

WSR 22-10-022
PERMANENT RULES
DEPARTMENT OF
CHILDREN, YOUTH, AND FAMILIES

[Filed April 25, 2022, 1:13 p.m., effective May 26, 2022]

Effective Date of Rule: Thirty-one days after filing.

Purpose: Explain when certificates of restoration of opportunity (CROP) and certificates of parental improvement (CPI) will be included in criminal history record reports, qualifying letters, or other assessments during a background check and when they will not.

For early learning program background checks:

- Better clarify that the background check process includes requesting information from other states in which an applicant has lived during the five years before their background check;
- More clearly explain which criminal convictions must disqualify an individual from being licensed, contracted, certified, or authorized to have unsupervised access to children and which trigger further review to determine whether the background check results demonstrate that an applicant possesses the character, suitability, and competence to have unsupervised access to children;
- Make fees consistent for manually and electronically submitted applications;
- Clarify that background check decisions are issued within 45 days from the application date.

Citation of Rules Affected by this Order: Repealing WAC 110-04-0100, 110-04-0110 and 110-04-0130; and amending WAC 110-04-0020, 110-04-0030, 110-04-0040, 110-04-0080, 110-04-0090, 110-04-0120, 110-04-0140, 110-04-0160, 110-04-0170, 110-06-0010, 110-06-0020, 110-06-0040, 110-06-0042, 110-06-0043, 110-06-0044, 110-06-0045, 110-06-0046, 110-06-0050, 110-06-0070, 110-06-0080, 110-06-0100, 110-06-0110, 110-06-0115, and 110-06-0120.

~~(1) Compare the background information with the DCYF secretary's list, WAC 110-06-0120, to determine whether the subject individual must be disqualified under WAC 110-06-0070 (1) and (2). In doing this comparison, the department will use the following rules))~~ the back-

ground check investigation and evaluation described in this section to determine whether subject individuals must be disqualified.

AMENDATORY SECTION (Amending WSR 19-01-111, filed 12/18/18, effective 1/18/19)

WAC 110-06-0115 ((Reconsideration of)) Department decision to vacate disqualification decisions. (1) Subject to the requirements contained in this chapter ((110-06-WAC)), the department may not reconsider ((an)) whether earlier decisions to disqualify ((a)) subject individuals will be vacated unless the department determines a change has occurred in the circumstances of a subject individual between the date of disqualification and the date the request to vacate the disqualification is made. Subject to the requirements contained in this chapter, to receive a background check authorization under this section, the department must review the subject individual's background and assess their character, suitability, and competence to determine whether the change in circumstances demonstrates the subject individual should receive an authorization.

(2) ((For a disqualification based on WAC 110-06-0070 (5) or (7)(a), (c), or (e), a disqualified subject individual's request for reconsideration will be granted only if the disqualified subject individual establishes by clear and convincing evidence there has been a change of circumstances since the date of the disqualification that demonstrates there is nothing about the subject individual's character, suitability, or competence that would prevent the subject individual from caring for or having unsupervised access to children receiving early learning services. For purposes of subsection (2) of this section a disqualification based on a "negative action," WAC 110-06-0070 (5) or (7)(c) or (e) does not include a decision, final determination, or finding made by an agency or administrative law judge that relates to:

(a) The commission of abuse or neglect of a child as defined in chapters 26.44 RCW and 388-15 WAC; or

(b) The commission of abuse or neglect of a vulnerable adult as defined in chapter 74.34 RCW.) To determine whether there has been a change in circumstances, the department must consider the factors described in subsection (3) of this section. A change in circumstances includes, but is not limited to, the following:

(a) Two years have passed since the issuance of a disqualification.

(b) The issuance of a valid CROP that pertains to a crime that was the sole basis of the subject individual's disqualification.

(c) If the sole basis for the disqualification was for a pending criminal charge or conviction that has been dismissed, vacated, the subject of a pardon, annulment, or other equivalent procedure.

(d) The issuance of a valid CPI that pertains to a negative action that was the sole basis of the subject individual's disqualification. The CPI must pertain to conduct by the subject individual that resulted in a founded finding of negligent treatment or maltreatment, physical abuse, or a dependency finding that was the result of a finding that the subject individual abused or neglected the child under RCW 13.34.030 (6) (b).

(e) If the sole basis for the disqualification was a negative action that has been dismissed, vacated, annulled, or other equivalent procedure.

(3) ((For a disqualification based on any of the circumstances described in WAC 110-06-0070 (3) and (7) (b) or (d), a disqualified subject individual's request for reconsideration will be granted only if the disqualified subject individual establishes by clear and convincing evidence there has been a change of circumstances since the date of the disqualification that demonstrates there is nothing about the subject individual's character, suitability, or competence that would constitute a danger to a child's welfare if the individual is allowed to care for or have unsupervised access to children in care.)) Before subject individuals are issued a background check authorization under this section, the department must review their background and assess their character, suitability, and competence. In this assessment, the department considers the following factors related to the subject individual's background:

(a) Whether the subject individual has a pending criminal charge or conviction on the secretary's list described in WAC 110-06-0120(2);

(b) Whether the subject individual has a background containing any of the information described in the secretary's list in WAC 110-06-0120 (3) or (4);

(c) The amount of time that has passed since the pending criminal charge, conviction, or negative action information that is the sole basis, or partial basis, of the subject individual's prior disqualification;

(d) The seriousness of the crime or subject individual's actions that led to the pending criminal charge, conviction, or negative action that was the sole basis, or partial basis, of the subject individual's prior disqualification;

(e) The number, types, and age of other pending criminal charges, conviction information, or negative actions in the subject individual's background;

(f) The subject individual's age at the time of the negative action determination, pending criminal charge or conviction that is the sole basis, or partial basis, of the subject individual's prior disqualification;

(g) The completion of services or other evidence of rehabilitation since the pending criminal charge, conviction, or negative action that is the sole basis, or partial basis of the subject individual's prior disqualification;

(h) The subject individual's role or purpose in delivering early learning services;

(i) The length and consistency of employment history between the date the disqualification was issued and the date the subject individual asks the department to vacate the disqualification decision;

(j) The employment or character references and any other information regarding the subject individual's fitness to be authorized.

(4) ((The department will not reconsider qualifying a subject individual that was disqualified under WAC 110-06-0120(1).)) If a CROP

or CPI has been issued for a crime or negative action described in the secretary's list in WAC 110-06-0120 (3) or (4) that was the sole basis for a disqualification, the department must vacate the disqualification. If a disqualification is vacated for any reason under this section, the department must conduct a new background check investigation and evaluation as described in this chapter.

(5) ((The department will not reconsider qualifying a subject individual that was disqualified under WAC 110-06-0120(2) for a period of five years from the date of the disqualifying conviction.)) As part of the background check process under this section, the department will conduct the background check investigation, evaluation, and assessment as described in this chapter.
