THE WASHINGTON STATE REGISTER, published under RCW 34.08.020, is distributed on the first and third Wednesdays of each month. The Register contains the full text of proposed, emergency, and permanently adopted rules of state agencies, executive orders of the governor, notices of public meetings of state agencies, rules coordinators' and public record officers' notification, rules of the state supreme court, summaries of attorney general opinions, and juvenile disposition standards that have been filed in the office of the code reviser before the closing date for that issue of the Register. A cumulative table of existing sections of the Washington Administrative Code (WAC) affected by a particular agency action guides the user to the proper issue of the Register.

The code reviser's office has established an annual subscription price of \$400 for a Register subscription, and single copies cost \$17.00. Sales tax of 8.4% applies to all sales other than to state agencies. State law requires payment in advance. To subscribe to the Register, please complete the order form above and forward it to the address indicated, accompanied by your check or money order in the amount of \$433.60 (\$400 for state agencies) payable to the office of the code reviser.
