## HEALTH CARE AUTHORITY

[Filed December 10, 2020, 6:33 a.m.]

## NOTICE

Subject: Medicaid State Plan Amendment (SPA) 21-0002 Long Term Support Services COVID Disregard.

Effective Date: January 1, 2021.

Description: The health care authority (HCA) in conjunction with the department of social and health services (DSHS) intends to submit SPA 21-0002 to facilitate a reasonable timeframe for reducing excess resources accumulated during the current public health emergency by certain individuals subject to the post-eligibility treatment of income (PETI) rules for long-term services and supports (LTSS). PETI rules determine an individual's participation in the cost of care for LTSS.

Due to reasons described below, some individuals have accumulated liquid resources, typically in their bank accounts, which may now exceed medicaid program limit amounts of \$2,000 for an individual and \$3,000 for a married couple that apply to coverage based on age, blindness, or a disability. HCA and DSHS propose to disregard these excess funds for a period of twelve months when determining countable resources for eligibility for any program based on supplemental security income rules.

Under Section 6008 of the Families First Coronavirus Response Act (FFCRA), state medicaid programs may receive a temporary 6.2 percentage point increase in the Federal Medical Assistance Percentage, if the state meets all requirements in the act. These requirements have included not terminating coverage or reducing benefits for individuals determined eligible for medicaid on or after March 18, 2020. This has prohibited making any change to PETI costs for individuals receiving LTSS, even if they had experienced changes in their circumstances, such as an increase to income and/or a decrease to allowable expenses.

More recently, however, the Centers for Medicare and Medicaid [Services] posted an interim rule with comment (IFC) on the Federal Register website, which became effective November 2, 2020, and lifts the restriction of making changes under PETI rules. The new interpretation of requirements under FFCRA now requires states to resume making appropriate changes when individual circumstances change.

SPA 21-0002 is expected to have no effect on annual aggregate payments/expenditures.

SPA 21-0002 is in the development process; therefore, a copy is not yet available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available or submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

**INTERPRETIVE STATEMENT**

**DEPARTMENT OF REVENUE**

[Filed December 10, 2020, 10:41 a.m.]

**INTERPRETIVE STATEMENT ISSUED**

The department of revenue has issued the following excise tax advisory (ETA):

**ETA 3210.2020: Manufacturing Airplane Materials or Components and Eligibility for the Preferential Aerospace B&O Tax Rate**

This ETA explains how manufacturers of materials or components subsequently sold to and used by other manufacturers for installation into commercial airplanes may be eligible for a preferential Aerospace business and occupation tax (B&O) tax classification. The ETA is being updated to reflect changes enacted by 2020 legislation. The primary change is to add a notification at the top of the ETA to alert readers that the ETA and B&O tax classification are not valid for periods after March 31, 2020. In addition, the draft removes references to "sellers" in order to clarify that the classification was only available to manufacturers.

A copy of this document is available via the internet at Rule and Tax Advisory Adoptions and Repeals.

## ATTORNEY GENERAL'S OFFICE

[Filed December 14, 2020, 7:37 a.m.]

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION  
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

If you are interested in commenting on a request listed in this volume of the register, you should notify the attorney general's office of your interest by January 13, 2021. This is not the due date by which comments must be received, and we will consider any comments we receive before we complete our opinion. However, if you do not notify the attorney general's office of your interest in commenting on an opinion request by this date, the opinion may be issued before your comments have been received. You may notify the attorney general's office of your intention to comment by email to [OpinionComments@atg.wa.gov](mailto:OpinionComments@atg.wa.gov) or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. When you notify the office of your intention to comment, you may be provided with a copy of the opinion request in which you are interested, information about the attorney general's opinion process, information on how to submit your comments, and a due date by which your comments must be received to ensure that they are fully considered.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's website at <http://www.atg.wa.gov/ago%E2%80%90opinions> for more information on how to join our AGO opinions list.

The attorney general's office seeks public input on the following opinion request(s):

**Opinion Docket No. 20-12-01  
Request by Representative Debra Lekanoff****QUESTIONS:**

1. Can a Fire District refuse to provide fire and or emergency services to the citizens of the State of Washington who either reside on or are visiting the Reservation of a federally recognized Indian tribe within Washington State?
2. Are there any financial limits or a reasonableness standard with respect to the amount of a fee for service charge that a Fire District can charge a federally recognized Indian tribe on a Reservation within Washington State for fire and emergency services?
3. What recourse, if any, does a federally recognized Indian tribe have if it believes that a charge for fee for services for fire and emergency services charged by a Fire District is unreasonable and or punitive?

4. If the Reservation of a federally recognized Indian tribe in Washington State is served by two separate Fire Districts whose designated service boundaries do not overlap, is the Tribe and one of the Fire Districts entitled to negotiate for fee for services for fire and emergency services to allow only one of the Fire Districts to serve the entire Reservation to the exclusion of the other Fire District?

This rule making will commence only if the agency proposed implementing legislation passes and becomes law.
- Mortgage Broker Practices Act. Begin rule making under chapter 208-660 WAC to amend the current rules to allow MLOs, under certain conditions, to work from home locations without requiring the sponsoring company of the MLOs to license the home location as a branch of the company. This rule making will commence only if the agency proposed implementing legislation passes and becomes law.

## DIVISION OF SECURITIES

- Amendments to small company offering registration (SCOR) rules in chapter 460-17A WAC. SCOR rules set forth in chapter 460-17A WAC are based on a statement of policy adopted by the North American Securities Administrators Association (NASAA). NASAA amended this statement of policy on May 19, 2019. The securities division plans to amend its related rules in chapter 460-17A WAC to align with the updated NASAA statement of policy.
- Repeal of the mortgage paper securities registration rules in chapter 460-33A WAC. The rules set forth in chapter 460-33A WAC provide an optional method of registration for offerings of mortgage paper securities. An offering has not been registered under these rules since 2013. Changes in federal laws since that time eliminate the utility of these rules. Accordingly, the securities division plans to repeal these rules.
