NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 23-0020
Guarding Against Unnecessary Utilization of Care and Services.

Effective Date: July 1, 2023.

Description: The health care authority (HCA) intends to submit SPA 23-0020 to address information that was identified by state auditors during HCA's state fiscal year (SFY) 2021 single audit as missing from the medicaid state plan. During the SFY 22 single audit, the agency sought clarification from the Centers for Medicare and Medicaid Services (CMS) and was informed that Washington's medicaid state plan does not appear to include the necessary information to meet the requirements of 42 C.F.R. 456.1 (b) (1) regarding methods and procedures to safeguard against unnecessary utilization of care and services. Therefore, HCA will submit SPA 23-0020 to indicate that the state directly oversees a surveillance and utilization control program and that an entity that meets the requirements of the Social Security Act performs annual quality assurance reviews of managed care organizations.

SPA 23-0020 is expected to have no effect on the annual aggregate expenditures, reimbursement, or payment for any medicaid service; this SPA is for administrative purposes only.

SPA 23-0020 is under development. HCA would appreciate any input or concerns regarding this SPA. ATTORNEY GENERAL'S OFFICE

ATTORNEY GENERAL'S OFFICE

[Filed June 6, 2023, 8:41 a.m.]

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

You may provide your comments to the attorney general's office (AGO) by emailing OpinionComments@atg.wa.gov or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. We will consider any comments we receive before we complete our opinion. Although there is no deadline for submitting comments, comments are the most helpful if received within 30 days of this notice. Comments focused solely on what the law should be are less helpful than comments that interpret current law. You may also request a copy of the opinion request in which you are interested and information about the attorney general's opinion process.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's website at <http://www.atg.wa.gov/ago%E2%80%90opinions> for more information on how to join our AGO Opinions List.

AGO seeks public input on the following opinion request(s):

**Opinion Docket No. 23-06-01
Request by Senator Shelly Short, Dist. 7****QUESTION(S) :**

Does the prohibitory section of HB 1240 apply to rim fire semi-automatic rifles or only to the "assault weapons" defined in (2) in RCW 9.41.010?

Significant Agency Action Statement

The Healthy Environment for All (HEAL) Act, codified at chapter 70A.02 RCW, requires implementing agencies to designate certain agency activities as significant agency actions to receive environmental justice assessments. RCW 70A.02.010(12) defines significant agency actions as:

- a. The development and adoption of significant legislative rules as defined in RCW 34.05.328;
- b. The development and adoption of any new grant or loan program that a covered agency is explicitly authorized or required by statute to carry out;
- c. A capital project, grant, or loan award by a covered agency of at least \$12,000,000 or a transportation project, grant, or loan by a covered agency of at least \$15,000,000;
- d. The submission of agency request legislation to the office of the governor or the office of financial management for approval; and
- e. Any other agency actions deemed significant by a covered agency consistent with RCW 70A.02.060.

After careful consideration of the HEAL Act and the activities of the agency, the attorney general's office (AGO) determined that agency request legislation is the only applicable significant agency action at this time. As an agency, AGO pursues litigation on behalf of the state, provides legal counsel to state agencies, boards, and commissions, and administers special projects as assigned by the legislature. AGO does not have general rule-making authority, does not administer legislatively mandated grant or loan programs, and does not take on capital or transportation projects.

Under RCW 70A.02.060 (2)(a), additional significant agency actions (not listed in RCW) must be defined by July 1, 2025, and must be actions that may cause environmental harm or may affect the equitable distribution of environmental benefits to an overburdened community or vulnerable population. AGO will continue evaluating the agency's activities to determine any additional significant agency actions under RCW 70A.02.060 (2)(a), and will post them by July 1, 2025.
