(b) A subscriber's account will incur a premium surcharge when a subscriber fails to attest to the tobacco use status of all enrollees as described in (a) of this subsection.

(c) The PEBB program will provide a reasonable alternative for enrollees who use tobacco products. A subscriber can avoid the tobacco use premium surcharge if the subscriber attests on the required form that all enrollees who use tobacco products enrolled in or accessed one of the applicable reasonable alternatives offered below:

(i) An enrollee who is eighteen years and older and uses tobacco products is currently enrolled in the free tobacco cessation program through their PEBB medical.

(a) A subscriber who enrolled a spouse or state registered domestic partner under their PEBB medical may only attest during the following times:

The subscriber must complete the required form to enroll their spouse or state registered domestic partner, and include their attestation on that form. The employee must submit the form to their employing agency. Any other subscriber must submit the form to the

PEBB program. If the subscriber's attestation results in a premium surcharge it will take effect the same date as PEBB medical begins;

(ii) During the annual open enrollment. A subscriber must attest if during the month prior to the annual open enrollment the subscriber was:

- Incurring the surcharge;
- Not incurring the surcharge because the spouse's or state registered domestic partner's share of the medical premium through their employer-based group medical was more than ninety-five percent of the additional cost an employee would be required to pay to enroll a spouse or state registered domestic partner in the PEBB UMP Classic; or
- Not incurring the surcharge because the actuarial value of benefits provided through the spouse's or state registered domestic partner's employer-based group medical was less than ninety-five percent of the actuarial value of the PEBB UMP Classic's benefits.

A subscriber must update their attestation on the required form. An employee must submit the form to their employing agency. Any other subscriber must submit the form to the PEBB program. The subscriber's attestation or any correction to a subscriber's attestation must be received no later than December 31st of the year in which the annual open enrollment occurs. (iii) When there is a change in the spouse's or state registered domestic partner's employer-based group medical. A subscriber must update their attestation on the required form. An employee must submit the form to their employing agency no later than sixty days after the spouse's or state registered domestic partner's employer-based group medical status changes. Any other subscriber must submit the form to the PEBB program no later than sixty days after the spouse's or state registered domestic partner's employer-based group medical status changes.

- A change that results in a premium surcharge will begin the first day of the month following the status change. If that day is the first day of the month, the change to the premium surcharge begins on that day.

- A change that results in removing the premium surcharge will begin the first day of the month following receipt of the attestation. If that day is the first day of the month, the change to the premium surcharge begins on that day.

Exceptions:

- (1) A subscriber enrolled in both Medicare Parts A and B and in the Medicare risk pool as described in RCW 41.05.080(3) is not required to provide an attestation and no premium surcharge will be imposed on the subscriber's account.
- (2) An employee who waives PEBB medical as described in WAC 182-12-128 is not required to provide an attestation and no premium surcharge will be applied to their account as long as the employee remains in waived status.
- (3) An employee who covers their spouse or state registered domestic partner who has waived their own PEBB medical must attest as described in this subsection, but will not incur a premium surcharge if the employee provides an attestation that their spouse or state registered domestic partner is eligible for PEBB medical.
- (4) A subscriber who covers their spouse or state registered domestic partner who elected not to enroll in a TRICARE plan must attest as described in this subsection, but will not incur a premium surcharge if the subscriber provides an attestation that their spouse or state registered domestic partner is eligible for a TRICARE plan.

(b) A premium surcharge will be applied to a subscriber who does not attest as described in (a) of this subsection.

AMENDATORY SECTION (Amending WSR 20-16-062, filed 7/28/20, effective 1/1/21)

WAC 182-08-198 When may a subscriber change health plans? A subscriber may change health plans at the following times:

(1) **During the annual open enrollment:** A subscriber may change health plans during the public employees benefits board (PEBB) annual open enrollment period. A subscriber must submit the required enrollment forms to change their health plan. An employee submits the enrollment forms to their employing agency. Any other subscriber submits the enrollment forms to the PEBB program. The required enrollment forms must be received no later than the last day of the annual open enrollment. Enrollment in the new health plan will begin January 1st of the following year.

(2) **During a special open enrollment:** A subscriber may revoke their health plan election and make a new election outside of the annual open enrollment if a special open enrollment event occurs. A special open enrollment event must be an event other than an employee gaining initial eligibility for PEBB benefits as described in WAC 182-12-114 or regaining eligibility for PEBB benefits as described in WAC 182-08-197. The change in enrollment must be allowable under Internal Revenue Code and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependent, or both. To disenroll from a medicare advantage plan or medicare advantage-prescription drug plan, the change in enrollment must be allowable under 42 C.F.R. Secs. 422.62(b) and ((42 C.F.R. Sec.)) 423.38(c). To make a health plan change, a subscriber must submit the required enrollment forms (and a completed disenrollment form, if required). The forms must be received no later than sixty days after the event occurs, except as described in (i) of this subsection. An employee submits the enrollment forms to their employing agency. Any other subscriber submits the enrollment forms to the PEBB program. In addition to the required forms, a subscriber must provide evidence of the event that created the special open enrollment. New health plan coverage will begin the first day of the month following the later of the event date or the date the form is received. If that day is the first of the month, the change in enrollment begins on that day.

Exception: When a subscriber or their dependent is enrolled in a medicare advantage or medicare advantage-prescription drug plan, they may disenroll during a special enrollment period as allowed under ((Title)) 42 C.F.R. Secs. 422.62(b) and 423.38(c). The new medical plan coverage will begin the first day of the month following the date the medicare advantage plan disenrollment form is received.

If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, health plan coverage will begin the month in which the birth, adoption, or assumption of legal obligation

for total or partial support in anticipation of adoption occurs. If the special open enrollment is due to the enrollment of an extended dependent or a dependent with a disability, the change in health plan coverage will begin the first day of the month following the later of the event date or eligibility certification. Any one of the following events may create a special open enrollment:

(a) Subscriber acquires a new dependent due to:

(i) Marriage or registering a state registered domestic partnership;

(ii) Birth, adoption, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship.

Note: A subscriber may not change their health plan if their state registered domestic partner or state registered domestic partner's child is not a tax dependent.

(b) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) Subscriber has a change in employment status that affects the subscriber's eligibility for their employer contribution toward their employer-based group health plan;

(d) The subscriber's dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;

Note: As used in (d) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 26 C.F.R. 54.9801-6.

(e) Subscriber or a subscriber's dependent has a change in residence that affects health plan availability. If the subscriber moves and the subscriber's current health plan is not available in the new location the subscriber must select a new health plan, otherwise there will be limited accessibility to network providers and covered services;

Exception: A dental plan is considered available if a provider is located within fifty miles of the subscriber's new residence.

(f) A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(g) Subscriber or a subscriber's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(h) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or CHIP;

(i) Subscriber or a subscriber's dependent enrolls in coverage under medicare, or the subscriber or a subscriber's dependent loses eligibility for coverage under medicare, or enrolls in or terminates enrollment in a medicare advantage-prescription drug or a Part D plan. If the subscriber's current medical plan becomes unavailable due to the subscriber's or a subscriber's dependent's enrollment in medicare, the subscriber must select a new medical plan as described in WAC 182-08-196(2).

(i) A subscriber enrolled in PEBB retiree insurance coverage or an eligible subscriber enrolled in Consolidated Omnibus Budget Recon-

ciliation Act (COBRA) coverage has six months from the date of their or their dependent's enrollment in medicare Part B to enroll in a PEBB medicare supplement plan for which they or their dependent is eligible. The forms must be received by the PEBB program no later than six months after the enrollment in medicare Part B for either the subscriber or the subscriber's dependent;

(ii) A subscriber enrolled in PEBB retiree insurance coverage or an eligible subscriber enrolled in Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage has seven months to enroll in a medicare advantage or medicare advantage-prescription drug plan that begins three months before they or their dependent first enrolled in both medicare Part A and Part B and ends three months after the month of medicare eligibility. A subscriber may also enroll themselves or their dependent in a medicare advantage or medicare advantage-prescription drug plan before their last day of the medicare Part B initial enrollment period. The forms must be received by the PEBB program no later than the last day of the month prior to the month the subscriber or the subscriber's dependent enrolls in the medicare advantage or medicare advantage-prescription drug plan.

(j) Subscriber or a subscriber's dependent's current medical plan becomes unavailable because the subscriber or enrolled dependent is no longer eligible for a health savings account (HSA). The authority may require evidence that the subscriber or subscriber's dependent is no longer eligible for an HSA;

(k) Subscriber or a subscriber's dependent experiences a disruption of care for active and ongoing treatment, that could function as a reduction in benefits for the subscriber or the subscriber's dependent. A subscriber may not change their health plan election if the subscriber's or dependent's physician stops participation with the subscriber's health plan unless the PEBB program determines that a continuity of care issue exists. The PEBB program will consider but not limit its consideration to the following:

(i) Active cancer treatment such as chemotherapy or radiation therapy;

(ii) Treatment following a recent organ transplant;

(iii) A scheduled surgery;

(iv) Recent major surgery still within the postoperative period;

or

(v) Treatment for a high-risk pregnancy.

(3) If the employee is having premiums taken from payroll on a pretax basis, a medical plan change will not be approved if it would conflict with provisions of the salary reduction plan authorized under RCW 41.05.300.

AMENDATORY SECTION (Amending WSR 20-16-062, filed 7/28/20, effective 1/1/21)

WAC 182-08-245 Employer group and board members of school districts and educational service districts participation requirements. This section applies to an employer group as defined in WAC 182-08-015 or board members of school districts or educational service districts that is approved to purchase insurance for its employees through a contract with the health care authority (HCA).

(1) Prior to enrollment of employees in public employees benefits board (PEBB) insurance coverage, the employer group or board members of school districts or educational service districts must:

(a) Remit to the authority the required start-up fee in the amount publicized by the PEBB program;

(b) Sign a contract with the authority;

(c) Determine employee and dependent eligibility and terms of enrollment for PEBB insurance coverage by the criteria outlined in this chapter and chapter 182-12 WAC unless otherwise approved by the authority in the employer group's contract with the authority;

(d) Determine eligibility in order to ensure the PEBB program's continued status as a governmental plan under Section 3(32) of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. This means the employer group may only consider employees whose services are substantially all in the performance of essential governmental functions, but not in the performance of commercial activities, whether or not those activities qualify as essential governmental functions to be eligible; and

(e) Ensure PEBB insurance coverage is the only employer-sponsored coverage available to groups of employees eligible for PEBB insurance coverage under the contract.

(2) Pay premiums under its contract with the authority based on the following premium structure:

(a) The premium rate structure for educational service districts purchasing PEBB insurance coverage for nonrepresented employees will be a composite rate equal to the rate charged to state agencies plus an amount equal to the employee premium based on health plan election and family enrollment. Educational service districts must collect an amount equal to the premium surcharges applied to an employee's ac-

count by the authority from their nonrepresented employees and include the funds in their payment to the authority.

Exception: The authority will allow educational service districts that enrolled prior to September 1, 2002, to continue participation based on a tiered rate structure. The authority may require the district to change to a composite rate structure with ninety days advance written notice.

(b) The premium rate structure for employer groups other than educational service districts described in (a) of this subsection and board members of school districts and educational service districts will be a tiered rate based on health plan election and family enrollment. Employer groups must collect an amount equal to the premium surcharges applied to an employee's account by the authority from their employees and include the funds in their payment to the authority.

Exception: The authority will allow employer groups that enrolled prior to January 1, 1996, to continue to participate based on a composite rate structure. The authority may require the employer group to change to a tiered rate structure with ninety days advance written notice.

(3) Counties, municipalities, political subdivisions, and tribal governments must pay the monthly employer group rate surcharge in the amount invoiced by the authority.

(4) If an employer group or board member of school districts and educational service districts want to make subsequent changes to the contract, the changes must be submitted to the authority for approval.

(5) The employer group or board members of school districts and educational service districts must maintain participation in PEBB insurance coverage for at least one full year. An employer group or board members of school districts and educational service districts may only end participation at the end of a plan year unless the authority approves a mid-year termination. To end participation, an employer group or board members of school districts and educational service districts must provide written notice to the PEBB program at least sixty days before the requested termination date.

(6) Upon approval to purchase insurance through a contract with the authority, the employer group must provide a list of employees and dependents that are enrolled in Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage and the remaining number of months available to them based on their qualifying event. These employees and dependents may enroll in a PEBB health plan as COBRA subscribers for the remainder of the months available to them based on their qualifying event.

(7) Enrollees in PEBB insurance coverage under one of the continuation of coverage provisions allowed under chapter 182-12 WAC or retirees included in the transfer unit as allowed under WAC 182-08-237 cease to be eligible as of the last day of the contract and may not continue enrollment beyond the end of the month in which the contract is terminated.

Exception: If an employer group, other than an educational service district, ends participation, retired and disabled employees who began participation before September 15, 1991, are eligible to continue enrollment in PEBB insurance coverage if the employee continues to meet the procedural and eligibility requirements of WAC 182-12-171. Employees who enrolled after September 15, 1991, who are enrolled in PEBB retiree insurance coverage cease to be eligible under WAC 182-12-171, but may continue health plan enrollment under COBRA (see WAC 182-12-146).

(1) **Enrolling dependents in public employees benefits board (PEBB) health plan coverage and the effective date of supplemental dependent life insurance and accidental death and dismemberment (AD&D) insurance.** A dependent must be enrolled in the same health plan coverage as the subscriber, and the subscriber must be enrolled to enroll their dependent except as provided in WAC 182-12-205 (3)(c). Subscribers must satisfy the enrollment requirements as described in subsection (4) of this section and may enroll eligible dependents at the following times:

(a) **When the subscriber becomes eligible** and enrolls in PEBB benefits. If eligibility is verified the dependent's effective date will be as follows:

(i) PEBB health plan coverage will be the same as the subscriber's effective date;

(ii) Supplemental dependent life or AD&D insurance, if elected, will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least fourteen days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) **During the annual open enrollment.** PEBB health plan coverage begins January 1st of the following year;

(c) **During special open enrollment.** Subscribers may enroll dependents during a special open enrollment as described in subsection (3) of this section;

(d) **When a National Medical Support Notice (NMSN)** requires a subscriber to cover a dependent child as described in WAC 182-12-263; or

(e) **Any time during the calendar year for supplemental dependent life insurance or AD&D insurance** by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance.

(2) **Removing dependents from a subscriber's PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance.**

(a) **A dependent's eligibility for enrollment in PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance ends the last day of the month the dependent** meets the eligibility criteria as described in WAC 182-12-250 or 182-12-260. Subscribers must provide notice when a dependent is no longer eligible due to divorce, annulment, dissolution, or qualifying event of a dependent ceasing to be eligible as a dependent child, as described in WAC 182-12-260(3). The notice must be received within sixty days of the last day of the month the dependent loses eligibility for PEBB health plan coverage. Employees must notify their employing agency when a dependent is no longer eligible, except as required under WAC 182-12-260(3)(g)(ii). All other subscribers must notify the PEBB program. Consequences for not submitting notice within the required sixty days include, but are not limited to:

(ii) The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility as described in WAC 182-12-270;

(iii) The subscriber may not be able to recover subscriber-paid insurance premiums for dependents that lost their eligibility; and

(iv) The subscriber may be responsible for premiums paid by the state for the dependent's health plan coverage after the dependent lost eligibility.

(b) **Employees have the opportunity to remove eligible dependents:**

(i) During the annual open enrollment. The dependent will be removed from PEBB health plan coverage the last day of December;

(ii) During a special open enrollment as described in subsections (3) and (4)(f) of this section;

(iii) When a NMSN requires a spouse, former spouse, or other individual to provide health plan coverage for a dependent who is already enrolled in PEBB coverage, and that health plan coverage is in fact provided as described in WAC 182-12-263(2); or

(iv) Any time during the calendar year from supplemental dependent life or AD&D insurance by submitting the required form to the contracted vendor.

PEBB health plan coverage will end on the last day of the month in which the written notice is received by the PEBB program or on the last day of the month specified in the subscriber's written notice, whichever is later. If the written notice is received on the first day of the month, PEBB health plan coverage will end on the last day of the previous month. In addition to the required forms indicating dependent enrollment, the subscriber must provide the required documents as evidence of the dependent's eligibility; or as evidence of the event that created the special open enrollment. All required forms and documents must be received within the required time frames. An employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval within the required time frames.

Note: When enrolling a state registered domestic partner or a state registered domestic partner's child, a subscriber must certify that the state registered domestic partner or state registered domestic partner's child is a tax dependent on the required form; otherwise, the PEBB program will assume the state registered domestic partner or state registered domestic partner's child is not a tax dependent.

(a) If a subscriber wants to enroll their eligible dependents in PEBB health plan coverage when the subscriber becomes eligible to enroll in PEBB benefits, the subscriber must include the dependent's enrollment information on the required forms and submit them within the required time frame described in WAC 182-08-197, 182-08-187, 182-12-171, 182-12-180, 182-12-211, or 182-12-250. An employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. An employee may enroll a dependent in supplemental life insurance up to the guaranteed issue coverage amount without evidence of insurability if the required form

is submitted to the contracted vendor as required. Evidence of insurability will be required for supplemental dependent life insurance over the guaranteed issue coverage amount. Evidence of insurability is not required for supplemental AD&D insurance.

(d) If a subscriber wants to enroll a newborn or child whom the subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption in PEBB health plan coverage, the subscriber should notify the PEBB program by submitting the required forms as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required forms must be received no later than sixty days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. An employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. A newly born child must be at least fourteen days old before supplemental dependent life insurance or AD&D insurance coverage can become effective.

(e) If the subscriber wants to enroll a child age twenty-six or older as a child with a disability in PEBB health plan coverage, the required forms must be received no later than sixty days after the child reaches age twenty-six or within the relevant time frame described in (a), (b), and (f) of this subsection.
