

WSR 22-15-019  
EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE

[Order 22-133—Filed July 11, 2022, 3:25 p.m., effective July 13, 2022]

Effective Date of Rule: July 13, 2022.

Purpose: The purpose of this emergency rule is to close recreational salmon fishing in Marine Area 11.

Citation of Rules Affected by this Order: Repealing WAC 220-313-06000Y; and amending WAC 220-313-060.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Estimates of landed catch to date indicate that 58 percent of the harvest quota of 2,816 agreed to in this year's list of agreed fisheries has been landed. Feedback from Puget Sound Sports Fishing Advisory Group and other members of the public indicated a desire to preserve Chinook fishing opportunity for August. Therefore, the fishery is being closed until August 3 to preserve opportunity for later in the summer season.

This rule also maintains rules for Catch Record Card Areas 5, 6, 7, 9, 10, and 12, set by WSR 22-14-045, Order 22-118, filed June 27; and WSR 22-14-086, Order 22-130, filed July 1, 2022.

There is insufficient time to adopt permanent rules.

Date Adopted: July 11, 2022.
