EMERGENCY RULES
DEPARTMENT OF
CHILDREN, YOUTH, AND FAMILIES**

[Filed May 2, 2022, 12:40 p.m., effective May 2, 2022, 12:40 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: Clarify that the department does not regulate community-based quarantine and isolation facilities operated by or under contract with a local government.

Citation of Rules Affected by this Order: New WAC 110-145-1305.

Statutory Authority for Adoption: RCW 74.13.031 and 74.15.030.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Governor Jay Inslee issued Proclamation 20-05 declaring a State of Emergency in all counties in the state of Washington as a result of the outbreak of COVID-19. As of March 11, 2020, the World Health Organization has classified COVID-19 as a pandemic. This rule allows for the expedient delivery of life-saving services to a highly vulnerable population in Washington state—homeless youth who have recently been diagnosed with, infected by, or who came into contact with COVID-19.
