**Insurance Services Division:** Claims Specialty Services.

**New Policy:** Management Update, Communication with Represented Workers.

This management update clarifies the department's standard practice to honor requests by workers to have their attorneys represent them in matters pertaining to their claims.

**Date Issued:** August 9, 2013.

**Contact:** Nancy Lach, P.O. Box 44208, Olympia, WA 98504, (360) 902-4379, nancy.lach@lni.wa.gov.

**Amended Policy 1.35:** Releasing Claim Information and Claim-Specific Information.

This policy applies whenever the department or self-insured employer receives a request for claim information. This policy does not apply to crime victims' compensation claims under chapter 7.68 RCW. This policy is updated to add additional clarification and to reflect current practice.

Due to reconsideration of RCW 51.28.070, state fund and self-insured employers and their authorized representatives may review all claim files of a worker who has a claim pending with the requesting employer. The employer may review open and closed claims and claims by the worker filed against other employers regardless of the body part or condition. This is a change from the 1998 policy restricting employer access to claims of their own injured workers with any pending claims with injuries to the same area of the body. Policy point #9 has been added to clarify who [is] entitled to have access to claim file information when a worker dies.

Management Memo, *Releasing Claim Information: Employer Requests*, dated 11-29-12, is deleted. The information in the management memo is included in the 5-24-13 policy update.

**Date Issued:** May 24, 2013.

This policy is changed from an interim to a formal policy and applies whenever a worker is KOS by a state fund or self-insured employer. This policy is updated to add additional clarification and to reflect current practice.

**Date Issued:** November 22, 2013.

**Contact:** Nancy Lach, P.O. Box 44208, Olympia, WA 98504, (360) 902-4379, nancy.lach@lni.wa.gov.

 [Filed December 9, 2013, 2:18 p.m.]

**NOTICE**

Title or Subject: Medicaid State Plan Amendment (SPA) 14-0001.

Effective Date: January 1, 2014.

Description: The health care authority intends to submit medicaid SPA 14-0001 to increase standards for medicaid programs that are based on the federal benefit rate (FBR). The annual FBR amount is based in part on cost-of-living adjustment, which increased by 1.5 percent for calendar year 2014. Due to an increase in the FBR, income and resource eligibility standards for certain medicaid programs, including those that provide long-term care services, must also increase in accordance with federal requirements. This SPA is expected to have no impact on annual aggregate expenditures.

Suggested Amendment

SUPERIOR COURT CRIMINAL RULES (CrR)

Rule 2.2: Warrant of Arrest and Summons

Submitted by the Superior Court Judges' Association

Purpose: An amendment to the rule is proposed to allow
sworn testimony establishing the grounds for issuing an
arrest warrant to be recorded through reliable means, in addi-
tion to electronically or stenographically.

There is a request to amend the comparable rule for
courts of limited jurisdiction.

RULE 2.2 WARRANT OF ARREST AND SUMMONS

(a) Warrant of Arrest.

(1) Generally. If indictment is found or an information is
filed, the court may direct the clerk to issue a warrant for the
arrest of the defendant.

(2) Probable Cause. Before ruling on a request for a
warrant the court may require the complainant to appear per-
sonally and may examine under oath the complainant and any
witnesses the complainant may produce. A warrant of arrest
may not issue unless the court determines that there is proba-
ble cause to believe that the defendant committed the offense
charged. The court shall determine probable cause based on
an affidavit, a document as provided in RCW 9A.72.085 or
any law amendatory thereto, or sworn testimony establishing
the grounds for issuing the warrant. Sworn testimony shall be
recorded electronically, stenographically, or through any
other reliable means. The evidence shall be preserved and
shall be subject to constitutional limitations for probable
cause determinations and may be hearsay in whole or in part.

[Remainder of rule is unchanged]

SUPERIOR COURT CRIMINAL RULES (CrR)

Rule 2.3: Search and Seizure

Submitted by the Superior Court Judges' Association

Purpose: CrR 2.3 was adopted in 1973. The technology
used by courts, law enforcement, and attorneys for transmit-
ting and preserving documents and recorded testimony has
significantly evolved. Telephone, facsimile, electronic mail,
and digital recording methods are widely used. Statute and
court rule allow for the use of digital signatures. With the pro-
posed changes, the rule would continue to require that the
court receive the sworn evidence from the prosecuting
authority or police officer and issue the warrant through reli-
able methods that preserve the evidence and the warrant.
Because technology continues to evolve, additional methods
of transmitting the sworn evidence and issuing the warrant
are not specified in the rule. General Rule 31 (Access to
Court Records) sets forth the provisions for public review of
court records.

CrR 2.3 SEARCH AND SEIZURE

[(a) and (b) are unchanged]

(c) Issuance and Contents. A search warrant may be
issued only if the court determines there is probable cause for
the issuance of a warrant. There The evidence in support of
the warrant must be an in the form of affidavits, a document
as provided in RCW 9A.72.085 or any law amendatory
thereto, or sworn testimony establishing the grounds for issu-
ing the warrant and may be provided to the court by any reli-
able means. The Any sworn testimony may must be an elec-
tronically recorded telephonic statement and made part of the
court record. The recording or a duplication of the recording
shall be a part of the court record and shall be transcribed if

requested by a party if there is a challenge to the validity of the warrant or if ordered by the court. The evidence in support of the finding of probable cause shall be preserved and shall be subject to constitutional limitations for such determinations and may be hearsay in whole or in part. If the court finds that probable cause for the issuance of a warrant exists, it shall issue a warrant identifying the property or person and naming or describing the person, place or thing to be searched. The court's authorization may be communicated by any reliable means. ~~The court shall record a summary~~ A record shall be made of any additional evidence on which ~~it~~ the court relies. The warrant shall be directed to any peace officer ~~it~~ and shall command the officer to search, within a specified period of time not to exceed 10 days, the person, place, or thing named for the property or person specified. ~~It~~ The warrant shall designate ~~to whom the court to which the warrant~~ it shall be returned. The warrant may be served at any time.

**(d) Execution and Return With Inventory.** The peace officer taking property under the warrant shall give to the person from whom or from whose premises the property is taken a copy of the warrant and a receipt for the property taken. If no such person is present, the officer may post a copy of the search warrant and receipt. The return shall be made promptly and shall be accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the person from whose possession or premises the property is taken, or in the presence of at least one person other than the officer. The court shall upon request ~~deliver~~ provide a copy of the inventory to the person from whom or from whose premises the property was taken and to the applicant for the warrant.

**Rule 3.2.1: Procedure Following Warrantless Arrest—  
Preliminary Appearance  
Submitted by the Superior Court Judges' Association**

**Purpose:** While amending CrR 3.2.1 to acknowledge that the technology for transmitting and preserving documents and recorded testimony has evolved, the proposed rule would preserve requirements that evidence be provided by reliable means and that sworn testimony and probable cause determinations be recorded by reliable means.

**RULE 3.2.1 PROCEDURE FOLLOWING WARRANTLESS  
ARREST—PRELIMINARY APPEARANCE**

[(a) is unchanged]

**(b) How Determined.** The court shall determine probable cause on evidence presented by a peace officer or prosecuting authority in the same manner as provided for a warrant of arrest in rule CrR 2.2(a). ~~The evidence shall be preserved and may consist of an electronically recorded telephonic statement.~~ If the court finds that release without bail should

be denied or that conditions should attach to the release on personal recognizance, other than the promise to appear for ~~trial~~ subsequent court hearings, the court shall proceed to determine whether probable cause exists to believe that the accused committed the ~~offense charged~~ crime alleged, unless this determination has previously been made by a court. Before making the determination, the court may consider ~~an~~ affidavits, a documents as provided in RCW 9A.72.-085 or any law amendatory thereto, or sworn testimony, and further may examine under oath the affiant and any witnesses the affiant may produce. GR 30—Electronic Filing and Service

CR 5—Service and Filing of Pleadings and Other Papers

PURPOSE: The purpose of the suggested rule changes is to permit counties to opt into mandatory electronic service on attorneys of court filed documents rather than requiring case by case consent of counsel. King and Pierce Counties have fully implemented electronic filing of pleadings. The overwhelming majority of lawyers in King County have computer access and regularly use email for communication with opposing counsel. The federal courts have long implemented electronic service of filed pleadings through the ECF/Pacer system. Our current rules permit electronic service only with the express consent of counsel in each case. GR 30 (b)(4) prevents local courts from having a choice.

SUGGESTED AMENDMENT

SUPERIOR COURT CIVIL RULES (CR)

RULE 5 - SERVICE AND FILING OF PLEADINGS AND OTHER PAPERS

(a) Service—When Required. [No change]

(b) Service—How Made.

(1)–(6) [No change]

(7) Service by Other Means. Service under this rule may be made by delivering a copy by any other means, including facsimile or electronic means, consented to in writing by the person served or as authorized under local court rule pursuant to GR 30 (b)(4). Service by facsimile or electronic means is complete on transmission when made prior to 5:00 p.m. on a judicial day. Service made on a Saturday, Sunday, holiday or after 5:00 p.m. on any other day shall be deemed complete at 9:00 a.m. on the first judicial day thereafter; Service by other consented means is complete when the person making service delivers the copy to the agency designated to make delivery. Service under this subsection is not effective if the party making service learns that the attempted service did not reach the person to be served.

(c) – (j) [No change]

RULES OF GENERAL APPLICATION (GR)

RULE 30 – ELECTRONIC FILING AND SERVICE

(a) [No change]

(b) Electronic filing authorization, exception, service, and technology equipment.

(1)–(3) [No change]

~~(4) Electronic Service by Parties. Parties may electronically serve documents on other parties of record only by agreement.~~

~~(5) A court may adopt a local rule that mandates electronic filing by attorneys and/or electronic service of documents on attorneys for parties of record, provided that the attorneys are not additionally required to file paper copies except for those documents set forth in (b)(2). Electronic service may be made either through an electronic transmission directly from the court (where available) or by a party's attorney. Absent such a local rule, parties may electronically serve documents on other parties of record only by agreement. The local rule shall not be inconsistent with this Rule and the Electronic Filing Technical Standards, and the local rule shall permit paper filing and/or service upon a showing of good cause. Electronic filing and/or service should not serve as a barrier to access.~~

Date	Time	Location
January 29, 2014	10:00 a.m. to 3:00 p.m.	Port of Grays Harbor Commission Chambers Room 111 South Wooding Street Aberdeen, WA 98520

July 9, 2014	10:00 a.m. to 3:00 p.m.	Port of Grays Harbor Commission Chambers Room 111 South Wooding Street Aberdeen, WA 98520

decision. If the proposal is accepted, it will be followed by issuance of a permit. For more information view the web site at <http://www.ecy.wa.gov/programs/wq/pesticides/imidacloprid/index.html>.

**Need for Proposal:** The use of imidacloprid is being proposed to control burrowing shrimp on commercial shellfish beds in Willapa Bay and Grays Harbor. Burrowing shrimp destabilize the sediment on shellfish beds while also resuspending sediments into the water column. This causes shellfish to sink into the undermined sediment and die, resulting in the inability of shellfish growers to farm historic shellfish beds. Please refer to the web site for more information on the history and background of burrowing shrimp and aquaculture.

**Proponent:** Willapa/Grays Harbor Oyster Growers Association.

**Location of Proposal:** Willapa Bay in Pacific County, and Grays Harbor in Grays Harbor County, Washington.

**Lead Agency:** Ecology.

**Preliminary Content:** Ecology has preliminarily identified the following areas for discussion in the EIS pursuant to the State Environmental Policy Act (SEPA): Sediment quality, air quality, water quality, plants, animals, and human health.

**A discussion of alternatives could include:**

1. No action - which means no permit is issued.
2. Mechanical control of burrowing shrimp only.
3. Alternative chemical control of burrowing shrimp only.
4. Other production methods.
5. An integrated pest management plan which may include both chemical and mechanical control methods.

**Purpose of Scoping:** Scoping is the public process in which ecology identifies the significant environmental issues and provides notice to the public, other agencies, and affected tribes, that an EIS is being prepared. Through the scoping procedure interested parties can help define the issues the EIS will address, identify alternatives, and provide focus to the EIS.

Agencies, affected tribes, and members of the public are invited to comment on the scope of the EIS. Ecology prefers to have comments submitted by e-mail, but accepts all comments.

**Open House and Workshop:** An open house and workshop will be held to answer questions, provide information, and accept comments on the scope of the EIS. Following are details on the open house and workshop: February 1, 2014, 10 a.m., at the Willapa Harbor Community Center, 405 Commercial Street, Raymond, WA 98577.

**All comments are due by February 15.**

**PUBLIC NOTICE**

**Announcing a Draft *Zostera japonica* Management on Commercial Clam Beds in Willapa Bay General Permit for Review and Comment**

**Proposed Permit:** The Washington state department of ecology (ecology) is proposing a new general permit to regulate the use of imazamox for management of *Zostera japonica* (*Z. japonica*) on commercial clam beds in Willapa Bay, a surface water of Washington state. Permit development was requested by commercial shellfish growers to control *Z. japonica* on commercial clam beds in Willapa Bay to facilitate the cultivation and harvest of clams.

Washington's water quality statutes and regulations do not allow the discharge of pollutants to waters of the state without permit coverage. Imazamox, the herbicide proposed for management of *Z. japonica* is a potential pollutant, and therefore requires a discharge permit before application to surface waters. Ecology issues general permits in place of a series of individual permits when the permitted activities are similar.

Ecology has determined that this proposal is likely to have significant adverse impacts on the environment, particularly the native eelgrass, *Zostera marina*. A draft environmental impact statement (DEIS) has been prepared and is available for review and comment.

**Purpose of the Permit:** This permit would allow the management of *Z. japonica* on commercial clam beds in Willapa Bay, excluding geoduck culture, using the herbicide imazamox. Commercial clam growers must apply for coverage under this permit prior to implementing *Z. japonica* control activities using imazamox.

**Copies of the Draft Permit:** You may download copies of the draft permit, fact sheet, DEIS, and economic impact analysis, beginning January 2, 2014, from the web site at <http://www.ecy.wa.gov/programs/wq/pesticides/eelgrass.html>.

**Ecology Contact:** Nathan Lubliner, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696, phone (360) 407-6563, e-mail [nathan.lubliner@ecy.wa.gov](mailto:nathan.lubliner@ecy.wa.gov).

**Open House, Workshop, and Public Hearing:** Ecology will hold one open house, workshop, and public hearing on the draft general permit and DEIS. The purpose of the workshop is to explain the general permit, and answer questions in order to facilitate meaningful testimony during the hearing. The purpose of the hearing is to provide an opportunity for people to give formal oral testimony and comment on the proposed permit and DEIS. Written comments will receive the same consideration as oral testimony. The open house, workshop, and public hearing will begin at 10 a.m. and conclude when public testimony is complete.

**Open House, Workshop, and Public Hearing:** February 1, 2014, 10 a.m., at the Willapa Harbor Community Center, 916 West First Street, South Bend, WA 98586.

**Submitting Written Comments:** Ecology will accept written comments on the draft permit, fact sheet and environ-

mental impact analysis until 5 p.m., February 15, 2014. Ecology prefers comments be submitted by e-mail. E-mailed comments must contain the commenter's name and postal address. Comments should reference specific permit text when possible.

**Submit comments by e-mail to** [nathan.lubliner@ecy.wa.gov](mailto:nathan.lubliner@ecy.wa.gov).

**Submit written comments to** Nathan Lubliner, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696.

You must send e-mail comments before 5 p.m., February 15, 2014. Written comments must be postmarked no later than 5 p.m., February 15, 2014.

**Issuing the Permit:** The final permit will be issued after ecology receives and considers all public comments. If public comments cause a substantial change in the permit conditions from the original draft permit, another public notice of draft and comment period may ensue. Ecology expects to issue the general permit in the spring of 2014.
