Title or Subject: Medicaid State Plan Amendment (SPA) 16-0011 Behavior Rehabilitation Rates.
Effective Date: On or after April 21, 2016.
Description: The health care authority in conjunction with the children's administration in the department of social

and health services intends to submit medicaid SPA 16-0011 in order to update the effective date of the behavior rehabilitation services fee schedule. Fee schedules are updated on a regular basis, usually quarterly, based on coding and coverage information from the Centers for Medicare and Medicaid Services (CMS), medicare, and other sources. The medicaid state plan must be amended as necessary to reflect new effective dates. SPA 16-0011 will also update the link to the fee schedule.

The children's administration and the agency anticipate that updating the effective date of the fee schedule will have no effect on annual aggregate expenditures.

The SPA is in the development process; therefore a copy is not yet available for review. To contact the children's administration for additional information and a copy of the SPA when it becomes available, please contact Shannon Mathis, Cost Allocation and Audit Unit Manager, 1115 Washington Street S.E., Olympia, WA 98504, phone (360) 902-7912, TDD/TTY 1-877-833-6341, fax (306) [(360)] 902-7903, e-mail MathisL@dshs.wa.gov.

Rule 11.1 Purpose and Scope of Interpreter Commission

(a) Purpose and Scope. This rule establishes the Interpreter Commission ("Commission") and prescribes the conditions of its activities. This rule does not modify or duplicate the statutory process directing the Court Certified Interpreter Program as it is administered by the Administrative Office of the Courts (AOC) (RCW 2.43). The Interpreter Commission will develop policies for the Interpreter Program and the Program Policy Manual, published on the Washington Court's website at www.courts.wa.gov which shall constitute the official version of policies governing the Court Certified Interpreter Program.

(b) Jurisdiction and Powers. ~~All certified court interpreters who are certified in the state of Washington by AOC are subject to rules and regulations specified in the Interpreter Program Manual. All court interpreters who are credentialed by the State of Washington AOC in either a certified or registered language category are subject to the rules and regulations specified in the Interpreter Program Policy Manual.~~ The Commission shall establish three committees to fulfill ongoing functions related to issues, discipline, and judicial/court administration education. Each committee shall consist of at least three Commission members and one member shall be identified as the chair.

(1) The Issues Committee is assigned issues, complaints, and/or requests from interpreters for review and response. If an issue related to interpreter certification cannot be resolved at the Issues Committee level, the matter will be submitted by written referral to the Disciplinary Committee.

(2) The Issues Committee will also address issues, complaints and/or requests regarding access to interpreter services in the courts, and may communicate with individual courts in an effort to assist in complying with language access directives required by law.

(3) ~~(2)~~ The Disciplinary Committee has the authority to decertify and deny certification of interpreters based on the disciplinary procedures for: (a) violations of continuing education/court hour requirements, (b) failure to comply with Interpreter Code of Conduct (GR 11.2) or professional standards, or (3) violations of law that may interfere with their duties as a certified court interpreter. The Disciplinary Committee will decide on appeal any issues submitted by the Issues Committee.

(4) ~~(3)~~ The Judicial and Court Administration Education Committee shall provide ongoing opportunities for training and resources to judicial officers, ~~and~~ court administrators, and court staff related to court interpretation improvement.

Members are eligible to serve a subsequent 3 year term. ~~The Commission shall consist of eleven members.~~ Members shall only serve on at least one committee and committees may be supplemented by ad hoc professionals as designated by the chair. Ad hoc members may not serve as the chair of a committee.

(d) Regulations. Policies outlining rules and regulations directing the interpreter program are specified in the Interpreter Program Manual. The Commission, through the Issues Committee and Disciplinary Committee, shall enforce the policies of the interpreter program. Interpreter program policies may be modified at any time by the Commission and AOC.

(e) Existing Law Unchanged. This rule shall not expand, narrow, or otherwise affect existing law, including but not limited to RCW chapter 2.43.

(f) Meetings. The Commission shall hold meetings as determined necessary by the chair. Meetings of the Commission are open to the public except for executive sessions and disciplinary meetings related to action against a certified interpreter.

(g) Immunity from Liability. No cause of action against the Commission, its standing members or ad hoc members appointed by the Commission, shall accrue in favor of a certified court interpreter or any other person arising from any act taken pursuant to this rule, provided that the Commission members or ad hoc members acted in good faith. The burden of proving that the acts were not taken in good faith shall be on the party asserting it.

[Adopted effective September 1, 2005]

Rule 11.2 Code of Conduct for Court Interpreters

PREAMBLE. All language interpreters serving in a legal proceeding, whether certified or uncertified, shall abide by the following Code of Conduct:

A language interpreter who violates any of the provisions of this code is subject to a citation for contempt, disciplinary action or any other sanction that may be imposed by law. The purpose of this Code of Conduct is to establish and maintain high standards of conduct to preserve the integrity and independence of the adjudicative system.

(a) A language interpreter, ~~like~~ as an officer of the court, shall maintain high standards of personal and professional conduct that promote public confidence in the administration of justice.

(b) A language interpreter shall interpret or translate the material thoroughly and precisely, adding or omitting nothing, and stating as nearly as possible what has been stated in the language of the speaker, giving consideration to variations in grammar and syntax for both languages involved. A language interpreter shall use the level of communication that best conveys the meaning of the source, and shall not interject the interpreter's personal moods or attitudes.

(c) When a language interpreter has any reservation about ability to satisfy an assignment competently, the interpreter shall immediately convey that reservation to the parties

and to the court. If the communication mode or language of the non-English speaking person cannot be readily interpreted, the interpreter shall notify the appointing authority or the court.

(d) No language interpreter shall render services in any matter in which the interpreter is a potential witness, associate, friend, or relative of a contending party, unless a specific exception is allowed by the appointing authority for good cause noted on the record. Neither shall the interpreter serve in any matter in which the interpreter has an interest, financial or otherwise, in the outcome. Nor shall any language interpreter serve in a matter where the interpreter has participated in the choice of counsel.

(e) Except in the interpreter's official capacity, no language interpreter shall discuss, report, or comment upon a matter in which the person serves as interpreter. Interpreters shall not disclose any communication that is privileged by law without the written consent of the parties to the communication, or pursuant to court order.

(f) A language interpreter shall report immediately to the appointing authority in the proceeding any solicitation or effort by another to induce or encourage the interpreter to violate any law, any provision of the rules which may be approved by the courts for the practice of language interpreting, or any provisions of this Code of Conduct.

CHIEF JUSTICE

GR 9 COVER SHEET

Suggested New General Rule

Submitted by the Trial Court Security Committee

A. Name of Proponent

Trial Court Security Committee, *primary*

Superior Court Judges' Association (SCJA); the District and Municipal Court Judges' Association (DMCJA); and Trial Court Advocacy Board, *secondary*

B. Spokesperson Judge David Steiner, DMCJA President

C. Purpose

The Trial Court Security Committee was created by the Boards of the Superior Court Judges' Association and the District and Municipal Court Judges' Association. The proposed court rule was approved by both Boards as well as the Trial Court Advocacy Board representing leadership from trial court associations, judges and administrators.

The proposed rule will accomplish two goals:

- (1) Require trial courts to submit online incident reports to a statewide repository, and
- (2) Encourage trial courts to create local security committees and security plans, and coordinate a local court response to security concerns

Under this rule, the only requirement is that trial courts submit online security incident reports. The remaining sections of the rule are advisory and recommend implementation of security standards as defined by the Trial Court Security Committee and approved by the Trial Court Advocacy Board. If a court cannot meet the security standards as outlined, then the security plan will indicate why the court is unable to meet these standards.

The purpose of the proposed rule, which is equal parts directive and discretionary, is to demonstrate that trial courts have organized themselves within resources that are available. This process will also provide minimum security standards as a baseline which courts can use to gauge their level of preparedness to the standards. Only then will the trial courts, through ongoing organizational development and gathering of data (incident reports), have the foundation to

develop a state budget request that responds to the direct needs of trial courts.

Until the committee was formed in 2014, the trial courts had no reliable or organized statewide response to security incidents, current standards, or recommendations. This committee relied on the BJA security standards (2009) and feedback from trial court judge and administrator associations and national standards in creating the proposed rule. The proposed rule falls within the authority of the trial courts, is manageable, requires no costs incurred to the courts, and contributes to a better understanding of court security needs.

D. Hearing A hearing is not requested.

E. Expedited Consideration

Expedited consideration is not requested.

F. Supporting Material

Attached is the directive and purpose of the Trial Court Security Committee as drafted by the SCJA and DMCJA Boards.

PROPOSED GENERAL RULE __

Trial Court Security

(a) Purpose. A safe courthouse environment is fundamental to the administration of justice. Employees, case participants, and members of the public should expect safe and secure courthouses. This rule is intended to encourage incident reporting and well-coordinated efforts to provide basic security and safety measures in Washington courts.

(b) Definition. "Incident" is defined as a threat to or assault against the court community, including court personnel, litigants, attorneys, witnesses, jurors or others using the courthouse. It also includes any event or threatening situation that disrupts the court or compromises the safety of the court community.

(c) Incident Reports.

(1) Reporting Method.

(i) The court should make a record of each incident as soon as practicable, but no later than two days after the incident. The report shall be kept on file by the local court administrator.

(ii) The court shall report all incidents electronically to the Administrative Office of the Courts on the AOC Threat/Incident Report Form within one week of the incident.

(d) Court Security Committee.

(1) Role. Each trial court should form a Court Security Committee to coordinate the adoption of court security policies and make recommendations regarding security protocols, policies, and procedures necessary to protect the public, court personnel and users, and court facilities. The Court Security Committee should adopt a Court Security Plan and thereafter revise the Plan as may be necessary.

(2) Committee Composition. The Presiding Judge for each court should convene a Court Security Committee meeting and invite representatives from the following:

(i) Judiciary;

(ii) Court Clerical Staff;

(iii) Prosecuting Authority's Office;

(iv) Public Defender's Office;

(v) Executive Branch;

(vi) Law Enforcement;

(vii) Facilities/Maintenance Department;

(viii) Any other agency of government housed in the same building;

(ix) Any other person the presiding judge deems appropriate;

(e) Court Security Plan. Each Court Security Committee should create a Court Security Plan for each courthouse location. If a Court Security Plan is adopted, the Court Administrator shall keep the Plan on file and accessible to the court community. The Court Security Plan should be in writing and should address:

(1) Routine security operations, including security screening for persons entering the court facility, secure storage of weapons not permitted in the courthouse, parking, landscaping, interior and exterior lighting, interior and exterior doors, intrusion and detection alarms, window security, protocol for building access for first responders, and provision of building floor plans for first responders;

(2) Written or oral threats or declarations of intent to inflict pain or injury upon anyone in the court community;

(3) Physical layout of court facility and escape routes;

(4) Threats - in court or by other means (telephone, email, website, etc.);

(5) Bomb threat;

(6) Hostage situation;

(7) Weapons in the court facility;

(8) Active shooter;

(9) Escaped prisoner;

(10) High risk trial plan;

(11) Routine security operations;

(12) Threat and security incident response techniques in and around the court facility which may include how to diffuse situations and remain calm during an incident;

(13) Personal safety techniques in and around the court facility;

(14) Irate and abusive individuals.

(f) Security Drills. Each court may hold security drills as determined by the Court Security Committee, as deemed necessary by the Presiding Judge in consultation with other authorities in the courthouse. Drills should include all court personnel, prosecutors, defense attorneys, law enforcement, and other regular court users.

Reviser's note: The typographical errors in the above material occurred in the copy filed by the State Supreme Court and appear in the Register pursuant to the requirements of RCW 34.08.040.

GR 9 COVER SHEET

Suggested Amendment
Rules of Appellate Procedure
RAP 9.2 - CLAIM FOR PAYMENT OF EXPENSE
FOR INDIGENT PARTY

A. Proponent: Washington State Office of Public Defense

B. Spokespersons: Gideon Newmark, Appellate Program Manager, Washington State Office of Public Defense, PO Box 40957, Olympia, WA 98504-0957, (360) 584-5636, gideon.newmark@opd.wa.gov

C. Purpose: To update RAP 9.2(b) to give appellate indigent defense attorneys discretion whether to order transcription of voir dire and opening statements.

The circumstances supporting RAP 9.2(b)'s restrictions on transcribing voir dire and opening statements have changed. RAP 9.2(b) was amended in 1993 to reduce the costs of transcription in indigent cases. It did so by requiring trial court authorization for transcription of voir dire and opening statements on appeal. At the time, there was a consensus among Court of Appeals judges that transcripts of voir dire and opening statements were generally not necessary. More recently, however, there has been a tremendous amount of appellate litigation concerning the right to a public trial during voir dire. While the need for transcripts of voir dire may have been rare in 1993, this is no longer the case. Recent litigation concerning prosecutorial misconduct suggests a greater need for transcripts of opening statements, as well.

Moreover, the financial concerns that underlay the 1993 amendment to RAP 9.2(b) are no longer applicable. Since fiscal year 2015, appellate attorneys have greatly increased the frequency with which they order voir dire and opening statements. But court reporter expenses for the Office of Public Defense have not significantly increased in recent years. This suggests that the proposed amendment will not have substantial fiscal consequences.

Furthermore, trial courts as a practical matter have little discretion whether to authorize transcription of requested parts of trial. Indigent clients have a constitutional right to a complete appellate record. *Mayer v. City of Chicago*, 404 U.S. 489, 193 (1971). Pursuant to this right, clients are entitled to transcription of voir dire or opening statements even if they cannot make a particularized factual showing of need. *See State v. Harvey*, 172 Wn.2d 919, 921-22 (2012). Even if the only purpose for a transcript is to allow a client to address it in a pro se statement of additional grounds, the transcript must be provided. *Id.* at 922. As such, there are few foreseeable circumstances under which a request for voir dire or opening statements could be denied, making such requests into virtual formalities.

These formalities, however, have a cost. To obtain permission for transcripts of voir dire or opening statements, appellate attorneys must expend time that would be better spent on more productive aspects of representation, such as client communication, research, and writing. The proposed amendment would help attorneys make maximal use of their time and remove a small but persistent barrier to effective representation.

This is not to suggest that voir dire and opening statements should be ordered in every case. Attorneys must exer-

cise their professional discretion in good faith, and should not order these sections of trial without reason to believe they are relevant to the appeal. Consequently, the proposed rule change includes the proviso that voir dire and opening statements should not be ordered without reasonable justification.

D. Hearing: A hearing is not requested.

E. Expedited Consideration: Expedited consideration is not requested.

F. Supporting material: Suggested rule amendment.

SUGGESTED AMENDMENT
RULES OF APPELLATE PROCEDURE (RAP)

RULE 9.2—VERBATIM REPORT OF PROCEEDINGS

RAP 9.2

VERBATIM REPORT OF PROCEEDINGS

...

(b) Content. A party should arrange for the transcription of all those portions of the verbatim report of proceedings necessary to present the issues raised on review. A verbatim report of proceedings provided at public expense ~~will~~ should not include the voir dire examination or opening statements unless appellate counsel has reason to believe those sections are relevant to the appeal or they are requested by the client for preparing a Statement of Additional Grounds so ordered by the trial court. If the party seeking review intends to urge that a verdict or finding of fact is not supported by the evidence, the party should include in the record all evidence relevant to the disputed verdict or finding. If the party seeking review intends to urge that the court erred in giving or failing to give an instruction, the party should include in the record all of the instructions given, the relevant instructions proposed, the party's objections to the instructions given, and the court's ruling on the objections.

Opinion Docket No. 16-04-01

Request by Marcus Riccelli, Representative, District 3

QUESTION(S):

1. Does RCW 42.23.070(4) restrict public officials from disclosing information shared during meetings conducted as executive sessions under the Open Public Meetings Act? If so, does the statute categorically prohibit disclosure, or is its reach limited to "confidential information"? If limited, how should public officials define "confidential information"?

2. If RCW 42.23.070(4) does prohibit public officials from disclosing information exchanged during executive sessions, would a violation of that prohibition constitute a misdemeanor under RCW 42.20.100 ("Failure of duty by a public wrongful conduct") and/or "official misconduct" under RCW 9A.80.010?
