EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 21-244—Filed November 1, 2021, 4:48 p.m., effective November 1, 2021, 4:48 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule is to open salmon seasons at the Ringold Springs Hatchery access area.

Citation of Rules Affected by this Order: Amending WAC 220-312-060.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule is needed to open salmon seasons at the Ringold Springs Hatchery access area.

Ringold Springs Hatchery began rearing and releasing coho in 2019 with the first release of 250,000 juvenile fish to the Columbia River at Ringold in 2020. Adult coho returns to the hatchery are expected to be sufficient to provide a limited fishery in this area of the Columbia River.

There is insufficient time to adopt permanent rules.
