PREPROPOSAL STATEMENT OF INQUIRY
GAMBLING COMMISSION

[Filed August 16, 2022, 4:01 p.m.]

Subject of Possible Rule Making: The Washington state gambling commission (WSGC) is considering amending its rules related to pull-tab inventory control, including WAC 230-14-260.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 9.46.070.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: WSGC received a petition from a licensee proposing to amend rules so that pull-tab licensees no longer need to write the date they put a pull-tab game in play on purchase invoices. Some pull-tab licensees already write the date in play information on records, besides the purchase invoices, and feel there is duplication. Amending rules may allow some licensees flexibility related to pull-tab inventory control.

Process for Developing New Rule: Negotiated rule making.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Jess Lohse, P.O.
