EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 21-279—Filed December 23, 2021, 1:04 p.m., effective December 23, 2021, 1:04 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule is to amend coastal commercial crab rules.

Citation of Rules Affected by this Order: Repealing WAC 220-340-42000W and 220-340-45000E; and amending WAC 220-340-420 and 220-340-450.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule is necessary because mandatory pick rate allowance for coastal crab will be achieved by the opening dates contained herein. The stepped opening periods/ areas will also provide for fair start provisions. Pot limits will reduce the crowding effect in this restricted area and language improves enforcement of pot limits. There is insufficient time to adopt permanent rules.
