[Filed January 10, 2024, 1:03 p.m.]

At OAH, we encourage the public to be involved in shaping the rules that govern our society. You can get involved by attending public hearings, submitting written comments, or both.

The agenda below briefly describes changes that we anticipate making to OAH rules. This agenda is filed with the office of the code reviser for publication in the Washington State Register. The agenda is also available on our website at <https://oah.wa.gov/Content-Area-Management/Rule-Making-Hub/Rulemaking-Activities>.

HEALTH CARE AUTHORITY

[Filed January 16, 2024, 11:04 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 24-0015
Disproportionate Share Hospital Rate Update.

Effective Date: February 1, 2024.

Description: The health care authority (HCA) intends to submit SPA 24-0015 to remove the public hospital disproportionate share hospital (PH-DSH) cost settlement process from the certified public expenditure (CPE) process. This process was included in the Medicaid state plan before there was a federal requirement for DSH to be audited by outside entities. Now DSH is audited by an external auditor who performs the cost settlement process. Removing this information allows HCA to remain up to date on the most current DSH audit requirements and eliminates duplicate work.

SPA 24-0015 will also remove the exact dollar amount appropriated for small rural DSH. The program is increasing from \$3,818,000 to \$4,080,000 each year. Removing the dollar amount will allow HCA to be more agile when funding changes. This SPA also removes references to DSH programs that are no longer funded.

SPA 24-0015 is expected to increase payments to hospitals that qualify for small rural DSH by \$262,000 each year.

SPA 24-0015 is in development. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA when it becomes available or submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

ATTORNEY GENERAL'S OFFICE

[Filed January 18, 2024, 8:28 a.m.]

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

You may provide your comments to the attorney general's office by email to OpinionComments@atg.wa.gov or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. We will consider any comments we receive before we complete our opinion. Although there is no deadline for submitting comments, comments are the most helpful if received within 30 days of this notice. Comments focused solely on what the law should be are less helpful than comments that interpret current law. You may also request a copy of the opinion request in which you are interested and information about the attorney general's opinion process.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's website at <http://www.atg.wa.gov/ago%E2%80%90opinions> for more information on how to join our AGO opinions list.

The attorney general's office seeks public input on the following opinion request(s):

**Opinion Docket No. 24-01-02
Request by King County Prosecutor Leesa Manion****QUESTION(S) :**

May counties operate and administer their own basic corrections officer training academies to both train and certify new corrections officers in accordance with standards established by the Washington State Criminal Justice Training Commission (CJTC)?

AGENDA

OFFICE OF THE
INSURANCE COMMISSIONER

[Filed January 19, 2024, 3:11 a.m.]

**Semi-Annual Rule Development Agenda
January 2024**

This list is current as of January 15, 2024. There may be additional rule-making activity not included on this agenda and all information referenced is subject to change.

For general information on the office of the insurance commissioner's (OIC) rule making, please visit <https://www.insurance.wa.gov/legislation-and-rulemaking>.

To sign up for email or text alerts from OIC about rule changes, legislation, industry information, and consumer news, please visit <https://public.govdelivery.com/accounts/WAOIC/subscriber/new>.

For questions, please contact OIC policy and rules manager, Joyce Brake, rulescoordinator@oic.wa.gov, or 360-725-7041.

The commissioner has initiated rule making on the following rules:

Summary	Statutory Authority	Potentially Impacted WAC	Current Status
Revising the prior authorization process (Insurance Commissioner Matter R 2023-02)	RCW 48.02.060, 48.43.0161, 48.43.515, and 48.43.520	Amendments to chapter 284-43 WAC	CR-101 filed 7/19/23 WSR 23-15-108

The commissioner previously released a rule-making agenda on the following topics, which include an updated status:

Name of Proposed Rule	Summary	Status
Continuity of coverage for prescription drugs	SSB 5300 (2023) prohibits health carriers and their health care benefit managers from requiring substitution of a prescribed nonpreferred drug with a preferred drug or increasing an enrollee's cost sharing obligation when the prescription is for a refill of an antipsychotic, antidepressant, antiepileptic drug, or any other drug prescribed to treat a serious mental illness. Proposed rule making intends to address inconsistencies between the new law and current rules, including addressing the prescription drug process (WAC 284-43-2021), formulary policies and prescription drug cost sharing (WAC 284-43-5060 through 284-43-5110), and the definition of "serious mental illness" (WAC 284-43-0160).	Pre-CR-101. No rule making has been initiated, but a CR-101 is expected in spring 2024.

Other Possible Rule-Makings Topics: In addition to the rules referenced above, the commissioner continues his effort to update and clarify code, as well as implement recent legislation. A potential list of subjects that may be considered for future rule making include or may include:

Adjuster issues.

Annuity marketing and disclosure requirements.
