PERMANENT RULES

DEPARTMENT OF AGRICULTURE

[Filed December 29, 2021, 6:23 a.m., effective January 29, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: This rule-making order amends chapter 16-303 WAC, Seed assessment, fees for seed services and seed certification by:

- Increasing fees for certification and testing to ensure the financial stability of the seed inspection program.
- Establishing new testing and certification fees for services not previously identified in the rule.
- Restructuring the fee schedule to clarify and allow for easier interpretation of the fees.
- Creating WAC 16-303-117 Seed program testing categories, to standardize the seed testing categories and associated crop kinds referenced in WAC 16-303-200 and 16-303-210. This change is also being made to clarify inconsistencies in these sections.
- Creating WAC 16-303-350 Seed tagging fees, to capture all of the seed tagging fees in one place.
- Updating the footnote characters in all tables of this chapter to provide clarity.
- Repealing WAC 16-303-317 to clarify the rule language by ensuring that all quarantine inspections are handled in the same manner.

Citation of Rules Affected by this Order: New WAC 16-303-117 and 16-303-350; repealing WAC 16-303-317; and amending WAC 16-303-020, 16-303-105, 16-303-200, 16-303-210, 16-303-230, 16-303-240, 16-303-250, 16-303-300, 16-303-310, 16-303-315, and 16-303-320.

WAC 16-303-020 Schedule of charges—Billing policies and procedures. (1) Accounts.

(a) All billable services provided for under chapter 15.49 RCW are due and payable upon billing by the department. For the convenience of established accounts and in accord with good business practices, the department provides a monthly billing service. Accounts not paid in full within (~~thirty~~) 30 days of billing are considered delinquent.

(b) (~~On all debts due and payable after July 28, 1991,~~) All delinquent accounts are assessed a late charge equal to two percent per month, or portion of a month, on the unpaid balance.

(c) Except for established accounts where there is a reasonable expectation of additional charges during a calendar month, the minimum billable amount through the monthly billing system is (~~twenty dollars~~) \$20. All billable services of less than (~~twenty dollars~~) \$20 are due and payable on the date that service is rendered.

(d) No person with an account (~~ninety~~) 90 days or more in arrears may receive service except on the basis of payment in full at the time service is rendered. Accounts in arrears may be subject to legal action for collection and are not restored to monthly billing status until all past due amounts are paid-in-full.

(e) Accounts that become (~~ninety~~) 90 or more days in arrears twice within a five-year period may be subject to a permanent requirement for payment in full at the time service is provided.

(2) Unless otherwise provided for in rule, requests for refund fees or assessments must be submitted to the department by June 30th of the year following payment of the fee or assessment.

(3) Fees for services not listed in rule are set on the basis of the actual cost to the department of agriculture, or the most appropriate fee established by rule.
