EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 22-198—Filed September 9, 2022, 3:08 p.m., effective September 11, 2022]

Effective Date of Rule: September 11, 2022.

Purpose: The purpose of this emergency rule is to [open] Puget Sound commercial reef net fisheries.

Citation of Rules Affected by this Order: Amending WAC 220-354-180.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule is needed to open commercial reef net fisheries in Puget Sound Salmon Management and Catch Reporting Area 7. The Fraser River Panel has relinquished control over waters of Area 7 for reef net gear to target coho salmon. There is insufficient time to adopt permanent rules.
