AMENDATORY SECTION (Amending WSR 20-16-027, filed 7/24/20, effective 8/24/20)

WAC 181-78A-100 Existing approved programs. Providers of programs approved by the board shall comply with the review process established in this chapter and published by the board.

(1) Teacher and principal preparation programs: The board will annually review performance data of all educator preparation programs based on components and indicators established in this chapter and

published by the board. The professional educator standards board will provide annual updated written guidance to providers regarding the submission of annual program data.

(a) Notification: If annual preparation program data analysis indicates that program performance falls below thresholds during any given review period, the board staff will provide written notification to the educator preparation program provider. The educator preparation program provider may choose to submit a response to the board staff. The response must be received by board staff within four weeks following receipt of the notification by the provider. The response should offer evidence of factors and circumstances that explain why program performance is below board approved thresholds on the indicators identified in the notice. The board staff will offer providers guidance on content and timelines for submission of this optional response. The board will review responses concurrently with annual data analysis reports.

(b) Interventions: Providers with program performance below indicator thresholds are subject to graduated levels of intervention as follows:

(i) Intervention 1 - Required self-study report: If a provider that received written notification of performance below threshold on one or more indicators during the previous review period has performance below thresholds on the same indicator(s) during the subsequent review period, the board will send the provider a second notification. The provider must complete a self-study report related to the components and domain(s) identified in both notifications and submit it to the board. The board will give providers written timelines and guidance for the submission of these materials. In the self-study report, the provider may also submit evidence and a description of the provider's performance related to the indicator(s), components, and domains identified in the notifications. If the board is satisfied with the self-study report, the board will approve it at a board meeting. If the board is not satisfied with the self-study report, staff will give providers additional written timelines and guidance to address the board's concerns.

(ii) Intervention 2 - Formal review: If a provider demonstrates performance below thresholds for a third successive review period or more, the professional educator standards board will provide a third notification. Based on its discretion and authorized by a vote, the board also may require a formal review related to the provider's performance in the domains of practice identified in the notifications. Prior to commencing a formal review, the board will consider the notifications, responses, and self-study report to determine whether to proceed with or postpone a formal review.

(A) The formal review will incorporate the following elements:

(I) The board shall determine the schedule for formal reviews and whether an on-site visit or other forms of documentation and validation will be used to evaluate programs under program approval standards.

(II) The provider will submit requested evidence to the board staff.

(III) A review team, including at least one member of the board, will review the evidence. The review team may request additional information including information provided through interviews with provider staff or affiliates as needed.

(IV) The review team will provide a report to the board identifying areas of practice associated with the previous notifications where

the provider is out of compliance with educator preparation program requirements (~~established in WAC 181-78A-300 and the educator preparation program~~), expectations, and outcomes established in chapter 181-78A WAC (~~(181-78A-220)~~). The review team may also identify areas of practice where the provider is out of compliance with educator preparation program requirements that were not associated with previous notifications but were noticed by the review team during the process of review. The report may also identify whether the approved indicators or thresholds are functioning as intended.

(V) Board staff serving on the review team will provide assistance to the review team during the review process but will not serve in an evaluative role.

(VI) The review team will submit its report and other appropriate documentation to the provider and the board within one year of the board designating the program for formal review.

(VII) The board may extend the length of the one-year period for submission of the review team's report up to two years at its discretion.

(B) Providers may submit a reply to the review team report within two weeks following receipt of the report. The reply is to focus on the evidence, conclusions, and recommendations in the report but also may include additional evidence of factors and circumstances that explain why program performance is persistently below board approved thresholds on the indicators identified in the notice and self-study report. The board shall publish the process for submitting and reviewing the reply.

(C) In considering the review team's report, the board may request additional information or review, or take action to extend, or change the program's approval status per the provisions of WAC 181-78A-110.

(c) A provider may request a hearing in instances where it disagrees with the board's decision to extend or change the program's approval status. The hearing will be conducted through the office of administrative hearings by an administrative law judge per chapter 34.05 RCW and will adhere to the process of brief adjudicated hearings. The provider seeking a hearing will provide a written request to the professional educator standards board in accordance with WAC 10-08-035 no more than thirty calendar days from the decision date.
