

WSR 18-18-001**HEALTH CARE AUTHORITY**

[Filed August 22, 2018, 12:56 p.m.]

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0033.

Effective Date: October 1, 2018.

Description: Medicaid SPA 18-0033 Medication assisted treatment.

The health care authority (HCA) intends to submit SPA 18-0033 for a rate enhancement designed to increase access to medication assisted treatment (MAT) for opioid disorders.

"MAT" is defined as the use of Food and Drug Administration (FDA)-approved medications, in combination with counseling and behavioral therapies, to provide a "whole-patient" approach to the treatment of substance use disorders. Health care providers licensed to prescribe Schedule II drugs may receive a waiver to prescribe MAT for opioid use disorder per the Drug Addiction Treatment Act 2000 (DATA 2000).

As one piece of Washington's response to the opioid crisis, the state legislature provided funds to pay medicare rates for MAT in order to encourage more providers to use medication to treat patients with opioid use disorder. The state proposes to pay medicare rates for selected evaluation and management (E&M) codes when all of the following conditions apply:

- The provider is DATA-waived to write prescriptions for buprenorphine or any new FDA-approved products requiring a waiver;
- Opioid-related counseling is part of the visit;
- The claim is not from a mobile treatment unit or a setting where opioid treatment is already compensated under another payment methodology; and
- The client has a qualifying diagnosis.

SPA 18-0033 is expected to increase the annual aggregate payments for MAT services. Eligible providers will receive the medicare rate for select E&M codes, resulting in an overall increase of about \$6 million for the first year.

SPA 18-0033 is in the development process; therefore a copy is not yet available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. WSR 18-18-074**HEALTH CARE AUTHORITY**

[Filed September 4, 2018, 7:31 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0020.

Effective Date: January 1, 2019.

Description: The health care authority intends to submit SPA 18-0020 to update state plan information regarding hearing instruments for adults, in accordance with ESSSB [E2SSB] 5179, signed by the governor on March 23, 2018. The state plan currently indicates that prior authorization is necessary for all prosthetic devices, including hearing aids. However, prior authorization is **not** required for many prosthetic devices, including one hearing aid (binaural hearing aids and other services continue to require prior approval), so the agency is amending state plan language to indicate prior approval "may" be required for prosthetic devices.

ESSSB [E2SSB] 5179 allotted \$1.4 million for state fiscal year 2019 for this benefit. SPA 18-0020 is expected to increase the annual aggregate expenditures/payments for hearing aids by this amount.

A copy of SPA 18-0020 is available from the person named below. The health care authority would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact Jean Gowen, Clinical Quality and Care Transformation, 626 8th Avenue S.E., Olympia, WA 98501, phone 360-725-2005, TRS 711, fax 360-725-1966, email jean.gowen@hca.wa.gov.
