- C. <u>Purpose</u>: The proposed amendment provides an opportunity for courts to adopt a local rule permitting a telephonic or video conference appearance in lieu of an in-person appearance for a mitigation hearing related to an infraction. The proposed amendment also edits the language regarding hearings on written statements for clarity and readability and removes an exemption from the Rules of Evidence.

#### (1) Allowing Video Conference Mitigation Hearings

The DMCJA Board recognizes that the use of technology, including telephone conferencing and video conferencing, is widespread in our communities. The Board believes that the IRLJ 1.1(b) requirement for a "just, speedy, and inexpensive determination of every infraction case" would be enhanced with the addition of an opportunity for citizens to employ telephone and video conference appearances in lieu of a personal appearance for mitigation hearings. Adding the option for a local rule provides an opportunity to utilize technology to make the court more accessible.

The Board recommends limiting the use of telephone and video conference appearances to mitigation hearings. In a mitigation hearing, the defendant is stipulating that the infraction was committed, and the evidence received by the court is typically testimony from the defendant regarding mitigating circumstances. The challenges surrounding the presentation and admission of evidence in a contested hearing by telephone or video conference are not present in a mitigation hearing.

The amended rule provides three basic parameters for implementation of any local rule option for telephone and video conference appearances on mitigation hearings: (1) the hearings shall be on the record, (2) defendants shall be advised the hearing is being audio recorded, and (3) written notice of the decision and any penalty imposed shall be sent to defendants. However, much of the "how" regarding the implementation of this local rule option should be left to local jurisdictions. In the future, the Rules Committee should examine best practices based upon the experiences of local courts and perhaps suggest further changes to the proposed rule.

#### (2) Proposed Amendments to Existing Sections

Decisions on written statements are still available as a local rule option as in the current rule. The caption for IRLJ 3.5 is changed to read 'Local Rule Options' and the rule is reformatted with decisions on written statements as section

[31] Miscellaneous

(a) and telephone and video conference hearings as section (b). Reformatting the rule allows for future expansion and addition of local rules.

The section exempting decisions on written statements from the Rules of Evidence is removed. ER 1101 establishes exemptions from the rules of evidence and local rule decisions on written statements are not exempted by ER 1101. Additionally, removing the exemption permits evidentiary objections on written statements. Subjecting in person appearances and decisions on written statements to the same evidentiary standards removes the possibility of inconsistent results.

With the exception of the evidence rules exemption, all of the requirements for decisions on written statements remain within the rule. Some redundant language has been eliminated and the text of the rule has been reformatted for readability.

- **D.** Hearing: A hearing is not requested.
- **E.** Expedited Consideration: Expedited consideration is not requested.

# GR 9 COVER SHEET Suggested Technical Change CIVIL RULES FOR SUPERIOR COURT (CR)

**RULE CR 23** 

CLASS ACTIONS

- (a) (e) [Unchanged]
- (f) Disposition of Residual Funds.
- (1) "Residual Funds" are funds that remain after the payment of all approved class member claims, expenses, litigation costs, attorneys' fees, and other court-approved disbursements to implement the relief granted. Nothing in this rule is intended to limit the parties to a class action from suggesting, or the trial court from approving, a settlement that does not create residual funds.
- (2) Any order entering a judgment or approving a proposed compromise of a class action certified under this rule that establishes a process for identifying and compensating members of the class shall provide for the disbursement of residual funds. In matters where the claims process has been exhausted and residual funds remain, not less than twentyfive percent (25%) fifty percent (50%) of the residual funds shall be disbursed to the Legal Foundation of Washington to support activities and programs that promote access to the civil justice system for low income residents of Washington State. The court may disburse the balance of any residual funds beyond the minimum percentage to the Legal Foundation of Washington or to any other entity for purposes that have a direct or indirect relationship to the objectives of the underlying litigation or otherwise promote the substantive or procedural interests of members of the certified class.

#### (A) Name of the Proponent:

The Legal Foundation of Washington (LFW) is a not-for-profit 501 (c)(3) corporation established by the Supreme Court in 1984 to collect and distribute interest on attorneys' pooled trust accounts pursuant to DR 9-102 (recodified as RPC 1.15) - the IOLTA rule *See In re Adoption of an IOLTA Program*, 102 Wn.2d 1101, 1115 (1984). Since 1985, the LFW has received interest income from attorneys' pooled trust accounts and, since 1997, from similar accounts held by Limited Practice Officers authorized to close real and personal property transactions pursuant to APR 12.1. These funds have been used primarily to support the delivery of civil legal aid services to low income people in Washington State.

In addition to its authority and responsibility to collect, administer and disburse IOLTA funds, the LFW is also authorized to work to expand funding for civil legal aid services under its Supreme Court-approved charter. *See* ARTICLES OF INCORPORATION OF THE LEGAL FOUNDATION OF WASHINGTON, Article IV. In recent years, the LFW has actively exercised this authority by hosting and staffing the Washington State Equal Justice Coalition (EJC), which educates public and governmental leaders about and promotes

efforts to expand public funding for civil legal aid. The LFW provides the fundamental operating infrastructure for the Endowment for Equal Justice (EEJ), which builds support for legal aid in perpetuity. In 2015, the LFW merged with the LAW Fund, which housed the Campaign for Equal Justice, Washington's unified statewide fundraising campaign for civil legal aid. The LFW now actively engages in fundraising efforts in the legal and statewide communities, including the annual Goldmark Award's Luncheon and the annual Campaign for Equal Justice, to provide further support for civil legal aid in Washington.

 $^{\rm I}$  Established in 1995, the EJC is a standing committee of the Access to Justice Board.

# (C) Purpose and Effect of the Suggested Technical Change to Rule:

Recognizing that access to the civil justice system was a chronic problem, in 2006 the Washington Supreme Court amended CR 23 to allow not less than 25% of residual funds in class action cases (Class Action Residual Funds) be disbursed to LFW to support legal aid programs. While the Class Action Residual Funds have been a valuable source of support for civil legal aid, they have not been sufficient to fully address the civil legal needs of the most vulnerable Washington residents. The challenge to funding civil legal needs was exacerbated by the recession in 2008. Between 2008 and 2009, the Federal Reserve Board cut key interest rates to near zero, which caused the revenue stream from the interest on lawyers trust accounts to drop by 80%. Since that time, LFW and its partner organizations LAW Fund (now incorporated into LFW) and the Endowment for Equal Justice have received over \$40 million dollars for the benefit of civil legal aid, both directly and indirectly, as a result of the initial Class Action Residual Funds amendment to CR 23. While LFW has done its best to find additional funding sources, it is the Class Action Residual funding from CR 23 that has allowed LFW to stabilize Washington's Alliance for Equal Justice, to prevent the deep funding cuts to individual legal aid programs that would have been necessary after IOLTA revenue dropped, as well as to provide significant funding in targeted areas of need, including prisoners, their families, and those individuals recently released from prison.

<sup>2</sup> Unfortunately, while the economy has improved, that improvement has not been seen in the interest rates on these accounts, which remain at historically low levels.

In spite of these efforts, the need for civil legal aid has been compounded by the rapid growth in the number of Washingtonians living in poverty. Since 2000, the total number of Washingtonians living at or below 125% of the Federal Poverty Level has increased by nearly 40% - from 815,000

Miscellaneous [34]

individuals in 2000 to 1,250,000 in 2013. This number represents approximately 18% of our state's total population.

In conjunction with the growing number of Washingtonians who are eligible for civil legal aid, recent research shows that the actual need for civil legal aid is immense. In 2015, the Washington Supreme Court reexamined the civil legal needs of low income people in our state. The 2015 Washington State Civil Legal Needs Study Update documents the immense scope of this need:

- Over 70% of low-income households in Washington experience at least one civil legal problem per year.
- Of those households, the average number of civil legal problems per year is 9.3, which is up dramatically from 3.3 per year as found in the 2003 Civil Legal Needs Study.
- Only 24% of those individuals who have a civil legal problem will receive some level of assistance, meaning that 76% will be forced to face their problems alone.
- When a person or household receives legal aid, 61% report that the help they received made a positive difference.
- Approximately 66% of survey respondents reported that they have no or limited confidence in the ability of the state's civil justice system to provide protection and ensure their rights.

The current level of services provided to those with documented need fails to meet the national standard for the "minimum access to services" threshold of at least one civil legal aid attorney for every 5,000 eligible people, which was established in 1976 by the Legal Services Corporation - the grantor and administrator of the federal legal aid appropriations. In fact, Washington's current ratio of legal aid attorneys to eligible low-income people is approximately 1: 11,000. With help from our state's legal aid and pro bono programs, the Office of Civil Legal Aid estimates that Washington needs to more than double its yearly funding for civil legal aid in order to reach minimum access to services. The suggested amendment would help meet the objective of providing a more meaningful level of access for low-income Washingtonians in need of legal services.

Moreover, there is precedent for the proposed increase in the percentage of residual funds allocable to the LFW to not less than 50%, as that level of funding has been adopted by court rule in at least 8 other states: Colorado, Illinois, Montana, Oregon, Pennsylvania and South Carolina, as a means of increasing funding for civil legal aid. In addition, in August 2016, the ABA House of Delegates issued a resolution and report, encouraging states to use class action residual funds to "improve access to civil justice for persons living in poverty." A copy of that resolution and report is attached and incorporated herein.

In sum, the LFW believes that the proposed amendment would serve to address the ongoing void in civil legal aid funding caused by the drop in IOLTA interest rates triggered by the 2008 recession, as well as to address the growing need for civil legal services that the 2015 Study has documented.

#### (D) Public Hearing

No public hearing is requested.

(E) Expedited Consideration

The proponent requests expedited consideration pursuant to Rule GR(f), following a period of public comment so that the rule, if adopted, may be implemented as soon as possible to improve access to the justice system for low-income Washingtonians.

A party and counsel for the party who has been granted an order of indigency must bring to the attention of the trial court any significant improvement during review in the financial condition of the party. - (g) Appointment and Withdrawal of Counsel in Appellate Court. The appellate court shall determine questions relating to the appointment and withdrawal of counsel for an indigent party on review. ## WSR 17-01-066 AGENDA DEPARTMENT OF FINANCIAL INSTITUTIONS

[Filed December 15, 2016, 12:12 p.m.]

Semi-Annual Agenda for Rules Under Development January 1 - June 30, 2017

### FINANCIAL INSTITUTIONS ADJUDICATIVE PROCEDURES

 Adopt rules under chapter 208-08 WAC to modernize the chapter and make it more procedurally efficient. This chapter of rules applies to all divisions within the agency. Additional changes to the rules will be made for need, clarity and consistency, and to guide participants. Examples include a rule to provide for electronic submission of documents; application of the Washington lawyers rules of professional conduct to participant behavior; a requirement to provide contact information for represented parties; expansion of the discovery rule; and a rule on the validity of an unsworn declaration. This rule is beneficial to or requested or supported by the regulated entities, local governments or small businesses that it affects.

#### DIVISION OF BANKS

- Amend chapter 208-536 WAC for technical cleanup and compatibility with the enabling provisions of Title 30B RCW, Washington Trust Institutions Act, which became effective on January 5, 2015. Contemplated revisions include additional clarification on:
  - Frequency of trust company examinations.
  - Insurance requirements.
  - Background check requirements for officers, directors, and principal shareholders.
  - <sup>o</sup> Additional "outside" director requirements.
  - Call report definitions and submission requirements.
  - Capital requirements.
  - Dividends.
  - Pledging prohibitions and exceptions.
  - Patriot Act, Bank Secrecy Act, and anti-money laundering requirements.

These rules are required by state law.

- Amend chapter 208-512 WAC to modernize securities investment standards rules. Section 939A of the Dodd-Frank Act authorized federal banking regulators to eliminate statutory protections for national credit rating agencies associated with investments (i.e., Standard & Poor's, Moody's, and Fitch) and to establish new standards of creditworthiness. In reviewing its compliance with Section 939A of the Dodd-Frank Act, the division of banks identified one or more sections of chapter 208-512 WAC which need modernization to conform to the Dodd-Frank Act and to also assure "parity" for Washington state-chartered banks and savings banks with national banks in relation to securities investment standards. Accordingly, the division of banks is anticipating repealing WAC 208-512-110 through 208-512-117 inclusive, and to propose and adopt a modern, comprehensive set of rules on bank investment standards set forth in new chapter 208-512B WAC. These rules are beneficial to or requested or supported by regulated entities, and are either required by federal law, or to eliminate rule provisions superseded by more recent state statute.
- "Lending Limits" Rule re: Derivatives & Securities Lending. Decide whether Office of the Comptroller of the Currency revisions in this area are necessary to be adopted for Titles 30A and 32 RCW banks, and if so, propose and make amendments to chapter 208-512A WAC. This would be necessary to bring Titles 30A and 32 RCW banks into parity with national banks unless existing state rules would benefit Titles 30A and 32

[41] Miscellaneous

- RCW banks more. These rules are beneficial to or requested or supported by regulated entities.
- Propose and adopt provisions for a technical cleanup of the existing chapter 208-512 WAC and provide for consistency of this chapter with Section 939[A] of the Dodd-Frank Act with respect to qualified bank investments. This rule is necessary to conform with federal law.

#### DIVISION OF CREDIT UNIONS

- Complete the rule making to repeal chapter 208-424 WAC, Regulatory relief for small credit unions. Chapter 208-424 WAC is not compliant with recent amendments to the Credit Union Act and federal policy interpretations. These rule changes are mandated by amendments to state law, and by federal policy.
- Resume rule making to update chapter 208-460 WAC, Member business loans (MBL), to be more consistent with the federal MBL rule and to modernize the state MBL rule. These rules are requested by regulated entities.

### DIVISION OF SECURITIES

Amendments to the crowdfunding rules contained in chapter 460-99C WAC and the limited offering exemption under WAC 460-44A-504. On October 31, 2016, the Securities and Exchange Commission (SEC) adopted amendments to federal Rules 147 and 504. In addition, the commission created a new intrastate offering exemption in Rule 147A. The Washington crowdfunding rules contained in chapter 460-99C WAC are currently only available to offerings that are exempt federally under Section 3 (a)(11) of the Securities Act of 1933 and Rule 147 adopted thereunder. In addition, the limited offering exemption under WAC 460-44A-504 is premised on the offering being exempt under federal Rule 504 of Regulation D. The SEC adopted a number of amendments to Rule 147 to modernize it. Further, the SEC increased the offering amount limit under federal Rule 504 from \$1 to \$5 million. The division plans to amend its own related rules in the interest of facilitating capital formation. Rules are beneficial to or requested or supported by regulated entities, local governments or affected small businesses.

• Amendments to WAC 460-10A-160 and 460-44A-100 to update the exemption from securities registration for transactions in securities of an issuer that has a class of securities listed in a nationally recognized securities manual. The securities division plans to update the manual exemption in light of the fact that the publisher of one of the securities manuals referenced in this exemption, Standard & Poor's, has announced that it has ceased publishing its securities manual. Rules are beneficial to or requested or supported by regulated entities, local governments or affected small businesses.

#### INTERPRETIVE STATEMENT ISSUED

The department of revenue has reissued the following excise tax advisory (ETA):

### ETA 3195.2016 - Economic Nexus Minimum Thresholds

This ETA provides the substantial nexus thresholds (thresholds) as directed by RCW 82.04.067(5). When the cumulative percentage change in the consumer price index for all urban consumers (CPI-U) changes by five percent or more from the measurement date, the department must adjust the thresholds to reflect that cumulative change in the CPI-U. The measurement date is the date the thresholds were last adjusted. The ETA has been updated to provide the thresholds for calendar years 2016 and 2017.

### WSR 17-01-118 DEPARTMENT OF ECOLOGY

[Filed December 20, 2016, 9:13 a.m.]

#### PUBLIC NOTICE

### Announcing the Reissuance of the Aquatic Noxious Weed Control General Permit

**PERMIT:** The Washington state department of ecology (ecology) is reissuing the *aquatic* noxious weed control general permit (permit). This permit becomes effective on February 3, 2017, and expires February 2, 2022.

State and federal water quality regulations do not allow the discharge of pollutants to waters of the state without permit coverage. Pesticide products used for management of aquatic noxious weeds are potential pollutants, and therefore require a discharge permit before application to areas adjacent to surface waters. Ecology issues general permits in place of a series of individual permits when the permitted activities are similar.

PURPOSE OF THE PERMIT: This permit conditions the indirect discharge of herbicides, adjuvants, and marker dyes into estuaries, marine areas, wetlands, along lake shorelines, rivers, streams, and other wet areas to manage aquatic noxious weeds in Washington. An indirect discharge occurs when there may be incidental overspray or dripping of a chemical from the treated plants into waters of the state.

PERMIT AND SUPPORTING DOCUMENTS: Ecology accepted public comment on the draft permit, fact sheet and notice of intent from September 21, 2016, until November 4, 2016. Ecology held a webinar, and public workshop and hearing in Lacey, Washington on October 27, 2016. Ecology received written comments during the public comment period and responded to these comments in Appendix D of the fact sheet.

You may download copies of the permit, the response to comments, and the fact sheet from the ecology web site at http://www.ecy.wa.gov/programs/wq/pesticides/final\_pesticide\_permits/noxious/noxious\_index.html. You may request hardcopies of the documents from Nathan Lubliner at nathan.lubliner@ecy.wa.gov or (360) 407-6563.

ECOLOGY CONTACT: Nathan Lubliner, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696, phone (360) 407-6563, email nathan.lubliner@ecy.wa.gov.

APPEALS: This permit may be appealed to the pollution control hearings board (PCHB) within thirty days of the date of receipt of the final permit. The appeal process is governed by chapters 43.21B RCW and 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2) (also see glossary).

To appeal, the following must be done within thirty days of receipt of this permit:

- File the appeal and a copy of this permit with PCHB (see addresses below). Filing means actual receipt by PCHB during regular business hours.
- Serve a copy of the appeal and this permit on ecology in paper form - by mail or in person (see addresses below).
   Email is not accepted.

The appeal must also comply with other applicable requirements in chapters 43.21B RCW and 371-08 WAC.

[Filed December 20, 2016, 9:50 a.m.]

Under RCW 34.05.230, following is one policy and interpretive statement issued by the department of labor and industries fraud prevention and labor standards division.

If you have any questions or need additional information, please contact Maggie Leland, rules coordinator at (360) 902-4504.

Title: ES.A.11 - Law Restricting Mandatory Overtime for Nurses.

Date Issued: December 6, 2016.

Description: In 2010, legislative changes were made to RCW 49.28.130 that changed the definition of covered facilities that must comply with the mandatory nurses' overtime law to include facilities operated by the department of corrections, any governing unit housing inmates, and county of local jails that provide health care to inmates. We took down our old policy and began working with stakeholders to add the new language to reflect the law changes and to improve the original language to more closely reflect the requirements in the law.

Opinion Docket No. 16-12-01 Request by Steve Conway, Senator, District 29

#### **QUESTION:**

Does the invocation of survivor rights for a designated spouse under RCW 41.18.042 alone, and not under RCW 41.26.164, mean that the payment of survivor rights to the decedent firefighter's surviving spouse is the full benefit to which that surviving spouse is entitled under RCW 41.18 or is the benefit that which is mandated by RCW 4.1.18 minus the benefit that would have been offset under RCW 41.26 had the decedent firefighter invoked the 2002 or 2005 RCW 41.26 statutes?

**Reviser's note:** The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.
