WSR 18-11-004 HEALTH CARE AUTHORITY

[Filed May 2, 2018, 1:54 p.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0012.

Effective Date: January 1, 2019.

Description: The health care authority (HCA) intends to submit Medicaid SPA 18-0012 in order to implement the oral health connections dental pilot as directed by the Washington state legislature in ESSB 6032. This is a three-year pilot to begin January 1, 2019, conducted in partnership with the Arcora Foundation, formerly the Washington Dental Service Foundation. It will take place in three counties - Cowlitz, Thurston, and Spokane. The pilot is intended to test the effect that enhanced dental benefits for adult medicaid clients with diabetes and pregnant women may have on access to dental care, health outcomes, and medical care costs. To be eligible for the services under this SPA, a client must have diabetes or be pregnant and receive the services from a specially trained and certified provider located in one of these three counties. Diabetic or pregnant adult medicaid clients who are receiving dental care within the pilot region(s), regardless of the location of the service within the pilot region(s), are eligible for an increased number of periodontal visits as described below.

The pilot will be modeled after the access to baby and child dentistry program, offering enhanced fees to specially trained and participating providers for select services. These services are:

- Comprehensive oral exam CDT D0150. Provided once per twelve month period.
- FMX (full mouth series) radiographs (X-rays) CDT D0210. Provided once per twelve month period.
- BWX (bite wing) radiographs (X-rays) CDT D0274. Provided once per twelve month period.
- Scaling and root planning CDT D4341 and D4342. Provided once per twelve month period.
- Periodontal maintenance D4910. Provided up to four times per twelve month period. This is an increase of three visits in addition to the normally allowed one visit.

If approved, SPA 18-0012 is expected to increase annual aggregate payments for the enhanced services. Participating dental providers will be eligible for an enhanced reimbursement rate for providing the enhanced benefit. The proposed rate is a fifty-seven percent increase of the usual Washington state medicaid rates for the specified services. \$500,000 is appropriated from the state general fund for state fiscal year 2019 and \$500,000 is expected to be appropriated from the federal general fund for a total of \$1 million. One hundred percent of the total \$1 million is meant to be applied to the enhanced fees and services for the three year project.

SPA 18-0012 is in the development process, therefore a copy is not yet available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below

(please note that all comments are subject to public review and disclosure, as are the names of those who comment).

NOTE: Effective March 20, 2017, official public notice of proposed medicaid SPAs is published on the agency's web site at the Public Notices link. As a convenience, the agency continues to publish copies of SPA notices in the Washington State Register.

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0022, Enhanced Pediatric Rates.

Effective Date: October 1, 2018.

Description: The health care authority (HCA) intends to submit medicaid SPA 18-0022 regarding enhanced pediatric rates for certain services. During the 2017-2018 legislative session, the legislature passed ESSB 6032, which provides an enhanced provider payment for pediatric evaluation and management codes and vaccine administration codes. The enhanced rate is intended to maximize access to pediatric primary care services for children through eighteen years of age who receive medical assistance services via fee-for-service (FFS) and managed care. The enhanced payments are to be paid October 1, 2018, through June 30, 2019.

SPA 18-0022 is anticipated to increase provider payments for the specified services. The state is providing \$5.825 million for the enhanced rates, which will be shared between FFS and managed care for the stated time period.

SPA 18-0022 is in the development process; therefore, a copy is not yet available for review. HCA would appreciate

WSR 18-11-057 DEPARTMENT OF ECOLOGY

[Filed May 10, 2018, 4:11 p.m.]

PUBLIC NOTICE Announcing the Final Winery General Permit

Under the authority of chapter 90.48 RCW, the Washington state department of ecology (ecology) is issuing the winery state waste discharge general permit (permit) to establish waste management practices for winemaking facilities to prevent pollution and protect waters of the state. The permit conditionally authorizes discharges of winery process wastewater to land, ground water, and wastewater treatment plants.

State water quality statutes and regulations do not allow the discharge of pollutants to waters of the state without permit coverage. Winery process wastewater has characteristics that could potentially negatively impact groundwater quality, and therefore require a permit before being discharged. When the permitted activities are similar, ecology issues a general permit in place of a series of individual permits.

The permit becomes effective on July 1, 2019, and expires on July 1, 2024.

Purpose of the Permit: The permit regulates the discharge of pollutants in winery process wastewater to land, ground water, and wastewater treatment plants. No surface water discharges are allowed under the permit. Coverage under the permit is available to facilities that discharge win-

ery process wastewater to one or more of the discharge methods described in the permit.

Permit and Supporting Documents: Ecology accepted public comment on the draft permit, fact sheet, notice of intent, economic impact analysis, and SEPA compliance documents from November 1, 2017, until February 14, 2018. Ecology offered public workshops and hearings via two online webinars on January 24, 2018, and in-person in Prosser on January 30, 2018, and in Bellevue on February 2, 2018.

Ecology received written comments and verbal testimony during the public comment period. The comments are included as an addendum to the fact sheet (Appendix E), as well as ecology's response to comments (Appendix D).

You may download copies of the final permit, the response to comments, the fact sheet, and other supporting documents from the ecology web site at www.ecology. wa.gov/winerypermit. You may also request permit documents by contacting the water quality program at 360-407-6600.

Ecology Contact: Stacey Callaway, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696, 360-407-7118, Stacey.Callaway@ecy.wa.gov.

Appeal Options: The permit may be appealed to the pollution control hearings board (PCHB) within thirty days of receipt of the final permit. The appeal process is governed by chapters 43.21B RCW and 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal, the following must be done within thirty days of receipt of the permit:

- File the appeal and a copy of this permit with PCHB (address included below). Filing means actual receipt by PCHB during regular business hours.
- Serve a copy of the appeal and this permit to ecology in paper form, by mail or in person (addresses included below). *Email is not accepted*.

The appeal must also comply with other applicable requirements in chapters 43.21B RCW and 371-08 WAC.

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0009, Guardianship Fees.

Effective Date: June 1, 2018.

Description: The health care authority (HCA), in conjunction with the department of social and health services (DSHS), intends to submit medicaid SPA 18-0009 to allow certain people in medical institutions to retain more income to pay for guardianship costs.

SPA 18-0009 will increase the personal needs allowance (PNA) of eligible people. PNA is the amount of income a person can keep for personal use that would have otherwise been contributed towards the costs of a person's long-term care. Currently, a person can keep, as a PNA to pay their guardian, up to: 1) \$175 per month for guardianship services; 2) \$600 for guardianship costs every three years; and 3) \$700 as a one-time cost to establish a guardianship. These amounts will increase to \$1,200, and \$1,850 respectively.

SPA 18-0009 is in the development process; therefore, a copy is not yet available for review. HCA and DSHS would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person
