DEPARTMENT OF ECOLOGY

[Filed December 7, 2022, 12:02 p.m.]

PUBLIC NOTICE

Announcing the Draft Aquatic and Invasive Species Control General Permit and Fact Sheet for Review and Comment

The Washington state department of ecology (ecology) proposes to reissue the draft Aquatic and Invasive Species Control National Pollutant Discharge Elimination System (NPDES) and state waste discharge general permit (permit). The new permit will replace the three permits listed below, which were previously issued to Washington state agencies and have now expired. The revised draft permit and fact sheet, which explains the legal and technical basis for the permit, are available with any associated documents for review and public comment from **Wednesday, December 21, 2022, through Monday, February 6, 2023, at 11:59 p.m.** Ecology will host informational workshops and public hearings on the draft permit.

- **Aquatic invasive species** (Washington department of fish and wildlife (WDFW) - expired September 15, 2021).
- **Fisheries resource management** (WDFW - expired September 30, 2020).
- **Invasive moth control** (Washington state department of agriculture - expired July 23, 2009).

Purpose of the Permit: The permit provides statewide NPDES coverage for the use of specific chemicals to control invasive and introduced species of fish, animals, and insects. Under federal and state water quality laws (Federal Clean Water Act and State Water Pollution Control Act), state agencies that apply pesticides either directly or indirectly to waters of the state must obtain permit authorization for their discharge.

Applying for Coverage under the Permit: Coverage under this permit is only available to Washington state agencies. Agencies may obtain coverage under the permit by submitting a complete permit application to ecology and satisfying all applicable public notice and State Environmental Policy Act (SEPA) requirements (WAC 173-226-200). Access to the application is available online at <https://ecology.wa.gov/AISC-general-permit>.

Copies of the Draft Permit and Fact Sheet: The draft permit and fact sheet are available online at <https://ecology.wa.gov/AISC-general-permit> by end of day on December 21, 2022. You may also request copies from Jackie Lince at 360-407-6600 or email jacl461@ecy.wa.gov.

Submitting Written Comments: Ecology will accept written comments on the draft permit from **Wednesday, December 21, 2022, through Monday, February 6, 2023, at 11:59 p.m.** Ecology prefers online comment submission via the eComment form (link below) on the permit web page. Written comments by mail must be postmarked by **Monday, February 6, 2023**. Comments should reference specific permit text when possible.

Online via the eComment form: <https://wq.ecology.commentinput.com/?id=E3uSi>. **By mail:** Send to Shawn Ultican (see ecology contact below).

Ecology Contact: Shawn Ultican, Washington State Department of Ecology, P.O. Box 47696, phone 360-407-6283, Olympia, WA 98504-7696, email shawn.ultican@ecy.wa.gov.

Assistance for Persons with Disabilities: To request ADA accommodation for disabilities, call ecology at 360-407-7285 or visit <https://ecology.wa.gov/accessibility>. People with impaired hearing may call Washington relay service at 711. People with speech disability may call TTY at 877-833-6341.

Public Workshops and Hearings: The purpose of the workshops is to explain the general permit and to answer questions prior to the formal public hearing. The purpose of the hearings is to provide an opportunity for people to give formal oral testimony on the proposed draft permit. Oral testimony will receive the same consideration as written comments submitted.

The public hearings will begin immediately following each public workshop and will conclude when public testimony is complete. The draft aquatic and invasive species control general permit workshop and hearing webinars will occur on **January 24, 2023, at 10:00 a.m.**, join Zoom at <https://waecy-wa-gov.zoom.us/j/87065939694>; and on **January 25, 2023, at 5:30 p.m.**, join Zoom at <https://waecy-wa-gov.zoom.us/j/89578880349>.

*Workshops and hearings offered via Zoom allow individuals to view the presentation and provide testimony via computer or mobile device.

Issuing the Permit: After ecology receives and considers all public comments, we will make a final decision on permit issuance. Ecology expects to make a decision on the general permit in **March of 2023**.

HEALTH CARE AUTHORITY

[Filed December 11, 2022, 3:40 p.m.]

NOTICE

Title or Subject: Section 1115 Family Planning Only Waiver Extension Application.

Effective Date: July 1, 2023.

Purpose: This notice updates information previously published in a notice dated June 13, 2022, appearing in the Washington State Register under WSR 22-13-089 on July 6, 2022, regarding extending the Section 1115 Family Planning Only Demonstration Waiver. The health care authority (agency) submitted the waiver renewal application to the Centers for Medicare and Medicaid Services (CMS) on September 30, 2022, for initial review. During that review, CMS noted the following components should be included in the application prior to a formal CMS review: All data tables are updated and posted to the application posted on the agency website; clear inclusion of dates and details of public forums; and inclusion of an interim evaluation report on the current waiver cycle. The updated application must be posted publicly on the agency website (www.hca.wa.gov/family-planning) and an additional 30-day comment period must follow. Specifically:

- Data tables - all were updated and complete in the waiver application sent to CMS on September 30, 2022, in the version posted to the agency website (www.hca.wa.gov/family-planning) on October 6, 2022, and in the most current version.
- Public forums - included in this current version on page 17.
- Interim evaluation report - completed and included in this current version, starting on page 9.

To review the updated waiver renewal application, please click on the link at the end of this notice.

The information under the "description" section below repeats the information in the June 13, 2022, public notice.

Description: The agency intends to submit an application to extend the Section 1115 Family Planning Only Demonstration Waiver for five years (through July 2028). The current waiver expires on June 30, 2023. It covers limited family planning and family-planning-related services for people who identify as women, men, and gender fluid who are in need of contraceptive care and are enrolled in the family planning only programs.

The purpose, client eligibility requirements, and benefit package will remain the same. The only potential change is the elimination of the family-planning pregnancy-related program due to the implementation of the after-pregnancy coverage program. This change will take effect when the end of the public health emergency (PHE) is declared. There is currently no end date for the federal PHE.

The purpose of the family planning only program is to:

- Assure [ensure] access to family planning services.
- Decrease unintended pregnancies and births.
- Lengthen intervals between births.
- Reduce state and federal medicaid expenditures for averted births from unintended pregnancies.

The following groups are eligible for services under the family planning only program:

- Recently pregnant people who lose medicaid coverage after their pregnancy coverage ends. These women [people] are automatically enrolled for 10 months.¹
- Uninsured people with family incomes at or below 260 percent federal poverty level (FPL), seeking to prevent an unintended pregnancy.
- Teens and domestic violence victims who need confidential family planning services and are covered under their perpetrator's or parent's health insurance and are at or below 260 percent FPL.

¹ This eligibility group will be eliminated once the PHE ends, and then this group will be eligible for the after-pregnancy coverage benefit which provides 12 months of full-scope apple health (medicaid) benefits to people who have had a pregnancy within 12 months.

Coverage is for 12 months starting on the first day of the month the application was signed. Applications are available on the agency website or any apple health provider that offers family planning services who can assist with the completion of the application.

The family planning only program provides the following services on a fee-for-service basis: FDA-approved contraceptives, natural family planning, over-the-counter contraception, emergency contraception, sterilization, contraceptive education, counseling and management, limited STD testing and treatment related to the safe and effective use of the chosen contraceptive method, cervical cancer screening according to the national clinical guidelines when associated with a family planning visit, office visits, and limited ancillary services related to the above services. There are no cost-sharing requirements to receive services under this program.

There may be decreases in annual aggregate expenditures or enrollment due to the end of the PHE and implementation of the after-pregnancy coverage program. Based on demonstration year (DY) 2020, we expect approximately 8,000 enrollees and 1,500 participants with an expenditure of \$300,000 (DY 2021) for each year of the five-year renewal period.²

² These totals do not consider the loss of the family pregnancy-related group due to the implementation of the after-pregnancy coverage program.

The demonstration will test the hypotheses that by maintaining the family planning only program (1) access to family-planning services will remain available to people who otherwise may not have access; (2) health outcomes will improve or maintain for the waiver population; and (3) the unintended pregnancy rate in Washington state will remain stable or continue to decrease. The state expects that over the five years of the renewal period, the state will have decreased costs due to averted births from unintended pregnancy.

These hypotheses will be measured by evaluating enrollment in the family planning only program, contraceptive methods chosen, pregnancy risk assessment monitoring system data, birth certificates, and claims data. Due to small sample sizes, the evaluation may be limited to descriptive analysis.

The demonstration's expenditure authority falls under the state's Title XIX medicaid state plan and section 1115 (a)(2) of the Social Security Act. Requirements not applicable to the expenditure authorities are:

1. Methods of Administration: Transportation: Section 1902 (a)(4) insofar as it incorporates 42 C.F.R. 431.53. To the extent necessary to enable the state to not assure [ensure] transportation to and from providers for the demonstration population.

2. Amount, Duration, and Scope of Services (Comparability): Section 1902 (a)(10)(B). To the extent necessary to allow the state to offer the demonstration population a benefit package consisting only of family-planning services and family-planning-related services.

3. Prospective Payment for Federally Qualified Health Centers and Rural Health Centers and Rural Health Clinics: Section 1902 (a)(15). To the extent necessary for the state to establish reimbursement levels to these clinics that will compensate them solely for family-planning and family-planning-related services.

ATTORNEY GENERAL'S OFFICE

[Filed December 14, 2022, 7:14 a.m.]

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

You may provide your comments to the attorney general's office by email to OpinionComments@atg.wa.gov or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. We will consider any comments we receive before we complete our opinion. Although there is no deadline for submitting comments, comments are the most helpful if received within 30 days of this notice. Comments focused solely on what the law should be are less helpful than comments that interpret current law. You may also request a copy of the opinion request in which you are interested and information about the attorney general's opinion process.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's website at <http://www.atg.wa.gov/ago%E2%80%90opinions> for more information on how to join our AGO opinions list.

The attorney general's office seeks public input on the following opinion request(s):

Opinion Docket No. 22-12-01**Request by:**

**Randall K. Gaylord, San Juan County Prosecuting Attorney/Coroner
Dolly Hunt, Pend Oreille County Prosecuting Attorney/Coroner
Dale Slack, Columbia County Prosecuting Attorney/Coroner**

QUESTION(S) :

After January 1, 2025, the effective date of the 2021 amendments to RCW 36.16.030, may the county legislative authority appoint the prosecuting attorney to perform the services of the county coroner?

INTERPRETIVE STATEMENT

DEPARTMENT OF REVENUE

[Filed December 15, 2022, 4:14 p.m.]

INTERPRETIVE STATEMENT ISSUED

The department of revenue has issued the following excise tax advisory (ETA):

ETA 3191.2022 Rewards Programs

This ETA addresses rewards programs; specifically, the application of "sales price" to selected types of rewards program awards, the seller's tax liability when a customer redeems awards for the full price of a good or service, and the tax treatment of rewards programs that commingle both awards representing taxable consideration and awards representing bona fide discounts.

The ETA has been updated to specifically incorporate two interim guidance statements on rewards programs: the interim guidance statement on commingling rewards program awards and the interim guidance statement on deferred sales or use tax.

POLICY STATEMENT
DEPARTMENT OF
LABOR AND INDUSTRIES

[Filed December 19, 2022, 3:28 p.m.]

Under RCW 34.05.230, following are statements regarding one amended policy, one new policy, and one repealed policy issued by the department of labor and industries (L&I) insurance services division.

If you have any questions or need additional information, please contact Tracy West, rules coordinator, at Tracy.West@Lni.wa.gov, or 360-902-6954.

Title: Interim Policy 6.02 - *Assigning State Fund Referrals.*

Date Issued: December 15, 2022.

Description: This amended policy reflects referral model changes, including the policy's outdated exception. The policy was outdated due to 2020 rule making that changed how L&I assigns referrals for vocational services.

Contact: Laurinda Grytness, Return to Work Partnerships, 7273 Linderson Way S.W., Mailstop 4326, Tumwater, WA 98501-4326, 360-902-6362, Laurinda.Grytness@Lni.wa.gov.

Title: Interim Policy 6.07 - *Vocational Interns and Supervisors (State Fund Claims).*

Date Issued: December 15, 2022.

Description: This new policy provides clarity for vocational firms and their staff regarding the qualifications outlined in WAC 296-19A-210. Private sector rehabilitation services (PSRS) is responsible for ensuring that vocational providers meet these qualifications. When an applicant proves unable or unwilling to submit all required documentation supporting their qualifications, PSRS denies the request. Applicants include vocational firms, vocational rehabilitation counselors (VRCs), vocational intern supervisors and interns, as well as forensic vocational providers.

Contact: Laurinda Grytness, Return to Work Partnerships, 7273 Linderson Way S.W., Mailstop 4326, Tumwater, WA 98501-4326, 360-902-6362, Laurinda.Grytness@Lni.wa.gov.

Title: Policy 6.11 - *Marketing by Vocational Rehabilitation Providers.*

Date repealed: December 15, 2022.

Description: This repealed policy is obsolete. On January 1, 2020, amendments to WAC 296-19A-210 (9)(c) took effect and changed the referral model for firms wanting to receive state fund referrals. L&I now sends referrals to vocational firms according to capacity, and firms assign the referrals to the individual VRCs. This new referral methodology greatly minimizes the risk that vocational providers will attempt to influence the assignment of referrals through marketing.

Also make technical and other changes as may be required by changes to state or federal law.

DIVISION OF SECURITIES:

- Amendments to small company offering registration (SCOR) rules in chapter 460-17A WAC. The SCOR rules set forth in chapter 460-17A WAC are based on a statement of policy adopted by the North American Securities Administrators Association (NASAA).
