LABOR AND INDUSTRIES

[Filed January 31, 2023, 8:46 a.m.]

The department of labor and industries' (L&I) prepares a semi-annual rules development agenda in January and July each year to inform the public of expected upcoming rule changes. Pursuant to RCW 34.05.314, the agenda is filed with the office of the code reviser for publication in the Washington State Register. 	388-97-0120 388-97-0130 388-97-0140	The department is amending WAC 388-97-0140 to waive and suspend the requirement for nursing homes to suspend transfers and discharges pending the outcome of a resident appeal of the nursing home transfer or discharge decision. The COVID-19 pandemic continues to require more rapid transfers and discharges than the rule permits. This emergency rule waives the requirement for nursing homes to suspend transfers and discharges pending the outcome of a resident appeal hearing and improves resident safety by allowing faster grouping of COVID-19-positive residents in one facility or grouping asymptomatic residents together. This helps expedite infection control processes and maximizes the availability of nursing home beds. Also, WAC 388-97-0120 and 388-97-0130. 	388-107-0080 388-76-10350 388-78A-2100	Because of the ongoing COVID-19 public health emergency, on January 18, 2022, HCS temporarily suspended conducting ongoing assessments for HCS clients living in AFHs, ALFs, and ESFs. The intent of this suspension is to allow HCS staff to focus on conducting assessments in hospitals, which will facilitate their discharge to long-term care facilities and improve the current surge capacity in hospitals. This emergency rule suspends the regulatory requirement for these facilities to complete assessments for HCS clients while the HCS assessors are not available. The Centers for Medicare and Medicaid Services (CMS) approved this flexibility for medicaid beneficiaries needing specific long-term care services and supports whose assessments meet the requirements under 42 C.F.R. 441.720. The emergency rule will be effective retroactively to match the suspension effective date by HCS. HEALTH CARE AUTHORITY

[Filed February 15, 2023, 9:05 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendments (SPAs) 23-0012 and 23-0013 Community Behavioral Support Services.

Effective Date: July 1, 2023.

Description: The health care authority (HCA) intends to submit medicaid SPAs 23-0012 and 23-0013 to amend the 1915(i) section of the medicaid state plan for home and community-based service benefits regarding behavioral health personal care (BHPC). The new community behavioral health support services (CBHS) will be implemented as a covered medicaid benefit if approved by the Centers for Medicare and Medicaid Services (CMS).

- SPA 23-0012 will amend the financial eligibility for individuals seeking CBHS to disregard income equal to the difference between 150 percent of the federal poverty level and 300 percent of the federal benefit rate.
- SPA 23-0013 will amend Attachment 3.1-F Part 2 to add CBHS to the list of benefits that the managed care organizations (MCOs) are responsible for when the client is in managed care.

SPAs 23-0012 and 23-0013 are being submitted at the request of CMS to accompany SPA 22-0007, which has been submitted to CMS to amend Washington's 1915(i) section of the medicaid state plan for home and community-based service benefits regarding BHPC, in compliance with legislative direction. HCA filed notice of its intent to submit SPA 22-0007 under WSR 22-01-142.

SPAs 23-0012 and 23-0013 are expected to increase the annual aggregate cost/payment for CBHS, which includes protective oversight and supervision and direct skill development or restoration. HCA will set rates to be paid for these new services in both the managed care and fee-for-service delivery models. HCA will utilize its established rate-setting methodologies. The costs/payments associated with these new services will increase because HCA forecasts an increase in the number of clients eligible for these services. However, specific data is not currently available.

SPAs 23-0012 and 23-0013 are in the development process. To request a copy when they become available or to submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

CONTACT: SPA 23-0012: Paige Lewis, paige.lewis@hca.wa.gov; SPA 23-0013: Jessica Diaz, Jessica.diaz@hca.wa.gov; Medicaid Programs Division, 626 8th Avenue S.E., Olympia, WA 98501, TRS 711.
