EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 22-40—Filed March 10, 2022, 4:48 p.m., effective March 14, 2022]

Effective Date of Rule: March 14, 2022.

Purpose: Closes commercial harvest in all Sea Urchin Districts.

Citation of Rules Affected by this Order: Repealing WAC
220-340-75000K.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020,
77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule closes harvest in all sea urchin districts. At this time, urchin spawning period is near its peak resulting in poor quality product for the market; while districts 1, 6, and 7 have green urchin quota remaining, all other districts have been closed as their quotas were reached. There is insufficient time to adopt permanent rules.
