

WSR 22-21-118
PERMANENT RULES
DEPARTMENT OF
LABOR AND INDUSTRIES

[Filed October 18, 2022, 8:20 a.m., effective January 1, 2023]

Effective Date of Rule: January 1, 2023.

Purpose: The department of labor and industries (L&I) has adopted a 17 percent fee increase for funding of a new conveyance management system (CMS). The fee increase is divided into two 8.5 percent fee increases, effective January 1, 2023, and January 1, 2024. The fees include licensing, permits, inspections, and other services for conveyances.

The fee increase is necessary to fund a new CMS. CMS is the database used to provide permitting, inspection, and other information. Our current system is aging, failing, and no longer meets the service needs of customers or staff. The new CMS is expected to go live in January 2024.

On May 17, 2022, L&I filed a CR-102 proposed rule making (WSR 22-11-069) for a single 17 percent fee increase. The purpose was to ensure adequate funding for the new CMS to go live in mid-2023. The CMS project team has updated the project schedule with a new go-live date for CMS of January 2024. As a result, the single 17 percent increase has instead been divided into two 8.5 percent fee increases for fiscal years 2023 and 2024.
