DEPARTMENT OF REVENUE
 [Filed November 3, 2021, 1:19 p.m.]

CANCELLATION OF INTERPRETIVE STATEMENT

The department of revenue has cancelled the following excise tax advisory (ETA):

ETA 3003.2016 - Taxability of Yoga, Tai Chi, and Qi Gong

ETA 3003.2016 addresses the tax reporting requirements for persons providing yoga, tai chi, and qi gong classes. This ETA is being cancelled because the matter it addresses is now covered by RCW 82.04.050 and also in the department's tax topics article titled, *Athletic and fitness facilities*.

RCW 82.04.050 (3)(g)(ii)(H) provides that these types of classes are not subject to retailing B&O or retail sales tax when they are provided or performed at a community center, park, school gymnasium, college or university, hospital or other medical facility, private residence, or another facility that is not operated within and as part of an athletic or fitness facility. This statutory provision went into effect on January 1, 2016, and as a result, the information contained in ETA 3003.2016 is no longer relevant.

GR 9 COVER SHEET
Suggested Amendment to
CRIMINAL RULES FOR SUPERIOR COURTS, CrR 3.3
TIME FOR TRIAL

A. Name of Proponent: Superior Courts Judges' Association (SCJA) Criminal Law and Rules Committee

B. Spokesperson: Judge Laura M. Riquelme
SCJA Criminal Law and Rules Committee, Chair
Skagit County Superior Court Judge
205 W Kincaid Street, Ste. 202,
Mount Vernon, WA 98273
(360) 416-1200

C. Purpose: The SCJA Criminal Law and Rules Committee recommends amending CrR 3.3, Time for Trial, to mirror and adopt similar language to the District & Municipal Courts Judges' Association (DMCJA) suggested amendment to CrRLJ 3.3. The suggested amendment to CrR 3.3 will make the rule congruent, and adhere with the parameters of CrR 3.4. This amendment shall allow defense counsel to enter into agreements for continuance on behalf of their clients. It also clarifies that defense counsel's signature constitutes a representation that the defendant has been consulted and agrees to the continuance, and that the court's notice to defense counsel of new hearing dates constitutes notice to the defendant. This suggested amendment to CrR 3.3 will also allow for continuity when the transition from the Emergency Court Operations Order issued by the Washington Supreme Court due to the Covid-19 pandemic to Regular Court Operations. For these reasons, the SCJA Criminal Law and Rules Committee requests adoption of the suggested amendment to CrR 3.3.

D. Hearing: A hearing is not recommended.

E. Expedited Consideration: Expedited consideration is requested to address current practice, and to provide continuity when the Emergency Order issued by the Washington Supreme Court regarding Court Operations during Covid-19 public emergency expires. Expedited consideration is requested to make the CrR 3.3 congruent with the current CrR 3.4.

Suggested Amendment:

CrR 3.3
TIME FOR TRAIL

(a)-(e) [Unchanged.]

(f) Continuances. Continuances or other delays may be granted as follows:

(1) Written Agreement. Upon written agreement of the parties, which must be signed by defense counsel or the defendant or all defendants, the court may continue the trial date to a specified date. Defense counsel's signature constitutes a representation that the defendant has been consulted and agrees to the continuance. The Court's notice to defense counsel of new hearing dates constitutes notice to the defendant.

(2) [Unchanged.]

(g)-(h) [Unchanged.]

Suggested Amendment

RAP 2.2 - DECISIONS OF THE SUPERIOR COURT THAT MAY BE APPEALED

A. Proponent: WSBA Court Rules and Procedures Committee

B. Spokesperson: Isham Reavis, Chair - WSBA Court Rules and Procedures Committee

C. Purpose: Recently, in Denney v. City of Richland, 195 Wn.2d 649 (2020), the Court noted that although the RAPs clearly differentiate between rulings on the merits of a legal claim and rulings on costs for purposes of the time for appeal, the interaction of CR 54 with the RAPs can create confusion. This proposed amendment adds a comment, taken from the Court's conclusion in Denney, that provides guidance to litigants as to when the notice of appeal from a summary judgment ruling disposing of all claims is due.

D. Hearing: The proponent does not believe that a public hearing is necessary.

E. Expedited Consideration: Not requested.

(12) *Order Denying Motion to Vacate Order of Arrest of a Person.* An order denying a motion to vacate an order of arrest of a person in a civil case.

(13) *Final Order after Judgment.* Any final order made after judgment that affects a substantial right.

(b) Appeal by State or a Local Government in Criminal Case. Except as provided in section (c), the State or a local government may appeal in a criminal case only from the following superior court decisions and only if the appeal will not place the defendant in double jeopardy:

(1) *Final Decision, Except Not Guilty.* A decision that in effect abates, discontinues, or determines the case other than by a judgment or verdict of not guilty, including but not limited to a decision setting aside, quashing, or dismissing an indictment or information, or a decision granting a motion to dismiss under CrR 8.3(c).

(2) *Pretrial Order Suppressing Evidence.* A pretrial order suppressing evidence, if the trial court expressly finds that the practical effect of the order is to terminate the case.

(3) *Arrest or Vacation of Judgment.* An order arresting or vacating a judgment.

(4) *New Trial.* An order granting a new trial.

(5) *Disposition in Juvenile Offense Proceeding.* A disposition in a juvenile offense proceeding that (A) is below the standard range of disposition for the offense, (B) the state or local government believes involves a miscalculation of the standard range, (C) includes provisions that are unauthorized by law, or (D) omits a provision that is required by law.

(6) *Sentence in Criminal Case.* A sentence in a criminal case that (A) is outside the standard range for the offense, (B) the state or local government believes involves a miscalculation of the standard range, (C) includes provisions that are unauthorized by law, or (D) omits a provision that is required by law.

(c) Superior Court Decision on Review of Decision of Court of Limited Jurisdiction. If the superior court decision has been entered after a proceeding to review a decision of a court of limited jurisdiction, a party may appeal only if the review proceeding was a trial de novo. Appeal is not available if (1) the final judgment is a finding that a traffic infraction has been committed or (2) the claim originated in a small claims court operating under chapter 12.40 RCW.

(d) Multiple Parties or Multiple Claims or Counts. In any case with multiple parties or multiple claims for relief, or in a criminal case with multiple counts, an appeal may be taken from a final judgment that does not dispose of all the claims or counts as to all the parties, but only after an express direction by the trial court for entry of judgment and an express determination in the judgment, supported by written findings, that there is no just reason for delay. The findings may be made at the time of entry of judgment or thereafter on the court's own motion or on motion of any party. The time for filing notice of appeal begins to run from the entry of the required findings. In the absence of the required findings, determination and direction, a judgment that adjudicates less than all the claims or counts, or adjudicates the rights and liabilities of less than all the parties, is subject only to discretionary review until the entry of a final judgment adjudicating all the claims, counts, rights, and liabilities of all the parties.

COMMENT

[1] A summary judgment order disposing of all claims constitutes a final judgment, thereby starting the 30-day appeal deadline even if an award of fees and costs is deferred until after the deadline. *Denney v. City of Richland*, 195 Wn.2d 649, 659, 462 P.3d 842 (2020).

GR 9 COVER SHEET
Suggested Amendment

RALJ 6.2 - TRANSMITTAL OF RECORD OR PROCEEDINGS

A. Proponent: WSBA Court Rules and Procedures Committee

B. Spokesperson: Isham Reavis, Chair - WSBA Court Rules and Procedures Committee

C. Purpose: Currently, when the record is transmitted from the Court of Limited Jurisdiction, there is no requirement that the clerk **number** the record. This leaves the parties to refer to individual documents which presents a challenge to the Superior Court Judge in review the record. Alternatively, the parties number the pages differently and provide their own copies to the court. These party-numbered pages are not the official record transmitted by the clerk. The Rules of Appellate Procedure [RAP 9.6(c)] currently requires this numbering by the Superior Court clerk before the clerk's papers are sent to the Court of Appeals. This proposal is to amend RALJ 6.2(a) to include a similar numbering requirement to assist the court and the parties.

D. Hearing: The proponent does not believe that a public hearing is necessary.

E. Expedited Consideration: Not requested.

SUGGESTED AMENDMENT
RULE 6.2

Transmittal of the Record of Proceedings

(a) **Transmittal Generally.** The party seeking review shall, within 14 days of filing the notice of appeal, serve on all other parties and file with the clerk of the court of limited jurisdiction a designation of those portions of the record that the party wants the clerk to transmit to the superior court. Any party may supplement the designation of the record prior to or with the party's last brief. Thereafter, a party may supplement the designation only by order of the superior court, upon motion. Each party is encouraged to designate only documents and exhibits needed to review the issues presented to the superior court. Within 14 days after the designation is filed, the clerk of the court of limited jurisdiction shall pre-

pare the record and notify each party that the record is ready to transmit and the amount to be paid by each party. The trial court clerk shall number the papers sequentially from beginning to end, including any supplemental clerk's papers, regardless of which party designated them. Each party shall pay the cost of preparing the portion of the record designated by that party within 10 days of the clerk's notification, unless the party has been excused from paying by the court. Promptly after receiving payment, or after preparing the record in cases where payment is excused, the clerk of the court of limited jurisdiction shall certify that the record is true and complete, and transmit it to the superior court, and notify the parties that the record has been transmitted.

(b) **Cumbersome Exhibits.** The clerk of the court of limited jurisdiction shall notify the superior court of exhibits which are difficult or unusually expensive to transmit. The exhibits shall be transmitted only if the superior court directs or if a party makes arrangements with the clerk to transmit the exhibits at the expense of the party requesting the transfer of exhibits.

Reviser's note: The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.

SUGGESTED AMENDMENT

RULE 10.3 Extension and Reduction of Time.

(a) Generally. The superior court may, on its own initiative or on motion of a party, enlarge or shorten the time within which an act must be done in a particular case in order to serve the ends of justice, subject to the restrictions in section (c).

(b) Procedure for Motion. A party moving to extend or reduce time shall file a written motion with the superior court and serve it upon all non-moving parties. The motion shall state (1) the date the act is scheduled or required to occur; (2) the new date requested; and (3) the specific reasons for the motion. The motion shall be considered without oral argument unless called for ordered by the superior court. A non-moving party may respond to the motion in writing. A response must be filed with the superior court and served upon the moving party within five days after service of the motion to extend or reduce time.

(c) Restrictions on Extension of Time.

(1) The superior court will ~~only in extraordinary circumstances and to prevent a gross miscarriage of justice~~ extend the time within which a party must file a notice of appeal only in extraordinary circumstances and to prevent a gross miscarriage of justice. The superior court will ordinarily hold that the desirability of finality of decisions outweighs the privilege of a litigant to obtain an extension of time under this section. A motion to extend time is determined by the superior court to which the untimely notice of appeal is directed.

(2) The superior court will not enlarge the time provided in rule 9.2 (a) and (c) ~~within which the superior court enters and transmits its decision.~~

(d) Terms. The remedy for violation of these rules is set forth in rule 10.1. The superior court may condition the exercise of its authority under this rule by imposing terms as provided in rule 10.1.

CANCELLATION OF INTERPRETIVE STATEMENT

The department of revenue has cancelled the following excise tax advisory (ETA):

ETA 3167.2016 - Taxability of Fees Charged for Amusement and Recreation Services

ETA 3167.2016 explains the tax treatment of "entry fees" and "league fees" charged for amusement and recreation services. These terms were once included in a prior version of WAC 458-20-183 but were removed in 2018 when the rule was updated. The rule was updated as a result of changes to RCW 82.04.050 that went into effect on January 1, 2016, and this ETA only applies to tax reporting periods through December 31, 2015. This ETA no longer serves a meaningful purpose.

erage, by submitting an electronic notice of intent (eNOI) within 90 days of the issuance date. Based on the December 1, 2021, permit issuance date, the deadline for each facility's eNOI is March 1, 2022.
