

**WSR 22-15-040  
EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE**

[Order 22-137—Filed July 14, 2022, 11:49 a.m., effective July 15, 2022]

Effective Date of Rule: July 15, 2022.

Purpose: Additional regulations are needed to prevent wildfires on department lands during the current period of high fire danger. The new rules will help reduce the threat of wildfires on department lands and provide protection of human health, safety, and wildlife habitat.

Citation of Rules Affected by this Order: Amending WAC 220-500-030, 220-500-040, 220-500-110, and 220-500-140.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.055, 77.12.047, and 77.12.240.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: An emergency rule is necessary to protect department lands from imminent risk of wildfire damage during a high fire danger period which is occurring currently and before permanent rules can be adopted. These additional prohibitions are needed immediately to protect humans, wildlife, and property.
