AGENDA

SOCIAL AND HEALTH SERVICES

[Filed August 31, 2011, 5:56 p.m.]

Following is the department of social and health services (DSHS) semi-annual rule-making agenda for July 1 through December 31, 2011. This agenda will be published in the Washington State Register as required in RCW 34.05.314 and distributed to interested parties. It is also available on-line at <http://www.dshs.wa.gov/msa/rpau/DSHSagenda.html>.

This report represents DSHS rules under development at this time. There may be additional rule-making activity as DSHS responds to legislative actions, to comply with federal mandates, or to meet unforeseen circumstances.

Semi-Annual Rule-Making Agenda
July through December 2011

WAC Chapter or WAC Number	WAC Chapter or Section Caption	Subject Matter	Program Contact Person	Current Activity (the "WSR" number is the official filing number)			
				Emergency Rule (CR-103E)	Preproposal Notice (CR-101)	Proposed Rule (CR-102)	Permanent (Final) Rule (CR-103P)
Aging and Disability Services Administration (ADSA)							
ADSA - Division of Developmental Disabilities (DDD)							
Chapter 388-826 WAC	Voluntary placement program.	Changing the chapter name to Children's residential services—Voluntary placement; updating the rules to provide more consistent administration, delivery, and monitoring across the state to all recipients of voluntary placement services.	Meredith Kelly ADSA-DDD		WSR 08-19-052 Filed 9/11/08		
Chapter 388-823 WAC	Intake and determination of developmental disabilities.	Amendments to this chapter will limit eligibility for individuals with autism to those whose disability is similar to mental retardation and intellectual disability. Reducing the number of eligible clients would allow us to manage budget shortfalls. Proposed amendments would also change the IQ requirements to receive services from DDD and reduce the number of clients, furthermore reducing budget shortfalls.	Meredith Kelly				

WAC Chapter or WAC Number	WAC Chapter or Section Caption	Subject Matter	Program Contact Person	Current Activity (the "WSR" number is the official filing number)			
				Emergency Rule (CR-103E)	Preproposal Notice (CR-101)	Proposed Rule (CR-102)	Permanent (Final) Rule (CR-103P)
		By combining the categories of "another neurological" and "other conditions" into one category will make our WAC consistent with RCW language which is required by state law. This will also reduce the number of administrative hearings saving AAG time. Other proposed changes would streamline eligibility reviews, thereby reducing case resource manager workload.					
WAC 388-832-0025	Individual and family support program.	By updating this chapter, clients that are on the individual and family services program and receive funding through the state [state] supplementary program (SSP) will no longer be eligible to receive state-funded emergency or one time awards. This amendment is necessary to match the SSP WAC that we are filing in emergency status.	Meredith Kelly	WSR 11-07-083 Effective 3/22/11	WSR 11-09-066	WSR 11-13-113 Hearing 7/26/11	
WAC 388-827-0115	State supplementary payment program.	This amendment will expand the number of clients eligible for SSP. By amending this rule, state money will be preserved that is currently used to fund services through the individual and family services program. SSP is a federally mandated program which requires DDD to spend monies to meet a maintenance of effort in order to continue to receive SSP. Currently the division has a surplus in SSP dollars and by converting clients from the individual and family services program, more clients can be served with SSP dollars who previously received services from the individual and family services program.	Meredith Kelly	WSR 11-05-043 Effective 2/9/11 WSR 11-07-032 Effective 3/10/11	WSR 11-09-065	WSR 11-13-112 Hearing 7/26/11

John Worthington v. Washington State Board of Pharmacy - Appeal to the Governor Under RCW 34.05.330.

Dear Mr. Worthington:

I am writing in response to your appeals dated July 21, 2011, July 22, 2011, and July 29, 2011, appealing the Washington State Board of Pharmacy's denial of your petition to amend WAC 246-877-100 to remove marijuana from the list of Schedule I substances. After careful review, I have determined to deny your appeal of the Board's July 18, 2011 "Decision Denying Petition for Rulemaking."

The focus of the petition and the appeal is a legal question: whether the Board has the legal authority to place or retain marijuana on Schedule I under Washington's Controlled Substances Act without making findings on the criteria listed in RCW 69.50.203(a).

The Legislature has specifically provided the Board with legal authority to place a substance on Schedule I without making the findings that would otherwise be required if the substance is so scheduled under Controlled Substances Act by a federal agency as the result of an international treaty, convention, or protocol. See RCW 69.50.203(b). The Board has the same option with regard to placing substances on Schedules II, III, IV or V. RCW 69.50.205(b), .207(b), .209(b) and .211(b).

Your letters of appeal contend that despite the options that the Legislature provided to the Board, I should order the Board to conduct hearings and enter findings. RCW 34.05.330(3) does not provide the Governor with the authority to direct

rulemaking by the Board of Pharmacy, since it is not an agency listed in RCW 43.17.010. Further, the Legislature specifically provided alternatives to the Board of Pharmacy and the Board acted within the parameters of its legal discretion.

The appeal suggests that it would violate federal law for the Board to exercise its discretion and deny the rule-making petition based on the federal government's placement of marijuana on Schedule I under the federal Controlled Substances Act. I have reviewed the legal authorities provided and find they do not override or change Washington state law. The petition relies on *National Organization for the Reform of Marijuana Laws (NORML) v. Drug Enforcement Administration*, (D.C. Cir. 1977). There the Acting DEA Administrator claimed United States treaty obligations relieved him from following the federal statute that required the Administrator to refer the petition to the Secretary of Health, Education, and Welfare for an evaluation. The federal court held the treaty did not allow the Administrator to ignore the actions he was required to take under the federal statute. The Board of Pharmacy is not governed by the federal law, and adopts or amends rules under state law. Here, the Board has followed state law.

Additionally, the appeal suggests that Washington must follow the actions of other states that have rescheduled marijuana by statute or administrative rule. This claim is based on provisions expressing the Legislature's intent that Washington's Controlled Substances Act and Administrative Procedures Act should be construed and interpreted in light of the general purpose to have uniformity and consistency among states that have adopted similar statutory provisions. The provisions that the states of Oregon and Iowa have adopted are not similar to Washington's statutory provisions, so this rule of construction does not come into play. Certainly other states' legislatures cannot amend Washington law. The appeal also cites the "full faith and credit" clause of the federal Constitution, but the Supreme Court has long noted that this clause does not enable one state to legislate for another or project its laws across state lines, and does not provide a basis for substituting another state's law for our own statutes. See, e.g., *Franchise Tax Bd. of California v. Hyatt*, 538 U.S. 488, 494 (2003).

Additionally, controlled substances listed in Schedule I under federal law may not be prescribed or dispensed anywhere in the United States unless a specific registration to do so is obtained. Thus, marijuana cannot be legally prescribed, nor can a prescription for marijuana be filled by a pharmacist in Washington, unless there is a change in the federal schedule.

For these reasons, I am denying your appeals and declining to recommend that the Board initiate rule-making proceedings. As you note in your appeals, my focus will be on seeking change at the federal level.

Sincerely,
 Christine O. Gregoire
 Governor

[Filed September 8, 2011, 1:39 p.m.]

Pursuant to RCW 39.12.015, 39.12.020, and WAC 296-127-011, on September 7, 2011, the industrial statistician and director of labor and industries made a correction to the prevailing rates of wage. Pursuant to WAC 296-127-011, the corrected rates will become effective in thirty days on October 7, 2011.

This wage rate correction affects the trade plumbers and pipefitters, as well as refrigeration and air conditioning mechanics. This correction will affect the following Western Washington counties: Cowlitz, Grays Harbor, Island, Lewis, Mason, Pacific, Pierce, San Juan, Skagit, Snohomish, Thurston, and Whatcom.

Every contractor and subcontractor on every public works project must file a statement of intent to pay prevailing wages and an affidavit of wages paid. Both forms must be filed on every project. The filing of the affidavit of wages paid does not set aside the requirement to also file the statement of intent to pay prevailing wages. The department may fine contractors \$500 for failure to file these forms.

For more information on prevailing wage or a copy of the rates please visit our web site at www.lni.wa.gov/TradesLicensing/PrevailingWage/ or call (360) 902-5335. Please see details of this correction below.

DEPARTMENT OF ECOLOGY

[Filed September 20, 2011, 10:08 a.m.]

PUBLIC NOTICE

Announcing a Draft Aquatic Noxious Weed Management General Permit for Review and Comment

Proposed Permit: The Washington state department of ecology (ecology) is reissuing the aquatic noxious weed management general permit (permit). Ecology issued the current permit in 2008 and the revised permit will replace the current permit in 2012.

Purpose of the Permit: The aquatic noxious weed management general permit (permit) regulates the use of pesticides and other products applied to manage Washington state-listed noxious weeds and Washington state quarantine-listed weeds where pesticides or other products may indirectly enter the state's surface waters. An indirect application occurs when there may be inadvertent and incidental overspray or dripping of a chemical from the treated plants into waters of the state.

The permit covers all marine and freshwater activities that result in a discharge of herbicides, adjuvants, and marker dyes indirectly into streams, rivers, estuaries, marine areas, wetlands, along lake shorelines, and other wet areas. The permit also covers the treatment of noxious and quarantine-listed vegetation for roadside/ditch bank management activities where chemicals may indirectly enter the water. This permit does not apply to the in-water application of chemicals directly into lakes, ponds, streams, or rivers to manage freshwater noxious and quarantine-listed weeds. The aquatic plant and algae management general permit is the appropriate permit for any in-water projects.

Copies of the Draft Permit: You may download copies of the draft permit, supplemental environmental impact statement (covers the addition of five new herbicides to the permit), and the fact sheet from the following web site http://www.ecy.wa.gov/programs/wq/pesticides/final_pesticide_permits/noxious/noxious_index.html

You may request copies of the documents from Julie Robertson at (360) 407-6575 or by e-mail at julie.robertson@ecy.wa.gov.

Ecology Contact: Kathy Hamel, Washington State Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, phone (360) 407-6562, e-mail kathy.hamel@ecy.wa.gov.

Submitting Written Comments: Ecology will accept written comments on the draft permit, fact sheet, and supplemental environmental impact statement until **5 p.m., November 18, 2011**. Ecology prefers comments be submitted by e-mail to kathy.hamel@ecy.wa.gov. E-mailed comments must contain the commenter's name and postal address. Comments should reference specific permit text when possible.

Submit comments by e-mail to kathy.hamel@ecy.wa.gov.

Submit written comments to Kathy Hamel, Washington State Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600.

You must send e-mail comments before **5 p.m., November 18, 2011**. Written comments must be postmarked no later than **5 p.m., November 18, 2011**.

Hearing and Workshop: Ecology will hold one public workshop and hearing on the draft general permit. The purpose of the workshop is to explain the general permit, and answer questions in order to facilitate meaningful testimony during the hearing. The purpose of the hearing is to provide an opportunity for people to give formal oral testimony and comments on the proposed permit. Written comments will receive the same consideration as oral testimony. The public workshop and hearing will begin at 1:30 p.m. on November 10, 2011, and conclude when public testimony is complete.

November 10, 2011 (1:30 p.m.), Workshop and Hearing: Lacey Timberland Library, 500 College Street S.E., Lacey, WA 98503.

Issuing the Permit: The final permit will be issued after ecology receives and considers all public comments. If public comments cause a substantial change in the permit conditions from the original draft permit, another public notice of draft and comment period may ensue. Ecology expects to issue the general permit in 2012.
