EMERGENCY RULES
DEPARTMENT OF

CHILDREN, YOUTH, AND FAMILIES

[Filed July 23, 2021, 2:21 p.m., effective July 25, 2021]

Effective Date of Rule: July 25, 2021.

Purpose: Implement section 28, chapter 304, Laws of 2021, which authorizes licensing of outdoor nature-based programs. The rules explain the application process, licensing criteria and quality standards, and enforcement process.

Citation of Rules Affected by this Order: New WAC 110-300E-0001, 110-300E-0005, 110-300E-0015, 110-300E-0020, and 110-300E-0400.

Statutory Authority for Adoption: Section 28, chapter 304, Laws of 2021.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest; and that state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this Finding: Effective July 25, 2021, section 28, chapter 304, Laws of 2021, authorizes the department to license outdoor nature-based (ONB) programs, to adopt rules governing those programs, and apply the early achievers quality standards to ONB programs so that they may receive federal child care subsidy funding. Since chapter 304 grants immediate licensing authority, the department must adopt rules to take effect on July 25, 2021, that establish health and safety standards to protect the children enrolled in ONB programs and enforce the quality standards necessary for the receipt of federal subsidy dollars and the time needed to adopt permanent rules does not allow for a July 25 effective date.
