[Filed December 20, 2017, 1:08 p.m.]

**Semi-Annual Rule-Making Agenda
January-June 2018**

The forest practices board's (FPB) mandate is to adopt rules to protect the state's public resources while maintaining a viable forest products industry. The following rule proposals are under development or are anticipated during this time period. There may be additional rule-making activity not on the agenda as conditions warrant.

1. **Water Typing System.** The board has been engaged to establish a permanent water typing system and may consider rule making at their May 2018 meeting.

2. **Electronic Signature and Payment Process.** The board will consider rule adoption at their February 2018 meeting that will allow electronic signature and payment as an accepted method when submitting forest practices applications. This rule making is a placeholder for when this process is available.

3. **Public Records Fee Schedule.** The board will consider rule adoption at their February 2018 meeting that will implement recent legislation (EHB 1595) relating to public disclosure fees.

HEALTH CARE AUTHORITY

[Filed December 21, 2017, 10:38 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0008 Behavior Rehabilitation Rates Fee Schedule.

Effective Date: January 1, 2018.

Description: The health care authority in conjunction with the children's administration in the department of social and health services intends to submit medicaid SPA 18-0008 in order to update the effective date and the web site link for the behavior rehabilitation services (BRS) fee schedule. The medicaid state plan must be amended as necessary to reflect new effective dates.

The children's administration and the health care authority expect that updating the effective date of the fee schedule and web site link will have no effect on annual aggregate expenditures. These changes are routine and do not reflect significant changes to policy or payment.

NOTE: Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency will continue to publish copies of SPA notices in the Washington State Register.

DEPARTMENT OF REVENUE
 [Filed December 28, 2017, 8:30 a.m.]

INTERPRETIVE STATEMENT ISSUED

The department of revenue has issued the following excise tax advisory (ETA):

ETA 3195.2017 - Economic Nexus Minimum Thresholds

This ETA provides the substantial nexus thresholds (thresholds) as directed by RCW 82.04.067(5). When the cumulative percentage change in the consumer price index for all urban consumers (CPI-U) changes by five percent or more from the measurement date, the department must adjust the thresholds to reflect that cumulative change in the CPI-U. The measurement date is the date the thresholds were last adjusted. The ETA has been updated to provide the thresholds for calendar year 2018.

A copy of this document is available via the internet at Rule and Tax Advisory Adoptions and Repeals.

Title: Medicaid State Plan Amendment (SPA) 18-0011 Durable Medical Equipment (DME) Payment Methodology.
Effective Date: January 1, 2018.

Description: The health care authority (the agency) intended to submit medicaid SPA 17-0044 in 2017 to update the reimbursement information for DME and supplies to comply with the Consolidated Appropriations Act of 2016 (P.L. 114-113), in which the rates of certain items will be capped at the Centers for Medicare and Medicaid Services (CMS) DMEPOS fee schedule rate.

Notice of this intent appeared in the Washington State Register on December 6, 2017, under WSR 17-23-135 and online on the agency's web site at <https://www.hca.wa.gov/about-hca/news-data-and-reports-hca/public-notices> on November 20, 2017.

To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Interested parties may submit comments and concerns about the rates or the effects the changes may have on beneficiary access to care or continued service access. Please submit comments and concerns to christy.vaughn@hca.wa.gov by January 31, 2018. Please note that all comments are subject to public review and disclosure, as are the names of those who comment.
