

WSR 23-03-094
RESCISSION OF EMERGENCY RULES
DEPARTMENT OF HEALTH
[Filed January 17, 2023, 9:32 a.m.]

This memo serves as notice that, effective January 11, 2023, the department of health (department) is rescinding the emergency rule-making order CR-103E for WAC 246-335-510, 246-335-545, 246-335-610, and 246-335-645 for in-home services agencies, which was filed November 23, 2022, and published as WSR 22-23-166.

The department is rescinding this CR-103E because its purpose was to maintain emergency rule amendments while permanent rule making was in progress. The associated permanent rules were adopted on December 11, 2022, under WSR 23-01-032 and became effective on January 11, 2022. Because the permanent rules have superseded the emergency rules, the department is rescinding WSR 22-23-166.

Individuals requiring information on this rule should contact John Hilger by email john.hilger@doh.wa.gov or phone 360-236-2929.
