Document Title: Washington State 1915 (b)(3) Mental Health Waiver Amendment.

Subject: Termination of medicaid funding for 1915 (b)(3) mental health services.

Effective Date: July 1, 2012.

Document Description: Due to legislative action during the 2012 session, effective July 1, 2012, all medicaid funding supporting 1915 (b)(3) mental health services, commonly referred to as clubhouse, respite, and supported employment, is terminated. An amendment has been submitted to the Centers for Medicare and Medicaid Services to terminate 1915 (b)(3) funding, effective July 1, 2012. This amendment removes (b)(3) services from the medicaid mental health waiver. Because these changes affect all medicaid recipients, there is no right for a hearing to challenge these reductions.

During the 2012 legislative session, SB 5456 passed amending RCW 9.46.0315 to allow "members only" raffles to exceed \$5,000 in yearly gross revenue if the organization obtains a raffle license. The law becomes effective June 7, 2012. Charitable and non-profit organizations are authorized to conduct an unlimited number of "members-only" raffles as long as yearly gross revenue does not exceed \$5,000. For members-only raffle, tickets must only be sold to, and winners determined from, regular members of the organization. "Members" are persons who have become members before the raffle and whose qualification for membership is not dependent upon the purchase of a ticket(s) for such raffles. However, up to twenty-five percent of raffle participants may be guests of members. To the extent possible, confidential information presented to the hearing officer shall be presented by the individual receiving the information. The source shall be identified to the hearing officer, except when the superintendent directs that the source is to remain confidential.

(e) The hearing officer will provide the inmate with an opportunity to present the inmate's views to the hearing officer to clarify information from the witness statements. (6) The hearing officer should make a written report to the superintendent and the inmate within one working day after the classification meeting, which will include:

(a) A recommendation that the inmate be continued in administrative segregation, released back to the general population, or transferred to a more appropriate facility, in or out of state;

(b) An individual behavioral management plan which includes expectations for changes necessary in the inmate's behavior and appropriate program participation for the inmate's return to the general inmate population; provided, however, accomplishment of any such identified behavioral changes and/or program completions/referrals shall not necessarily require discharge from administrative segregation, but shall be considered along with all other circumstances; and

(c) A summary of the inmate's adjustment while in administrative segregation status.

(7) The inmate may appeal the report by submitting written objections and whatever other written information the inmate feels is relevant to the superintendent/designee. Such material shall be filed within twenty-four hours of the inmate's receipt of the report.

(8) The hearing officer should notify the inmate in writing within one working day after receiving the superintendent's decision regarding retention of the inmate in administrative segregation or the inmate's release therefrom, other action directed by the superintendent, and the date of the next classification meeting, if any.

(9) Inmates reviewed at the segregation review meeting will be considered for one or more of the following:

(a) Referral to the deputy secretary/designee with a recommendation that the inmate be placed on intensive management status;

(b) Return to the general inmate population with clear behavioral expectations for remaining there; or

(c) Transfer to a more appropriate facility or unit, within or outside the state.
