EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE

[Order 22-27—Filed February 23, 2022, 9:15 a.m., effective February 23, 2022, 9:15 a.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: Closes commercial harvest of red sea urchin in all districts.

Citation of Rules Affected by this Order: Repealing WAC 220-340-75000I; and amending WAC 220-340-750.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule closes harvest of red sea urchin in all sea urchin districts because the quotas for these areas have been reached. This closure is pursuant to obligations of state and tribal comanager agreements. There is insufficient time to adopt permanent rules.
