EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 22-155—Filed July 29, 2022, 4:32 p.m., effective August 3, 2022]

Effective Date of Rule: August 3, 2022.

Purpose: Amends recreational salmon rules in Puget Sound Marine Area 6.

Citation of Rules Affected by this Order: Repealing WAC 220-313-06000D; and amending WAC 220-313-060.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The current estimate of Chinook legal encounters for the summer fishery is 8,308 of the total legal encounters limit of 9,400 (88 percent) agreed to in this year's list of agreed fisheries. Salmon fishing is being suspended through August 15, beginning August 3, in anticipation of reaching the legal encounters limit by the end of the day Saturday. Suspending salmon fishing now will preserve Chinook encounters to allow the August 16 - September 28 coho fishery to continue as planned. There is insufficient time to adopt permanent rules.
