Purpose of the Proposal and Its Anticipated Effects, Including Any Changes in Existing Rules: The purpose of this proposal is to update the rules regarding timelines, procedures, and content for new apprenticeship program applications as detailed in chapter 296-05 WAC. The Washington state legislature passed E2SSB 5600 during the 2022 legislative session, which adds a sustainability assessment requirement to all new apprenticeship program applications. The Washington state apprenticeship and training council (WSATC) now must also consider living wage, presence of a career ladder, and other nonwage benefits for graduating apprentices when considering a new program for approval. To ensure transparency in the approval process, these items need to be included and defined in the rule.

E2SSB 5600 also requires WSATC to establish economic or industry sector-based platforms, which is a new aspect in the apprenticeship system. The bill highlights the industry sectors for which the platforms may be established, that each must consist of an equal number of employer and employee representatives, and outlines the tasks that the platforms must complete. Rule making is required to define how platform members will be selected, the detailed makeup of the platforms (including minimum/maximum number of members, qualifications of platform members, electing a chair and secretary), and further clarify the role of the platforms.

Reasons Supporting Proposal: Rule making is required to implement the requirements of E2SSB 5600 (chapter 156, Laws of 2022). This includes defining terms, outlining the roles and responsibilities of economic or industry sector-based platforms, and adding the new WSATC review requirements in rule.

Statutory Authority for Adoption: Chapter 49.04 RCW.

Statute Being Implemented: RCW 49.04.240 and 49.04.050.

Rule is not necessitated by federal law, federal or state court decision.

Agency Comments or Recommendations, if any, as to Statutory Language, Implementation, Enforcement, and Fiscal Matters: Requested full-time equivalencies were funded in full. Draft rule language was thoroughly stakeholdered and approved by WSATC.

Name of Proponent: L&I, governmental.

Name of Agency Personnel Responsible for Drafting: Erik Sackstein, Tumwater, Washington, 360-485-3313; Implementation and Enforcement: Peter Guzman, Tumwater, Washington, 360-584-3706.

A school district fiscal impact statement is not required under RCW 28A.305.135.

A cost-benefit analysis is not required under RCW 34.05.328. This rule making is exempt from conducting a cost-benefit analysis per RCW 34.05.328 (5)(b)(ii) as the amendments are related to internal governmental operations that are not subject to a violation by a nongovernment party; RCW 34.05.328 (5)(b)(iii) as the amendments adopt state statutes without material change; RCW 34.05.328 (5)(b)(iv) make housekeeping changes that clarify the intent of the rule without changing the effect, are procedural rules under RCW 34.05.328 (5)(c)(i), or are interpretive under RCW 34.05.328 (5)(c)(ii) and do not independently impose a penalty or sanction on a person or entity.

This rule proposal, or portions of the proposal, is exempt from requirements of the Regulatory Fairness Act because the proposal:

Is exempt under RCW 19.85.025(3) as the rules relate only to internal governmental operations that are not subject to violation by a nongovernment party; rules are adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule; and rules only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect.

Explanation of exemptions: This rule proposal is exempt under RCW 19.85.025 because the requirements of the rules apply to WSATC which is not a small business. Additionally, the proposed amendments are exempt under RCW 34.05.310 (4)(b)-(d) because the rule adopts state statutes without material change, housekeeping changes that clarify the rule without changing the effect, and deal with internal governmental operations and procedures that are not subject to a violation by a nongovernment party.

Scope of exemption for rule proposal:

Is fully exempt.

(ii) When a labor union chooses not to participate in administering the program, the employer or employers' association must furnish copies of the registration application and the proposed program standards to the union serving as the collective bargaining agent of the employees to be trained. Before taking a final action on the application, the supervisor must give the union (~~forty-five~~) 45 calendar days to respond before final action is taken on the registration.

(b) Upon receipt of a competitor's objections, the apprenticeship supervisor notifies the program sponsor within two business days and forwards the matter to the WSATC.

(c) The WSATC may adjudicate the matter itself or refer the matter to the office of administrative hearings for initial adjudication:

(i) If the WSATC decides to adjudicate all or part of the objections to the apprenticeship program standards, a hearing on the objections shall take place at the regular quarterly WSATC meeting or at a special WSATC meeting convened for purposes of hearing the objections. The department shall notify the competitor making the objections and the program sponsor that the objection is on the agenda for consideration and shall give its recommendation (~~ten~~) 10 calendar days prior to the original scheduled date of the regular quarterly WSATC meeting.

(ii) If the WSATC decides to refer all or part of the objections to the office of administrative hearings, the WSATC shall identify the specific matters on which the WSATC is requesting the office of administrative hearings provide findings and conclusions for the initial order.

(c) The program sponsor agrees to comply with Washington wage and hour laws; and

(d) The program sponsor presents reasonably consistent standards of apprenticeship and asks for recognition from the WSATC.

The WSATC may revoke reciprocity agreements at any time.
