

WSR 22-23-118
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 22-273—Filed November 17, 2022, 5:01 p.m., effective November 17, 2022, 5:01 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: WAC 220-340-45500Q closes Puget Sound commercial crab harvest in Crab Management Region 2-East one hour after official sunset November 20, 2022, and Region 3-2 one hour after official sunset November 21, 2022.

WAC 220-340-47000M sets pot limits for all areas with commercial harvest opportunity in Puget Sound. Reduces the pot limit for all areas that are closed to "0."

Citation of Rules Affected by this Order: Repealing WAC 220-340-45500P and 220-340-47000L; and amending WAC 220-340-455 and 220-340-470.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: There is sufficient allocation available in Regions 1, 2-West, 3-1, 3-3, and 3-4 to accommodate remaining open until a later date. This rule is needed to close Regions 2-East and 3-2 because remaining allocations in these areas are expected to be fully harvested November 20 and 21, respectively. These provisions are in conformity with agreed-to management plans with applicable tribes. These management plans are entered into as required by court order. The Puget Sound commercial season is structured to meet harvest allocation objectives negotiated with applicable treaty tribes and outlined in the management plans. There is insufficient time to adopt permanent rules. Further adjustment of season structure may be made pending updated harvest data.
