**EMERGENCY RULES**  
**SUPERINTENDENT OF**  
**PUBLIC INSTRUCTION**

[Filed March 2, 2022, 11:15 a.m., effective March 2, 2022, 11:15 a.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule revision to chapter 392-210 WAC is to allow for the continuation of the Washington honors award program for the 2021-22 school year by adjusting the criteria and process. Due to the ongoing COVID-19 pandemic, high school students have had limited to no opportunities to satisfy the testing criteria currently outlined in the rule. Access and opportunities to take the Scholastic Aptitude Test (SAT) and the American College Test (ACT) have been limited since the pandemic began. The emergency amendment allows for additional assessment options. The emergency amendment also revises the selection of students to allow more flexibility for schools and streamline the process for the office of the superintendent of public instruction.

Citation of Rules Affected by this Order: Repealing WAC 392-210-025, 392-210-030 and 392-210-040; and amending WAC 392-210-015, 392-210-020, 392-210-035, and 392-210-045.

Statutory Authority for Adoption: RCW 28A.600.070.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The COVID-19 pandemic and related emergency public health safety measures created inequities for students to meet the eligibility requirements specified in the rules for the Washington honors award. Specifically, the accessibility to SAT and ACT test sites and locations has been very limited or not available at all. In addition, some institutions of higher education have eliminated testing requirements for admissions, which makes these tests less relevant for college applications. These factors have reduced the number of graduating seniors taking these tests and therefore fewer students eligible for the Washington honors award.
