NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 20-0001 Health Home Rate Structure for the Fee-for-Service Delivery System.

Effective Date: When the COVID-19 public health emergency is officially declared over or January 1, 2021, whichever comes last.

Description: The health care authority (HCA), in conjunction with the department of social and health services, aging and long-term care services administration, intends to submit SPA 20-0001 in order continue the rate approved in SPA 20-0032, which was effective July 1, 2020. SPA 21-0001 will take effect when the pandemic is officially declared to be over, and will continue the rate approved in SPA 20-0032. The health home program is a voluntary care coordination model supported by one-on-one, face-to-face visits with eligible high-risk clients who have multiple chronic conditions. The program is available state-wide.

HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available or submit comments, please contact the person named below. Please note that all comments are subject to public review and disclosure, as are the names of those who comment.
