each spouse respectively to determine available income for each of them.

(6) The department considers income generated by a transferred resource to be the separate income of the person or entity to which it is transferred.

(7) The department considers income not generated by a transferred resource available to the client, even when the client transfers or assigns the rights to the income to:

(a) The spouse; or

(b) A trust for the benefit of the spouse.

(8) The department evaluates the transfer of a resource described in subsection (6) according to WAC 388-513-1363, 388-513-1364, 388-513-1365 and 388-513-1366 to determine whether a penalty period of ineligibility is required.

NEW SECTION

WAC 388-513-1363 Evaluating the transfer of an asset for clients found eligible for LTC services on or after May 1, 2006. This section describes how the department evaluates asset transfers made on or after May 1, 2006, by a client who is applying for or receiving Long Term Care (LTC) services. The department must consider whether a

transfer made within a specified time before the month of application, or while the client is receiving LTC services, requires a penalty period. Clients subject to asset transfer penalty periods are not eligible for LTC services. Refer to WAC 388-513-1364 for rules used to evaluate asset transfers made on or after April 1, 2003 and before May 1, 2006. Refer to WAC 388-513-1365 for rules used to evaluate asset transfer made prior to April 1, 2003. Transfer of asset penalties do not apply to Hospice or PACE services.

(1) The department does not apply a penalty period to the following transfers by the client, if they meet the conditions described:

(a) Gifts or donations totaling the average daily private nursing facility rate or less in any month;

(b) The transfer of an excluded resource described in WAC 388-513-1350 with the exception of the client's home, unless the transfer of the client's home meets the conditions described in subsection (1)(d);

(c) The transfer of an asset for less than fair market value (FMV), if the client can provide evidence to the department of one of the following:

(i) An intent to transfer the asset at FMV or other adequate compensation;

(ii) The transfer is not made to qualify for LTC services;

(iii) The client is given back ownership of the asset;

(iv) The denial of eligibility would result in an undue hardship, see subsection (13) for further instructions.

(d) The transfer of ownership of the client's home, if it is transferred to the client's:

(i) Spouse; or

(ii) Child, who:

(A) Meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c); or

(B) Is less than twenty-one years old; or

(C) Lived in the home for at least two years immediately before the client's current period of institutional status, and provided care that enabled the client to remain in the home; or

(iii) Brother or sister, who has:

(A) Equity in the home, and

(B) Lived in the home for at least one year immediately before the client's current period of institutional status.

(e) The asset is transferred to the client's spouse or to the client's child, if the child meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c);

(f) The transfer of an asset, if the transfer meets the conditions described in subsection (2), and the asset is transferred:

(i) To another person for the sole benefit of the spouse;

(ii) From the client's spouse to another person for the sole benefit of the spouse;

(iii) To trust established for the sole benefit of the client's child who meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c);

(iv) To a trust established for the sole benefit of a person who is sixty-four years old or younger and meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c); or

(2) The department considers the transfer of an asset or the establishment of a trust to be for the sole benefit of a person described in subsection (1)(f), if the transfer or trust:

(a) Is established by a legal document that makes the transfer irrevocable;

(b) Provides that no individual or entity except the spouse, blind or disabled child, or disabled individual can benefit from the assets transferred in any way, whether at the time of the transfer or at any time during the life of the primary beneficiary; and

(c) Provides for spending all assets involved for the sole benefit of the individual on a basis that is actuarially sound based on the life expectancy of that individual or the term of the trust, whichever is less; and

(d) The requirements in subsection (2)(c) of this section do not apply to trusts described in WAC 388-561-0100 (6)(a) and (b) and (7)(a) and (b).

(3) The department does not establish a period of ineligibility for the transfer of an asset to a family member prior to the current period of institutional status, if:

(a) The transfer is in exchange for care services the family member provided the client;

(b) The client has a documented need for the care services provided by the family member;

(c) The care services provided by the family member are allowed under the Medicaid state plan or the department's waived services;

(d) The care services provided by the family member do not duplicate those that another party is being paid to provide;

(e) The FMV of the asset transferred is comparable to the FMV of the care services provided;

(f) The time for which care services are claimed is reasonable based on the kind of services provided; and

(g) Compensation has been paid as the care services were performed or with no more time delay than one month between the provision of the service and payment.

(4) The department considers the transfer of an asset in exchange for care services given by a family member that does not meet the criteria as described under subsection (3) as the transfer of an asset without adequate consideration.

(5) When evaluating the effect of the transfer of an asset made on or after May 1, 2006 on a client's eligibility for LTC services the department counts sixty months before the month of application to establish what is referred to as the "look-back" period.

(6) If a client or the client's spouse transfers an asset within the look-back period without receiving adequate compensation, the result is a penalty period in which the client is not eligible for LTC services.

(7) If a client or the client's spouse transfers an asset on or after May 1, 2006, the department must establish a penalty period by adding together the total uncompensated value of all transfers made on or after May 1, 2006. The penalty period:

(a) For a LTC services applicant, begins on the date the client would be otherwise eligible for LTC services based on an approved application or the first day after any previous penalty period has ended; or

(b) For a LTC services recipient, begins the first of the month following the transfer allowing for reporting requirement timeframes described in WAC 388-418-007; or the first day after any previous penalty period has ended; and

(c) Ends on the last day of the number of whole days found by dividing the total uncompensated value of the assets by the statewide average daily private cost for nursing facilities at the time of application or the date of transfer, whichever is later.

(8) If an asset is sold, transferred, or exchanged, the portion of the proceeds:

(a) That is used within the same month to acquire an excluded resource described in WAC 388-513-1360 does not affect the client's eligibility;

(b) That remain after an acquisition described in subsection (8)(a) becomes an available resource as of the first day of the following month.

(9) If the transfer of an asset to the client's spouse includes the right to receive a stream of income not generated by a transferred resource, the department must apply rules described in WAC 388-513-1330 (6) through (8).

(10) If the transfer of an asset for which adequate compensation is not received is made to a person other than the client's spouse and includes the right to receive a stream of income not generated by a transferred resource, the length of the penalty period is determined and applied in the following way:

(a) The total amount of income that reflects a time frame based on the actuarial life expectancy of the client who transfers the income is added together;

(b) The amount described in subsection (10)(a) is divided by the statewide average daily private cost for nursing facilities at the time of application; and

(c) A penalty period equal to the number of whole days found by following subsections (7)(a), (b), and (c).

(11) A penalty period for the transfer of an asset that is applied to one spouse is not applied to the other spouse, unless:

(a) Both spouses are receiving LTC services; and

(b) A division of penalty period between the spouses is requested.

(12) If a client or the client's spouse disagrees with the determination or application of a penalty period, that person may request a hearing as described in chapter 388-02 WAC.

(13) An undue hardship exists when application of the transfer of assets provision would deprive the individual:

(a) Of medical care that would endanger an individual's health or life; or

(b) Of food, clothing, shelter, or other necessities of life; or

(c) Which provides for:

(i) Notice to recipients that an undue hardship exception exists;

(ii) A timely process for determining whether an undue hardship waiver will be granted; and

(iii) A process under which an adverse determination can be appealed.

EMERGENCY RULES
BUILDING CODE COUNCIL

[Filed April 18, 2007, 11:30 a.m., effective July 1, 2007]

Effective Date of Rule: July 1, 2007.

Purpose: To amend the 2006 International Residential Code, WAC 51-51-0302 related to fire separation distance.

Citation of Existing Rules Affected by this Order: Amending 1 [new section WAC 51-51-0302].

Statutory Authority for Adoption: RCW 19.27.074 and 19.27.020.

Other Authority: Chapters 19.27 and 34.05 RCW.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The state building code council (council), based on the following good cause, finds that an emergency affecting the general welfare of the state of Washington exists. The council further finds that immediate amendment of a certain council rule is necessary for the public welfare and that observing the time requirements of notice and opportunity to comment would be contrary to the public interest.

The declaration of emergency affecting the general welfare of the state of Washington is based on the following findings:

The council adopted the 2006 edition of the International Residential Code (IRC) effective July 1, 2007. The IRC regulates the construction of one and two family residences and townhouses. The 2006 IRC contains provisions related to fire separation distance found in the new section R302 and Table R302.1, that cause a high degree of uncertainty in the building industry. The immediate impact would affect potentially as many as 40,000 building lots in high growth counties in the state.

The council appointed a technical advisory group to examine a number of uncertainties related to the new provisions including: The distance for exterior wall separation to the lot line; the method of protecting the building eaves; the separation distance of the eave projection; how to measure the fire separation distance including the definition of building line, lot line, and fire separation distance; whether or not the building face includes the finish materials; and how to provide venting in the eave to prevent trapping moisture in the attic. The benefits of increased fire safety with the new provisions were inconclusive given the lack of clarity and the typical zoning provisions in place regulating building separation distance. The technical advisory group concluded that the new provisions would lead to inconsistent interpretations and severe market disruption.

The council concluded that it is in the best interest of the general welfare of the state of Washington to retain the provisions related to fire separation distance in section R302 of the 2003 edition of the IRC.
