**PUBLIC NOTICE**

**Announcing a Review and Comment Period for a Draft Washington State Department of Transportation Municipal Stormwater General Permit**

**Draft Permit:** The Washington state department of ecology (ecology) issued a general permit to the Washington state department of transportation (WSDOT) on January 21, 2009. The permit covers discharges from its municipal separate storm sewer system (MS4). MS4s are conveyances or a system of conveyances including roads with drainage systems, streets, catch basins, ditches, man-made channels, and storm drains.

The effective date of this permit was February 21, 2009, and it expires March 6, 2014. A new draft permit is available for review and comment from **November 6, 2013, until January 10, 2014**. The new draft permit continues WSDOT's stormwater management program, adds requirements for new water cleanup areas impacted by WSDOT stormwater sewer system and expands WSDOT's requirements to implement low impact development best management practices where feasible.

**Purpose of the Permit:** State and federal regulations require WSDOT to have national pollutant discharge elimination system (NPDES) permit coverage in areas covered by Phase I and Phase II of the municipal stormwater permit program. This permit covers stormwater runoff from state highways, rest areas, park and ride lots, ferry terminals, and maintenance facilities. The permit addresses these legal requirements and regulates the discharge of pollutants to protect water quality in Washington state.

**Copies of the Draft Permit:** You may download a copy of the permit and fact sheet at <http://www.ecy.wa.gov/programs/wq/stormwater/municipal/wsdot.html>. You may request copies of the permit or fact sheet from the water quality program reception at (360) 407-6600.

**Ecology Contact:** Foroozan Labib, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696, phone (360) 407-6439, fax (360) 407-6426, e-mail [foroozan.labib@ecy.wa.gov](mailto:foroozan.labib@ecy.wa.gov).

**Submitting Written and Oral Comments:** Ecology will accept written and oral comments on the draft WSDOT municipal stormwater general permit and fact sheet until **5 p.m., January 10, 2014**. Ecology prefers comments be submitted by e-mail. E-mailed comments must contain the commenter's name and postal address. Comments should reference specific text when possible.

Ecology prefers comments be submitted by e-mail to [foroozan.labib@ecy.wa.gov](mailto:foroozan.labib@ecy.wa.gov). Written comments must be postmarked or received via e-mail no later than **5 p.m., January 10, 2014**.

Submit written, hard copy comments to Foroozan Labib, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696.

**Hearing and Workshop:** A public workshop to explain the proposed changes to the permit, followed by a public hearing, will be held in Lacey, Washington. The purpose of the hearing is to provide an opportunity for people to give formal oral testimony and comments on the proposed permit.

**Wednesday, January 8, 2014, 1:30 p.m., Department of Ecology, 300 Desmond Drive S.E., Lacey, WA.**

**Issuing the WSDOT Municipal Stormwater General Permit:** After ecology receives and considers all public comments, it will make necessary changes, issue the permit and a response to comments. Ecology expects to issue the permit in March 2014.

Title: Division of Occupational Safety and Health Interpretative Statement.

Subject: Determination of applicability of RCW 34.05.-110 to violations issued under chapters 49.17, 49.19, 49.22, 70.74, 70.77, 88.04 RCW, RCW 72.23.400 and 72.23.410.

Date Issued: October 16, 2013.

Description: Applicability of RCW 34.05.110 to violations issued under chapters 49.17, 49.19, 49.22, 70.74, 70.77, 88.04 RCW, RCW 72.23.400 and 72.23.410. Under RCW 34.05.110, small businesses are eligible for a waiver of penalties and fines for a first-time paperwork violation and an opportunity to correct other violations.

The director of labor and industries has determined that the requirements of chapter 35.110 RCW do not apply to violations or citations issued under the Washington Industrial Safety and Health Act, chapter 49.17 RCW, due to a conflict with federal law or program requirements, including, but not limited to, federal requirements that Washington's enforcement be at-least-as-effective-as enforcement under the Occupational Safety and Health Act. It is further determined that these federal requirements are a prescribed condition to the allocation of federal funds to the state, and that the effect of the violations present a direct danger to public health.

The director has also determined that the requirements of RCW 34.05.110 do not apply to violations issued under the following statutes as the effect of these violations presents a direct danger to public health: Chapter 49.19 RCW, Workplace violence in healthcare; chapter 49.22 RCW, Asbestos; chapter 49.22 RCW, Safety—Crime prevention; chapter 70.74 RCW, Explosives; chapter 70.77 RCW, Fireworks Act; chapter 88.04 RCW, Charter boat safety; RCW 72.23.400 Workplace safety plan; and 72.23.410 Violence prevention training. These determinations were made by the director of labor and industries in 2009 pursuant to chapter 358, Laws of 2009, and apply to the 2010 amendments under chapter 194, Laws of 2010, and the 2011 amendments under chapter 18, Laws of 2011.

**HEALTH CARE AUTHORITY**

[Filed October 21, 2013, 10:02 a.m.]

**NOTICE**

Title or Subject: Apple Health Plus Managed Care Program.

Effective Date: February 1, 2014.

Description: Medicaid State Plan Amendment 13-42.

Beginning January 1, 2014, the state of Washington will implement portions of the Affordable Care Act (ACA) by:

- Expanding medicaid eligibility to individuals with a modified adjusted gross income up to one hundred thirty-eight percent of the federal poverty level (FPL); and
- Offering qualified health plans (QHPs) through Washington's health benefit exchange (HBE) to individuals not eligible for medicaid. A QHP is a commercial insurance plan that follows established limits on cost-sharing (like deductibles, copayments, and out-of-pocket maximum amounts), and meets other requirements of the ACA.

The health care authority (HCA) anticipates many individuals with incomes near the eligibility threshold of one hundred thirty-eight percent FPL will experience frequent changes in their family income. When their income exceeds the threshold, they will lose their medicaid eligibility and will instead be eligible for QHP coverage through the HBE. When their income drops below the threshold, they become eligible for medicaid. As their income fluctuates, so does their eligibility for either of these insurance affordability programs. This movement between the programs is commonly referred to as "churn."

To address this "churn," HCA intends to implement the apple health plus (AHP) program. The goal of this voluntary program is to ensure continuity of care for individuals and families. AHP will be a medicaid managed care program that will allow QHP enrollees who experience changes in income to remain with the same insurance carrier when they transition from QHP coverage to medicaid, if the carrier is contracted with HCA as a limited medicaid managed care organization. Current medicaid enrollees with family members enrolled in a QHP will also have the option to enroll in AHP.

To obtain approval for AHP, the HCA intends to submit a 1932(a) State Plan Amendment 13-42, adding AHP as a new program to Washington's medicaid state plan.

NEW RULE
GENERAL RULES (GR)

Rule 12.4—Washington State Bar Association Access to Records

(a) Policy and Purpose. It is the policy of the Washington State Bar Association to facilitate access to Bar records. A presumption of public access exists for Bar records, but public access to Bar records is not absolute and shall be consistent with reasonable expectations of personal privacy, restrictions in statutes, restrictions in court rules, or as provided in court orders or protective orders issued under court rules. Access shall not unduly burden the business of the Bar.

(b) Scope. This rule governs the right of public access to Bar records. This rule applies to the Washington State Bar

Association and its subgroups operated by the Bar including the Board of Governors, committees, task forces, commissions, boards, offices, councils, divisions, sections, and departments. This rule also applies to boards and committees under GR 12.2 administered by the Bar. A person or entity entrusted by the Bar with the storage and maintenance of Bar records is not subject to this rule and may not respond to a request for access to Bar records, absent express written authority from the Bar or separate authority in rule or statute to grant access to the documents.

(c) Definitions.

1. "Access" means the ability to view or obtain a copy of a Bar record.

2. "Bar record" means any writing containing information relating to the conduct of any Bar function prepared, owned, used, or retained by the Bar regardless of physical form or characteristics. Bar records include only those records in the possession of the WSBA and its staff or stored under Bar ownership and control in facilities or servers. Records solely in the possession of hearing officers, non-Bar staff members of boards, committees, task forces, commissions, sections, councils, or divisions that were prepared by the hearing officers or the members and in their sole possession, including private notes and working papers, are not Bar records and are not subject to public access under this rule. Nothing in this rule requires the Bar to create a record that is not currently in possession of the Bar at the time of the request.

3. "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation in paper, digital or other format.

(d) Bar Records - Right of Access.

1. The Bar shall make available for inspection and copying all Bar records, unless the record falls within the specific exemptions of this rule, or any other state statute (including the Public Records Act, chapter 42.56 RCW) or federal statute or rule as they would be applied to a public agency, or is made confidential by the Rules of Professional Conduct, the Rules for Enforcement of Lawyer Conduct, the Admission to Practice Rules and associated regulations, the Rules for Enforcement of Limited Practice Officer Conduct, General Rule 25, court orders or protective orders issued under those rules, or any other state or federal statute or rule. To the extent required to prevent an unreasonable invasion of personal privacy interests or threat to safety or by the above-referenced rules, statutes or orders, the Bar shall delete identifying details in a manner consistent with those rules, statutes or orders when it makes available or publishes any Bar record; however, in each case, the justification for the deletion shall be explained in writing.

2. In addition to exemptions referenced above, the following categories of Bar records are exempt from public access except as may expressly be made public by court rule:

a. Records of the personnel committee, and personal information in Bar records for employees, appointees, members, or volunteers of the Bar to the extent that disclosure would violate their right to privacy, including home contact information (unless such information is their address of record), Social Security numbers, driver's license numbers,

identification or security photographs held in Bar records, and personal data including ethnicity, race, disability status, gender, and sexual orientation. Membership class and status, bar number, dates of admission or licensing, addresses of record, and business telephone numbers, facsimile numbers, and electronic mail addresses (unless there has been a request that electronic mail addresses not be made public) shall not be exempt, provided that any such information shall be exempt if the Executive Director approves the confidentiality of that information for reasons of personal security or other compelling reason, which approval must be reviewed annually.

b. Specific information and records regarding

1) internal policies, guidelines, procedures, or techniques, the disclosure of which would reasonably be expected to compromise the conduct of disciplinary or regulatory functions, investigations, or examinations;

2) application, investigation, and hearing or proceeding records relating to lawyer, Limited Practice Officer, or Limited License Legal Technician admissions, licensing or discipline, or that relate to the work of ELC 2.5 hearing officers, the Board of Bar Examiners, the Character and Fitness Board, the Law Clerk Board, the Limited Practice Board, the MCLE Board, the Limited License Legal Technician Board, the Practice of Law Board, or the Disciplinary Board in conducting investigations, hearings or proceedings; and

3) the work of the Judicial Recommendation Committee and the Hearing Officer selection panel, unless such records are expressly categorized as public information by court rule.

c. Valuable formulae, designs, drawings, computer source code or object code, and research data created or obtained by the Bar.

d. Information regarding the infrastructure, integrity, and security of computer and telecommunication networks, databases, and systems.

e. Applications for licensure by the Bar and annual licensing forms and related records, including applications for license fee hardship waivers and any decision or determinations on the hardship waiver applications.

f. Requests by members for ethics opinions to the extent that they contain information identifying the member or a party to the inquiry.

Information covered by exemptions will be redacted from the specific records sought. Statistical information not descriptive of any readily identifiable person or persons may be disclosed.

3. Persons Who Are Subjects of Records.

a. Unless otherwise required or prohibited by law, the WSBA has the option to give notice of any records request to any member or third party whose records would be included in the WSBA's response.

b. Any person who is named in a record, or to whom a record specifically pertains, may present information opposing the disclosure to the applicable decision maker.

c. If the Bar decides to allow access to a requested record, a person who is named in that record, or to whom the records specifically pertains, has a right to initiate review or to participate as a party to any review initiated by a requester. The deadlines that apply to a requester apply as well to a person who is a subject of a record.

**(e) Bar Records—Procedures for Access.**

1. General Procedures. The Bar Executive Director shall appoint a Bar staff member to serve as the public records officer to whom all records requests shall be submitted. Records requests must be in writing and delivered to the Bar public records officer, who shall respond to such requests within 30 days of receipt. The Washington State Bar Association must implement this rule and adopt and publish on its website the public records officer's work mailing address, telephone number, fax number, and e-mail address, and the procedures and fee schedules for accepting and responding to records requests by the effective date of this rule. The Bar shall acknowledge receipt of the request within 14 days of receipt, and shall communicate with the requester as necessary to clarify any ambiguities as to the records being requested. Records requests shall not be directed to other Bar staff or to volunteers serving on boards, committees, task forces, commissions, sections, councils, or divisions.

2. Charging of Fees.

a. A fee may not be charged to view Bar records.

b. A fee may be charged for the photocopying or scanning of Bar records according to the fee schedule established by the Bar and published on its website.

c. A fee not to exceed \$30 per hour may be charged for research services required to fulfill a request taking longer than one hour. The fee shall be assessed from the second hour onward.

**(f) Extraordinary Requests Limited by Resource Constraints.** If a particular request is of a magnitude or burden on resources that the Bar cannot fully comply within 30 days due to constraints on time, resources, and personnel, the Bar shall communicate this information to the requester along with a good faith estimate of the time needed to complete the Bar's response. The Bar must attempt to reach agreement with the requester as to narrowing the request to a more manageable scope and as to a timeframe for the Bar's response, which may include a schedule of installment responses. If the Bar and requester are unable to reach agreement, the Bar shall respond to the extent practicable, clarify how and why the response differs from the request, and inform the requester that it has completed its response.

**(g) Denials.** Denials must be in writing and shall identify the applicable exemptions or other bases for denial as well as a written summary of the procedures under which the requesting party may seek further review.

**(h) Review of Records Decisions.**

1. Internal Review. A person who objects to a record decision or other action by the Bar's public records officer may request review by the Bar's Executive Director.

a. A record requester's petition for internal review must be submitted within 90 days of the Bar's public records officer's decision, on such form as the Bar shall designate and make available.

b. The review proceeding is informal, summary, and on the record.

c. The review proceeding shall be held within five working days. If that is not reasonably possible, then within five working days the review shall be scheduled for the earliest practical date.

2. External Review. A person who objects to a records review decision by the Bar's Executive Director may request review by the Records Request Appeals Officer (RRAO) for the WSBA.

a. The requesting party's request for review of the Executive Director's decision must be deposited in the mail and postmarked or delivered to the Bar not later than 30 days after the issuance of the decision, and must be on such form as the Bar shall designate and make available.

b. The review will be informal and summary, but in the sole discretion of the RRAO may include the submission of briefs no more than 20 pages long and of oral arguments no more than 15 minutes long.

c. Decisions of the RRAO are final unless, within 30 days of the issuance of the decision, a request for discretionary review of the decision is filed with the Supreme Court. If review is granted, review is conducted by the Chief Justice of the Washington Supreme Court or his or her designee in accordance with procedures established by the Supreme Court. A designee of the Chief Justice shall be a current or former elected judge. The review proceeding shall be on the record, without additional briefing or argument unless such is ordered by the Chief Justice or his or her designee.

d. The RRAO shall be appointed by the Board of Governors. The Bar may reimburse the RRAO for all necessary and reasonable expenses incurred in the completion of these duties, and may provide compensation for the time necessary for these reviews at a level established by the Board of Governors.

(i) **Monetary Awards Not Allowed.** Attorney fees, costs, civil penalties, or fines may not be awarded under this rule.

(j) **Effective Date of Rule.**

1. This rule goes into effect on July 1, 2014, and applies to records that are created on or after that date.

2. Public access to records that are created before that date are to be analyzed according to other court rules, applicable statutes, and the common law balancing test; the Public Records Act, Chapter 42.56 RCW, does not apply to such Bar records, but it may be used for non-binding guidance.

**Reviser's note:** The typographical error in the above material occurred in the copy filed by the State Supreme Court and appears in the Register pursuant to the requirements of RCW 34.08.040.
