AMENDATORY SECTION (Amending WSR 20-01-023, filed 12/6/19, effective 1/6/20)

WAC 139-12-030 Independent investigation criteria. There are five principles that are fundamental to enhancing public trust in the integrity of independent investigations involving police use of deadly force:

- Independence;
- Transparency;
- Communication;
- Credible process; and
- Credible investigators.

Standards are necessary for the involved agency and the public to assess whether the actions taken by the IIT are independent, transparent, credible, and communicated in a manner that results in a compliant and complete investigation and builds public trust.

(1) **Independence.**

(a) Independence is essential to the integrity and objectivity of the investigation. Maintaining independence is achieved through compliance with rules and regulations designed to prohibit undue influence, and the appearance of undue influence, by the involved agency in the investigation.

(b) Standards for an investigation completely independent of the involved agency:

- Once the involved agency personnel and/or other first responders have rendered the scene safe and provided or facilitated life-saving first aid to persons at the scene who have life-threatening injuries, the involved agency will immediately call the IIT. Then the primary focus of the involved agency shifts to the protection and preservation of evanescent evidence in order to maintain the integrity of the scene until the IIT arrives. Once the IIT arrives, and the IIT commander has the appropriate resources on scene, the involved agency will relinquish control of the scene to the IIT.

- No member of the involved agency may participate in any way in the investigation of police use of deadly force conducted by the IIT, with the following exception:

- Specialized equipment belonging to the involved agency may not be used by the IIT unless: 1 - no reasonable alternative exists; 2 - the equipment is critical to carrying out the independent investigation; and 3 - the use is approved by the IIT commander. If the equipment is used, the nonlaw enforcement community representatives on the IIT must be notified about: 1 - why it needs to be used; and 2 - the steps taken to appropriately limit the role of any involved agency personnel in facilitating the use of that equipment.

- No information about the ongoing independent investigation of police use of deadly force will be shared with any member of the involved agency (~~(, except limited briefings given to the chief or sheriff of the involved agency about the progress of the investigation so that they can manage the internal administrative investigation and communicate with their community about the progress of the)~~). The administrative investigation of the involved agency must remain separate from the independent criminal investigation.

- If the chief or sheriff of the involved agency requests that the IIT release the body cam video or other investigation information of urgent public interest, the IIT commander should honor the request with the agreement of the prosecutor of jurisdiction.

(2) **Transparency.**

(a) Transparency is the critical element of procedural justice that allows community members to assess whether the process of the investigation is conducted in a trustworthy manner and complies with the standards for the five listed principles.

(b) Standards for the transparency of an independent investigation:

- The policies and operating procedures of the IIT will be available to the public.
 - The names of the members, supervisors, commanders, and nonlaw enforcement community representatives on the IIT will be available to the public.
 - A minimum of two nonlaw enforcement community representatives from the impacted communities will be assigned to each IIT to:
 - a. Participate directly in the vetting, interviewing, and/or selection of IIT investigators. (Existing teams will have until January 2021 to provide necessary information about the qualifications of current IIT investigators to the nonlaw enforcement community representatives for review.)
 - b. Review written conflict of interest statements submitted within ~~((seventy-two))~~ 72 hours of the commencement of each investigation by the investigators. Agencies may use a standard conflict of interest form developed by the Washington state criminal justice training commission. If an IIT uses their own conflict of interest form, the standards must meet or exceed the form provided by the Washington state criminal justice training commission;
 - c. ~~((Be present at the briefings with the involved agency(s) chief or sheriff;~~
 - d.)) Have access to the investigation file when it is completed;
 - ~~((e.))~~ d. Be provided a copy of all press releases and communication to the media prior to release; and
 - ~~((f.))~~ e. Review notification of equipment use of the involved agency.
 - The nonlaw enforcement community representatives must sign a binding confidentiality agreement at the beginning of each police use of deadly force investigation that remains in effect until the prosecutor of jurisdiction either declines to file charges or the criminal case is concluded.
 - ~~((If the confidentiality agreement is violated, the nonlaw enforcement representative may be subject to prosecution under RCW 9A.76.020 (Obstructing a law enforcement officer) and chapter 10.97 RCW, Washington State Criminal Records Privacy Act. For the purpose of this chapter, "criminal background information" is the same as "criminal history information" as defined in RCW 10.97.030(4).))~~ Any nonlaw enforcement representative or law enforcement officer found to have violated the confidentiality agreement will be subject to immediate removal from the team, as well as any future independent investigation.
 - The commander or other representative of the IIT will provide public updates about the investigation at a minimum of once per week, even if there is no new progress to report.
 - When an independent investigation is complete the information will be made available to the public in a manner consistent with applicable state law.
- (3) **Communication.**
- (a) Communication is key to enhancing the public's perception of police legitimacy and fairness. A lack of open communication leads to suspicion and damages trust.
 - (b) Standards for communication during an independent investigation:
 - A family member of the person against whom deadly force has been used will be notified as soon as they can be located by either the involved agency or the IIT, whichever is faster.

- A member of the IIT will be assigned as a family liaison within the first (~~twenty-four~~) 24 hours and keep the family, or a representative of the family's choice, apprised of all significant developments in the independent investigation and will give the family and the involved agency advance notice of all scheduled press releases.

- Neither the involved agency nor the IIT will provide the media with criminal background information of the person against whom deadly force has been used, unless it is specifically requested, and release of the information is required by the Public Records Act or other applicable laws.

- If the person against whom deadly force is used is, or is believed to be a member of a federally recognized tribe:

- The involved agency will notify the governor's office of Indian affairs (GOIA) in accordance with RCW 10.114.021.

- A member of the IIT will be assigned as a tribal liaison within the first (~~twenty-four~~) 24 hours and keep the tribe (or a representative of the tribe's choice) apprised of all significant developments of the investigation.

(4) **Credibility.**

(a) In order for investigations to be viewed as credible it is critical to demonstrate that the procedures followed are consistent, known to the public, and rooted in best practices for homicide investigations, with particular attention focused on those unique areas of evidence relevant to the officer's decision-making process. Equally important is the credibility of the investigators. Training, a history of ethical behavior, and demonstrated impartiality are critical to maintain confidence in the investigation.

(b) Standards for a credible independent investigative process:

- After life-saving first aid has been provided, members of the involved agency and other first responders at the scene will:

- Secure the incident scene and maintain its integrity until the IIT arrives.

- The perimeter must be clearly marked and protected.

- Evanescent evidence must be located and preserved, consistent with best practices published annually by the criminal justice training commission.

- The independent investigation will follow accepted best practices for homicide investigations published and annually updated by the WSCJTC.

- An involved agency conducting a timely internal administrative investigation for compliance with department policy and procedures is critical to maintaining public trust and is separate and distinct from the independent investigation required by the LETCSA. To allow the involved agency to move forward with the administrative investigation in a timely fashion, the independent investigation required by LETCSA must be conducted in a manner that does not inhibit the involved agency from doing so. To accomplish this:

- The IIT commander must create and enforce firewalls, which is a process to prevent information sharing between the IIT from the involved agency, and train all team members to observe them to ensure no member of the IIT receives any compelled statements of the involved officer(s) or any investigative content that was informed by such compelled statements.

- The firewall system and training must ensure that the involved agency is affirmatively advised not to furnish "prohibited content" to the IIT.

- If any member of the IIT receives prohibited information, the investigator receiving the prohibited information must immediately report it to their supervisor and the member must discontinue participation in the investigation. The information will be removed and/or isolated from the remaining investigation unless the prosecutor of jurisdiction deems such action unnecessary.

(c) The standards for credible investigators include:

(i) Appointed Members.

The chiefs and sheriffs who sign a written agreement to support and participate in the IIT shall appoint:

- The IIT leadership team, which may include an IIT commander, assistant commander, or co-commander.

- At least two nonlaw enforcement community representatives who have credibility with and ties to communities impacted by police use of deadly force. The chiefs ~~((and))~~, sheriffs, and community members of each regional team shall create a transparent process for soliciting names and creating a roster of individuals willing to serve in this capacity. The IIT community representatives must be chosen from this list by the chief(s) ~~((and/or))~~, sheriff(s), and community member(s). The Washington state criminal justice training commission will post IIT rosters on the criminal justice training commission website from each region, which will be provided by the IITs. There shall be standardized trainings for nonlaw enforcement community representatives, including training on the requirements of the mandatory nondisclosure agreements.

- All IIT leadership shall be commissioned peace officer(s), with previous experience in criminal investigations.

- The IIT supervisors shall be recommended by their agency to the IIT commander.

(ii) Selection Process for IIT Members.

The IIT leadership shall:

- Ensure all applicants meet all time, rank, and training prerequisites described in ~~((chapter xxx WAC [WAC 139-12-030 (4)(c)(v)]))~~ (c)(v) of this subsection.

- Ensure that qualified applicants are interviewed by a panel, which includes the nonlaw enforcement community representatives and other members of the IIT selected by the IIT commander.

- All applicants shall be interviewed using criteria pertinent for the position of an IIT investigator. The same questions should be asked of each applicant.

- At the conclusion of the panel the IIT commander shall consider the recommendations of the panel and select those best suited for the needs of the IIT.

(iii) Requirements for IIT Investigators.

- Applicants for the position of investigator must be employed by a member agency of the IIT.

- The applicant shall be a commissioned peace officer in the state of Washington with previous experience as a detective or investigator, or have special skills or experience necessary for the team.

(iv) Periodic Appointment Review.

The chief or sheriff of a member agency, and the IIT commander shall review the appointment of their IIT members who have served three years for possible rotation or replacement.

(v) Training Requirements.

The credibility of an individual assigned to an IIT is grounded in two elements: Training and experience in criminal investigations. Since some IIT members were chosen because of their experience in

criminal investigations, it is important to clearly define expectations for both training and experience, and acknowledge the relationship between those two elements.

IIT members who do not meet the training requirement are eligible to participate on the IIT, but not in a lead position.

Civilian IIT members (i.e. crime scene investigators, evidence technicians, etc.) are not required to obtain the qualified lead investigator certificate, but the IIT leadership shall establish reasonable noncommissioned training requirements through their IIT protocol.

The CJTC will issue an "IIT qualified lead investigator certificate" to ensure that those who are assigned to a lead investigator role for an IIT meet the training requirements listed below by the end of 2020.

To obtain an IIT qualified lead investigator certificate, candidates must:

- Provide proof of at least three years of uninterrupted experience as a certified peace officer, crime scene investigator, or related expertise in a discipline relevant to investigations.
- Provide proof of successful completion of the prescribed training classes, (or appropriate equivalent experience), listed in this chapter.

(A) Basic training classes:

- Basic homicide investigation;
- Interviewing and interrogation;
- LETCSA Violence deescalation and mental health training.

IIT members who have two years or more of relevant, full-time criminal investigative work experience may substitute their work experience for the required basic training classes. County sheriffs, police chiefs, and IIT commanders are encouraged to promote continuing education as a best practice for all members assigned to the IIT.

(B) Advanced training classes.

A minimum of eight hours of training annually may include, but is not limited to, the following criminal investigation topics:

- Advanced homicide investigation techniques;
- Advanced interviewing and interrogation;
- Officer-involved shooting investigation;
- In-custody death investigation;
- Excited delirium and positional asphyxia;
- Bloodstain pattern analysis;
- Crime scene photography/videography and
- Other related training, seminars, and conferences or on-going

training as offered by WSCJTC or other training venues on an as available basis.

(C) In-service training.

• All IIT members shall receive priority registration to LETCSA training, required homicide investigations training, and recertification every three years.

- The IIT shall train as a unit at least annually.

(vi) Demonstrated History of Honorable Behavior.

Investigators assigned to an IIT are expected to have a work history free of a sustained finding of serious misconduct and/or a pattern of sustained complaints and a personal history free of demonstrable bias or prejudice against community members that may be impacted by the police use of deadly force.

Examples of disqualifying sustained misconduct and/or personal history include, but are not limited to:

- Discrimination of any type, based on protected classes identified under RCW 49.60.030(1).
 - Theft, fraud, dishonesty, and abuse of authority including, but not limited to: Theft, falsifying an official police record or making a false statement, serious ACCESS (a centralized computer enforcement service system) violations, obtaining or disclosing confidential information, and excessive use of force.
 - Dishonorable behavior including, but not limited to: Harassment, bullying, aggressive or intimidating behavior, or threats of violence, including domestic violence.
- (vii) Conflicts of Interest.

Within (~~seventy-two~~) 72 hours of the commencement of each investigation, investigators and nonlaw enforcement community representatives, must complete a "conflict of interest" assessment tool regarding any connection to the officers being investigated. The assessment (created by WSCJTC) will include questions about prior interactions or relationships with officers being investigated, and will address social conflict, work conflict, and bias. The conflict assessment will be reviewed and discussed by the nonlaw enforcement community representatives and the IIT commander. The conflict of interest assessments for investigators and nonlaw enforcement community representatives will be developed at the March 2020 summit and adopted by the commission at the June 2020 meeting.

PERMANENT RULES

DEPARTMENT OF HEALTH

(Dental Quality Assurance Commission)

[Filed December 22, 2021, 2:06 p.m., effective January 22, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: WAC 246-817-581 Novel coronavirus disease 2019 vaccination by licensed dental hygienist. The dental quality assurance commission (commission) adopted rules allowing dentists to delegate administration of novel coronavirus disease 2019 (COVID-19) vaccination to licensed dental hygienists with close supervision and demonstration of competency. The adopted rule also provides for acceptance of approved vaccination protocols and screening to meet the dentist's requirement to diagnose and authorize treatment.

In response to the COVID-19 pandemic, dentists are among the essential health providers who can safely administer vaccinations and help address this public health emergency. Mass vaccination across the state has taken cooperation and coordination across the entire health system. Dentists and delegated dental hygienists can increase capacity for priority populations who may not otherwise be connected to the traditional health care system and will establish additional avenues and opportunities for future need. Permanent rule making allows dentists to continue delegating COVID-19 vaccinations to dental hygienists after the governor ends the state of emergency. Vaccinations and potential booster vaccinations will be necessary to prevent another outbreak. Efforts to prevent another outbreak, including increased health care worker capacity and vaccination availability in new settings, need to continue to preserve public health, safety, and the general welfare of patients and dental staff.

The commission filed emergency rule making as WSR 21-06-012 on February 19, 2021; extended emergency rule making as WSR 21-13-091 on June 18, 2021; and WSR 21-21-052 on October 15, 2021, for COVID-19 vaccination delegation. This permanent rule will replace the emergency rule. The commission will rescind the emergency rule once the permanent rule becomes effective.

WAC 388-424-0001 Citizenship and ((alien)) immigration status—

Definitions. For the purposes of determining an individual's citizenship and ((alien)) immigration status for public assistance, the following definitions apply:

(1) "**Lawfully present**" are immigrants or noncitizens who have been inspected and admitted into the United States and have not overstayed the period for which they were admitted, or have current permission from the U.S. Citizenship and ((Immigrant)) Immigration Services (CIS) to stay or live in the U.S.

(2) "**Qualified aliens**" are lawfully present immigrants defined in federal law as one of the following:

(a) Individuals lawfully admitted for permanent residence (LPRs).

(b) Individuals who are admitted to the U.S. as refugees under INA §207. The following individuals are treated the same as refugees in their eligibility for public assistance:

(i) Hmong or Highland Lao are members of a Hmong or Highland Laotian tribe which rendered military assistance to the U.S. during the Vietnam era (August 5, 1964 to May 7, 1975), and are "lawfully present" in the U.S. This category also includes the spouse (including unremarried widow or widower) or unmarried dependent child of such tribal members.

(ii) Victims of trafficking according to federal law are:

(A) Individuals who have been certified ((or approved)) as victims of trafficking by the federal U.S. Department of Health and Human Services (HHS), Office ((of refugee resettlement)) on Trafficking in Person (OTIP), or have been granted a T visa.

Children of abused persons who meet the conditions above retain their "qualified alien" status even after they turn (~~(twenty-one)~~) 21 years old.

PERMANENT RULES

DEPARTMENT OF HEALTH

[Filed December 27, 2021, 2:32 p.m., effective January 27, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: Chapter 246-15 WAC, Whistleblower complaints in health care settings. The department of health (department) is amending sections of this chapter to implement SHB 1049 (chapter 62, Laws of 2019), codified in RCW 43.70.075, and to ensure the rules are clear, up-to-date, and align with best practices.

Citation of Rules Affected by this Order: Amending WAC 246-15-001, 246-15-010, 246-15-020, and 246-15-030.

Statutory Authority for Adoption: RCW 43.70.075.

Other Authority: SHB 1049 (chapter 62, Laws of 2019), codified as RCW 43.70.075.

Adopted under notice filed as WSR 21-19-017 on September 7, 2021.

Changes Other than Editing from Proposed to Adopted Version: The department made the following nonsubstantive changes in response to feedback from interested parties:

The department removed the definition of "reprisal or retaliatory action" from WAC 246-15-010 as it is not used in the rule. The term is used and it is defined in RCW 43.70.075 (3) (c).

Department staff identified that the rule describing when the identity of the whistleblower may be revealed could be confusing about whether the identity protections were for reporting whistleblowers only or if those identity protections might also be applied to others. The department added language to WAC 246-15-020(2) to clarify when a whistleblower's identity will remain confidential and the limited circumstances when the whistleblower's identity will be revealed.

The department added clarification to WAC 246-15-030 that, if authorized, the regulatory authority can investigate whistleblower complaints and gather relevant evidence during the investigation. This is current department practice and interested parties asked that it be stated here in the rule for clarity.

PERMANENT RULES

DEPARTMENT OF HEALTH

(Dental Quality Assurance Commission)

[Filed December 28, 2021, 8:56 a.m., effective January 28, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: WAC 246-817-440 regarding dental continuing education. The dental quality assurance commission (commission) adopted a rule amendment to allow full continuing education credit for recorded interactive webinars to obtain full, one-hour continuing education credit, making it the same as live interactive webinars. Prior to this rule adoption, dentists could earn 30 minutes for every one-hour of self-study continuing education completed, including online courses, towards the total of continuing education hours. Live interactive webinars are already allowed for full continuing education credit under WAC 246-817-440 (4) (a). The adopted language also clarifies that full credit also applies to live interactive webinars.

A rules petition was received on November 13, 2020, requesting amendments to WAC 246-817-440 to allow full, one-hour continuing education credit for self-study online continuing education courses. The commission determined that recorded interactive webinars may be just as beneficial as live interactive webinars.

PERMANENT RULES

DEPARTMENT OF HEALTH

(Dental Quality Assurance Commission)

[Filed December 28, 2021, 9:15 a.m., effective January 28, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: WAC 246-817-230 Dental retired active. The dental quality assurance commission (commission) adopted amendments to WAC 246-817-230 to incorporate requirements from WAC 246-817-440 Dentist continuing education, and to update reference of chapter 246-12 WAC, Part 5, to specific WAC citations.

In 2019, WAC 246-817-440 was changed from 21 continuing education hours annually to 63 continuing education hours every three years. WAC 246-817-230 currently references 21 continuing education hours annually. The adopted amendment is necessary to meet current standard of 63 continuing education hours every three years. Additionally, the adopted amendment is necessary to list specific rules rather than general reference of chapter 246-12 WAC, Part 5.

The commission is mandated under RCW 18.32.002 to regulate the competency and quality of professional health care providers, including but not limited to continuing education. RCW 18.32.0357 authorizes the commission to establish continuing dental education requirements. RCW 18.130.250 allows the commission to set continuing education requirements for renewal. Amending WAC 246-817-230 to incorporate reference of WAC 246-817-440 is the best approach to ensure dentists with retired active status have clear continuing education requirements. RCW 18.32.002 states in relevant part, "The legislature further finds that requiring continuing dental education for all licensed dentists in the state is an important component of providing high quality dentistry for the people of this state."

Citation of Rules Affected by this Order: Amending WAC 246-817-230.

Statutory Authority for Adoption: RCW 18.32.0365, 18.32.0357, and 18.130.250.

Other Authority: RCW 18.32.002.

Adopted under notice filed as WSR 21-18-074 on August 26, 2021.

AMENDATORY SECTION (Amending WSR 20-19-113, filed 9/21/20, effective 10/22/20)

WAC 308-56A-460 Destroyed or wrecked vehicle—Reporting—Rebuilt.

(1) **What are total loss, destroyed, salvage, and wrecked vehicles?** For the purposes of this section:

(a) A total loss vehicle is one whose destruction has been reported to the department as described in RCW 46.12.600 by an insurer (insurance companies and self-insurers as described in RCW 46.29.630);

(b) A destroyed vehicle is one whose destruction has been reported to the department as described in RCW 46.12.600 by the vehicle's owner;

(c) A salvage vehicle as defined in RCW 46.04.514;

Note: When used in this section, the terms "destroyed" and "destroyed vehicle" include total loss, destroyed, and salvage vehicles.

(d) A wrecked vehicle as defined in RCW 46.80.010(6).

Note: A vehicle may be considered destroyed or wrecked when the evidence of ownership is a salvage certificate/title, insurance company bill of sale, or wrecker bill of sale from any jurisdiction, or when the evidence of ownership indicates the vehicle may be a destroyed vehicle not reported to the department.

(2) **How are vehicles reported to the department as total loss, destroyed, salvage, or wrecked?**

(a) Insurers may report total loss vehicles to the department:

(i) Electronically through the department's online reporting system. Insurers must destroy ownership documents for a vehicle reported this way; or

(ii) By submitting the certificate of title or affidavit in lieu of title indicating the vehicle is "DESTROYED"; or

(iii) By submitting a completed total loss claim settlement form.

Note: Reports of total loss vehicles must include the insurer's name, address, and the date of loss.

(b) Registered or legal owners report a vehicle as destroyed by submitting the certificate of title or affidavit in lieu of title indicating the vehicle is "DESTROYED," and must include the registered owner's name, address, and date of loss.

(c) Licensed wreckers report wrecked vehicles as required in RCW 46.80.090.

(d) For vehicles six through (~~twenty~~) 20 years old a statement whether or not the vehicle meets the market value threshold amount as defined in RCW 46.12.600 is also required.

(3) **What is the current market value threshold amount?** The current market value threshold amount is (~~eight thousand ten dollars~~) \$8,230.

(4) **How is the market value threshold amount determined?** Using the current market value threshold amount described in RCW 46.12.600 each year the department will add the increased value if the increase is equal to or greater than (~~fifty dollars~~) \$50.

(5) **What if the "market value threshold amount" is not provided as required?** If the market value threshold amount is not provided when required, the department would treat the report of destruction as if the market value threshold as described in RCW 46.12.600 has been met. The certificate of title will be branded according to WAC 308-56A-530.

(6) **What documentation is required to obtain a certificate of title after a vehicle is destroyed?** After a vehicle has been reported destroyed or wrecked and is rebuilt, you must submit the following documentation to the department in order to obtain a new certificate of title:

(a) Application for certificate of title as described in RCW 46.12.530;

(b) Certificate of vehicle inspection as described in WAC 308-56A-150;

(c) Bill of sale from the insurer, owner, or wrecker who reported the vehicle's destruction to the department.

(i) Bills of sale from insurers must include a representative's signature and title of office;

(ii) Bills of sale from insurers and wreckers do not need to be notarized;

(iii) Bills of sale from owners shown on department records must be notarized or certified;

(iv) A bill of sale is not required when owners shown on department records retain a destroyed vehicle and apply for a new certificate of ownership;

(v) Releases of interest from lien holder(s) or proof of payment such as a canceled check bearing a notation that it has been paid by the bank on which it was drawn or a notarized statement on a receipt from the legal owner that the debt is satisfied are required when the vehicle is retained by the registered owner(s).

(d) Odometer disclosure statement, if applicable.

(7) **What is required of a Washington licensed vehicle dealer prior to selling a destroyed or wrecked vehicle?** Except as permitted by RCW 46.70.101 (1)(b)(viii), before a dealer may sell a destroyed or wrecked vehicle under their Washington vehicle dealer license, the dealer must:

(a) Rebuild the vehicle to standards set by the state of Washington or the federal government pertaining to the construction and safety of vehicles; and

(b) Obtain a vehicle inspection by the Washington state patrol; and

(c) Apply for and receive a certificate of ownership for the vehicle, issued in the name of the vehicle dealer.

(8) **Once a destroyed or wrecked vehicle is rebuilt, do the license plates remain with the vehicle?** Whether or not the license plates remain with the vehicle depends on the circumstance:

(a) Standard issue license plates may remain with a destroyed vehicle unless they are severely damaged or the vehicle was issued a department temporary permit described in WAC 308-56A-140;

(b) Replacement license plates are required for wrecked vehicles since Washington licensed wreckers are required by WAC 308-63-070 to remove them;

(c) Special license plates may remain with or be transferred to a destroyed or wrecked vehicle;

(d) Applicants may retain the current license plate number as provided for in RCW 46.16A.200, unless the vehicle was issued a department temporary permit as described in WAC 308-56A-140.

(9) **Will the certificate of ownership or registration certificate indicate "WA REBUILT"?** Salvage or wrecked vehicles meeting the criteria described in WAC 308-56A-530 will be branded "WA REBUILT."

(i) Is at least fifteen percent above or below the current support obligation;

(ii) Is at least one hundred dollars per month above or below the current support obligation; and

(iii) Is at least a two thousand four hundred dollar change over the remaining life of the support order; or

(iv) Will provide enough income to:

(A) Make the family ineligible for public assistance if the non-custodial parent (NCP) pays the full amount due under the proposed order; or

(3) DCS may petition to modify the order without regard to subsection (1)(a) of this section when:

(a) The order does not require the NCP to provide health insurance coverage for the children; and

(b) Health insurance coverage is available through the NCP's employer or union at a reasonable cost; or

(c) Both parties agree to an order modifying the support amount;

WAC 388-14A-3925 Who can ask to modify an administrative support order? (1) The division of child support (DCS), the custodial parent (CP) or the noncustodial parent (NCP) may file a petition and request a hearing to prospectively modify an administrative order for child support. The request must be in writing and must state:

- (a) Any circumstances that have changed;
- (b) Any relief requested; and
- (c) The proposed new support amount.

(2) The petitioning party must file the request for modification with DCS.

(3) Acting as a responding jurisdiction, DCS may file a petition to prospectively modify an administrative order for child support on behalf of an initiating jurisdiction in an intergovernmental case.

(4) ((DCS)) Office of Administrative Hearings serves a copy of the request for modification and notice of hearing on all other parties by ((first-class)) regular mail at their last known address ((last known to DCS)).

(5) DCS((7)) or the administrative law judge (ALJ)((, or the department review judge)):

(a) Prospectively modifies orders according to the terms of chapter 26.19 RCW and RCW 74.20A.059; and

(b) May only modify an order issued by a tribunal in another state according to the terms of RCW 26.21A.550.

(6) A request to add a requirement for the custodial parent (CP) to provide health care coverage, or to add a provision in the order to include the CP's share of uninsured medical expenses, is not by itself a sufficient basis for modification of the order.

(7) If the nonpetitioning party fails to appear at the hearing, the ALJ issues a default order based on the Washington state child support schedule and the worksheets submitted by the parties, considering the terms set out in the request for modification.

(8) If the petitioning party fails to appear at the hearing, the ALJ enters an order dismissing the petition for modification.

(9) If the petition for modification does not comply with the requirements of subsection (1)(a) and (b) of this section, the ALJ may:

- (a) Dismiss the petition; or

(b) Continue the hearing to give the petitioning party time to amend according to WAC 388-14A-3275 or to complete the petition.

(10) The ALJ may set the effective date of modification as the date the order is issued, the date the request was made, or any time

in between. If an effective date is not set in the order, the effective date is the date the modification order is entered.

(11) For purposes of abatement under this chapter, DCS, the CP, or the NCP may seek changes to a child support order to add abatement language under WAC 388-14A-3940.

NEW SECTION

WAC 388-14A-3935 What does DCS do with respect to abatement when it learns the noncustodial parent is an incarcerated parent? (1) If the child support order contains abatement language, the division of child support (DCS) administers the abatement under WAC 388-14A-3945.

(2) If the child support order was entered in Washington state and does not contain abatement language, DCS refers the child support order to the appropriate tribunal for the limited purpose of adding abatement language under WAC 388-14A-3940, except as provided in subsection (3) of this section.

(3) DCS may review for modification under WAC 388-14A-3901 when the child support order does not contain abatement language and the department is paying public assistance for the child or children.

[]

NEW SECTION

WAC 388-14A-3940 Who can ask to add abatement language to an administrative support order? (1) The division of child support (DCS), the custodial parent (CP), or the noncustodial parent (NCP) may file a petition and request a hearing under chapter 26.09 RCW for the limited purpose of adding abatement language to an administrative order for child support.

(2) The petitioning party must submit the request to add abatement language to DCS.

(3) Acting as a responding jurisdiction, DCS may file a petition for the limited purposes of adding abatement language to an adminis-

trative order for child support on behalf of an initiating jurisdiction in an intergovernmental case.

(4) OAH serves a copy of the request to add abatement language and notice of hearing on all other parties by regular mail at their last known address.

(5) A hearing under this section:

(a) Is for the limited purpose of determining whether statutorily required abatement language under RCW 26.09.335 should be added to the administrative support order;

(b) Is separate from the administration of the abatement by DCS under WAC 388-14A-3945;

(c) Does not otherwise modify or adjust the administrative support order; and

(d) Does not impact DCS's or any party's right to request a prospective modification of the administrative support order under WAC 388-14A-3925.

(e) Does not impact when DCS reviews a support order for modification under WAC 388-14A-3901.

(6) DCS may enter into an agreed settlement or consent order with the parties under WAC 388-14A-3600 to add abatement language to an administrative support order.

(7) If the nonpetitioning party fails to appear at the hearing, the ALJ issues a default order against that party.

(8) If the petitioning party fails to appear at the hearing, the ALJ enters an order dismissing the petition.

NEW SECTION

WAC 388-14A-3945 How does DCS administer abatement of an incarcerated person's child support order? (1) The division of child support (DCS) abates a noncustodial parent's (NCP's) child support order under this chapter when it learns that the NCP is an incarcerated person and all of the following are true:

(a) The NCP is incarcerated for or begins serving a sentence of at least six months in confinement;

(b) The child support order contains abatement language; and

(c) DCS has reviewed its records and determines the NCP has no access to or possession of income or assets to pay child support while incarcerated.

(2) There is a rebuttable presumption that an incarcerated person has no access to or possession of income or assets to pay child support while incarcerated. DCS may assert it has rebutted the presumption. See WAC 388-14A-3955.

(3) When the requirements of subsection (1) of this section are met, the child support order is abated to ten dollars per month without regard to the number of children covered by that order.

(4) The first month support is abated is the date the NCP became confined or February 1, 2021, whichever is later.

(5) The abatement ends on the last day of the third full month following the NCP's release from confinement, unless an order entered in the court or administrative forum specifies a different date.

- (6) DCS sends a notice of abatement to notify the custodial parent (CP) by regular mail to their last known address, with a copy to the NCP, that the abatement has been applied.
- (7) If the CP disagrees with the notice of abatement, the CP may:
- (a) Request a timely hearing within twenty days of the date of the notice of abatement (see WAC 388-14A-3965);
 - (b) Request an untimely hearing within one year of the date of the notice of abatement (see WAC 388-14A-3965); or
 - (c) Request in writing to terminate or reverse the abatement at any time during the period of abatement (see WAC 388-14A-3970).
- (8) If the NCP disagrees with the notice of abatement, the NCP may request in writing to terminate or reverse the abatement at any time during the period of abatement (see WAC 388-14A-3960).
- (9) If the abatement results in an overpayment by the NCP:
- (a) Neither DCS nor the CP is required to refund any support collections or payments received by DCS prior to the date on which DCS learned of the incarceration; and
 - (b) The NCP is not entitled to a refund of any support collections or payments received by DCS prior to the date on which DCS learned of the incarceration.
- (10) Abatement of a child support obligation of an incarcerated person does not constitute modification or adjustment of the order.

[]

NEW SECTION

WAC 388-14A-3950 What does DCS do to reinstate the support order when the NCP is released from confinement? (1) Unless otherwise specified in a court or administrative order, the support order is automatically reinstated as follows:

- (a) Effective the first day of the fourth full month after the NCP is released from confinement, support is reinstated at fifty percent of the support amount provided in the underlying order, but not less than the presumed minimum obligation of \$50 per month per child; and
 - (b) Effective one year after release from confinement, support is reinstated at one hundred percent of the support amount provided in the underlying order.
- (2) DCS informs the parties in writing at their last known address when reinstating support at fifty percent and one hundred percent.
- (3) If the support order is modified under RCW 26.09.170 or RCW 74.20A.059 during the period of abatement, this provision regarding reinstatement of support at fifty percent in subsection (1) of this section does not apply. DCS enforces the modified support obligation.

[]

NEW SECTION

WAC 388-14A-3955 What does DCS do when it determines an incarcerated person's support order should not be abated? (1) If DCS re-

views its records and determines the NCP has access to or possession of income or assets to pay child support while incarcerated, DCS sends a notice regarding non-abatement of child support, sometimes called the notice regarding non-abatement, to the NCP and a copy to the custodial parent (CP).

(a) There is a rebuttable presumption that an incarcerated person has no access to or possession of income or assets available to pay child support while incarcerated.

(b) The notice regarding non-abatement includes the reason or reasons DCS believes it has rebutted the presumption that the NCP is unable to pay their child support obligation while incarcerated.

(2) The parties may request an adjudicative proceeding if they disagree with the notice regarding non-abatement.

(a) The parties may request a timely hearing within twenty days of the date of the notice regarding non-abatement.

(b) The parties may request an untimely hearing within one year of the date of the notice regarding non-abatement.

(c) The parties may request a late hearing one year or more after the after the date of the notice regarding non-abatement but must demonstrate good cause.

(3) For purposes of this chapter, correctional industries compensation does not count as income or assets to pay child support.

[]

NEW SECTION

WAC 388-14A-3960 What happens at a hearing on a notice regarding non-abatement of child support? (1) The noncustodial parent (NCP) or custodial parent (CP) may request a hearing on a notice regarding non-abatement of child support, sometimes called the notice regarding non-abatement.

(2) The purpose of the hearing is for the administrative law judge (ALJ) to determine whether DCS's notice is upheld or dismissed.

(3) The ALJ must allow DCS to orally amend the notice regarding non-abatement at the hearing to conform to the evidence. The ALJ may grant a continuance, if necessary, to allow the parties additional time to present evidence or argument in response to the amendment.

(4) The administrative law judge issues an order:

(a) Upholding DCS's determination that support should not be abated because the NCP has access to or possession of income or assets to pay child support while incarcerated; or

(b) Dismissing the notice regarding non-abatement because the NCP does not have access to or possession of income or assets to pay child support while incarcerated.

(5) If the order says child support should be abated, DCS abates and sends a notice of abatement to the parties. See WAC 388-14A-3940.

[]

NEW SECTION

WAC 388-14A-3965 What happens at a hearing on a notice of abatement? (1) The custodial parent (CP) has the burden of proof to demonstrate to the administrative law judge (ALJ) that the NCP has access to or possession of income or assets to pay child support while incarcerated.

(2) Any party to the hearing may show good cause why the abatement should end and support reinstated at a date other than what is specified in WAC 388-14A-3945.

(3) The ALJ must allow DCS to orally amend the notice of abatement at the hearing to conform to the evidence. The ALJ may grant a continuance, if necessary, to allow the parties additional time to present evidence or argument in response to the amendment.

(4) The administrative law judge issues an order:

(a) Upholding the notice of abatement;

(b) Upholding the notice of abatement and, upon a finding of good cause, specifying the date abatement ends; or

(c) Dismissing the notice of abatement because the objecting party met the burden of proof to show that NCP has access to or possession of income or assets to pay child support while incarcerated.

[]

NEW SECTION

WAC 388-14A-3970 Who may request to terminate or reverse an abatement? (1) The division of child support (DCS), the custodial parent (CP), or the noncustodial parent (NCP) may submit a request to terminate or reverse an abatement at any time during the period of abatement. The request must be in writing.

(a) If DCS or the CP is the requesting party, they must include documents or other evidence demonstrating that the NCP has access to or possession of income or assets to pay child support while incarcerated.

(b) If the NCP is the requesting party, no supporting documents are required.

(2) The requesting party must file the request to terminate or reverse the abatement with DCS or the office of administrative hearings (OAH).

(3) Acting as a responding jurisdiction, DCS may file a request to terminate or reverse an abatement on behalf of an initiating jurisdiction in an intergovernmental case.

[]

NEW SECTION

WAC 388-14A-3975 What happens at a hearing to terminate or reverse an abatement? (1) If the requesting party was required to submit supporting documents and did not do so, any other party may file a motion to dismiss. The requesting party may ask for a continuance to provide supporting documents.

(2) If the hearing is dismissed because supporting documents were not submitted, the requesting party may file a petition to vacate the dismissal.

(3) If a hearing is held, the ALJ may reverse the abatement or terminate the abatement on a specific date upon a finding that the NCP has access to or possession of assets or income to provide support while incarcerated.

(4) If the requesting party fails to appear after being sent a notice of hearing, the request must be dismissed.

(5) Depending on the type of evidence provided at the hearing, the ALJ may order that the abatement of the support order be:

(a) Reversed, meaning that the determination that support should be abated is vacated and all amounts owed under the support order are reinstated; or

(b) Terminated, meaning that the abatement of support ends as of the date specified in the order.

AMENDATORY SECTION (Amending WSR 07-08-055, filed 3/29/07, effective 4/29/07)

WAC 388-14A-6100 The division of child support accepts oral requests for hearing or conference board. (1) Except for the instances listed in subsections (8) and (9), the division of child support (DCS) accepts either a written or an oral request for hearing or conference board, even though other sections of this chapter or the relevant statutes may provide that objections and hearing requests should be in writing.

(2) The subject matter of the objection determines whether the matter is set as a conference board or hearing, unless there is a specific request for an administrative hearing under chapter 34.05 RCW.

(3) DCS processes oral and written requests for hearing in the same manner.

(4) An oral request for hearing is complete if it contains enough information to identify the person making the request, the DCS action, and the case or cases involved in the hearing request.

(5) The effective date of an oral request for hearing is the date that someone makes a complete oral request for hearing, to any DCS representative in person or by leaving a message on the automated voice mail system of any DCS field office.

(6) When making an oral request, you do not need to specify whether you want a hearing under chapter 34.05 RCW or a conference board under WAC 388-14A-6400.

(7) You can make an oral request for hearing or conference board on behalf of another person, if you have written authorization to act on their behalf. The effective date of an oral request for hearing or conference board made on behalf of another person is the later of the date of the complete oral request for hearing or the date that DCS receives the written authorization.

(8) There are ~~((two))~~ three types of hearing requests which must be in writing:

(a) A petition for prospective modification under WAC 388-14A-3925; ~~((and))~~

(b) A petition for reimbursement for day care expenses under WAC 388-14A-4300; and

(c) A request to terminate or reverse an abatement under WAC 388-14A-3960.

(a) A request for a determination of controlling order under the Uniform Interstate Family Support Act (UIFSA), chapter 26.21A RCW, as described in WAC 388-14A-7305; and

(b) An objection to the determination of controlling order contained in a notice of support debt and registration issued by DCS under WAC 388-14A-7325. WAC 388-14A-7335 describes how to make this objection.

The purpose of this section is to establish a procedure for the board to evaluate additives, solvents, ingredients or compounds used in the production of marijuana products, as those products are defined in chapter 69.50 RCW.

(2) **Definitions.** For purposes of this chapter, the following definitions apply unless the context clearly states otherwise:

(a) "Additive" means any substance the use of which results or may reasonably be expected to result, directly or indirectly, in its becoming a component or otherwise affecting the characteristics of any marijuana product;

(b) "Compound" means a chemical substance composed from more than one separate chemical element;

(c) "Ingredient" means something that enters into a mixture or is a component part of any combination or mixture;

(d) "Nonmarijuana additive" means a substance or a group of substances that are derived from a source other than marijuana.

(i) "Nonmarijuana additive" includes, but is not limited to, purified compounds, essential oils, oleoresins, essences, or extractives, protein hydrolysates, distillates, or isolates;

(ii) "Nonmarijuana additive" does not include plant material that is in the whole, broken, or ground form.

(e) "Solvent" means a substance capable of being used in dissolving a solute with the exception of water.

(3) **Procedure.**

(a) The board may prohibit the use of any additive, solvent, ingredient or compound in the production of marijuana products that may pose a risk to public health or youth access including, but not limited to:

(i) Verifiable case report data;

(ii) Other local, state and federal agency findings, reports, etc.;

(iii) A product or substance that is the subject of a recall under WAC 314-55-225;

(iv) Any other information sourced and confirmed from reliable entities.

(b) The board may prohibit the use of a product or substance by adoption of emergency or permanent rules. The board will provide notices of rule making consistent with the requirements of chapter 34.05 RCW.

(c) The board will maintain a list of prohibited substances prohibited by emergency or permanent rules on its website.

(d) The list of prohibited substances will be reviewed on at least an annual basis.

(e) Prohibited substances may be removed from the list of prohibited substances if the board determines, after a review consistent with (a)(i) through (iv) of this subsection, that it no longer poses a risk to public health or youth access.
