PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
CHILDREN, YOUTH, AND FAMILIES
[Filed September 1, 2022, 8:58 a.m.]

Subject of Possible Rule Making: The department of children, youth, and families (DCYF) will be making changes to WAC 110-80-0260 and other related WAC regarding referrals to the division of child support when children and [are] placed into DCYF's care. Currently DCYF has an automatic referral process to start collecting child support 72 hours after a child or youth is removed from the parents' or guardians' care and custody, unless good cause exists to not pursue collection. DCYF wants to minimize the number of referrals to the division of child support and revise good cause criteria as the current process can cause financial hardship and delay reunification. This CR-101 is related to WSR 22-04-056 and both rule-making projects will be merged into one CR-102.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.20.040.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Referrals to the division of child support can be harmful to families in the child welfare system by causing financial hardship, prolonged debt, and delayed reunification. Minimizing referrals will help family reunification occur sooner. Per RCW 74.14C.005, "children need their families and should be raised by their own families whenever possible," and "improvement of family functioning is essential in order to promote the child's health, safety, and welfare." Per RCW 13.34.020, the legislature declares that "the family unit should remain intact unless a child's right to conditions of basic nurture, health, or safety is jeopardized."
