DEPARTMENT OF ECOLOGY

[Filed March 1, 2023, 12:11 p.m.]

PUBLIC NOTICE

**The Reissuance of the Wastewater Operator
Certification Program Draft Fee Schedule**

The Washington state department of ecology (ecology) certifies wastewater treatment plant operators to ensure they are knowledgeable to properly operate and maintain wastewater treatment plants.

By law, ecology must fund the wastewater operator certification (OpCert) program with fees. These fees are subject to change, depending upon a budget and workload analysis completed every biennium. The current fee schedule is published in WAC 173-230-240.

Based on the estimated administrative costs of the OpCert program and the projected account balance, ecology intends to raise wastewater operator certification fees beginning July 1, 2023.

Copies of the draft fee schedule: The draft fee schedule will be available online (as of March 31, 2023) at <https://ecology.wa.gov/opcert>. You may request hard copies from Torrie Shaul at opcert@ecy.wa.gov.

Public notice process and comments: Ecology is accepting public comments on the draft fee schedule from March 31, 2023, **through 11:59 p.m.** on May 15, 2023. Ecology prefers to receive comments on the draft fee schedule through the eComment form. However, ecology will accept written comments via email and by mail. Ecology will review all comments received by the deadline, and plans to publish the final fee schedule prior to June 30, 2023.

Submit comments:

OFFICE OF THE
INSURANCE COMMISSIONER
[Filed March 8, 2023, 11:56 a.m.]

Technical Assistance Advisory 2023-03¹

TO: All Disability Insurers Operating in the State of Washington
FROM: Insurance Commissioner, Mike Kreidler
DATE: March 8, 2023
SUBJECT: Single Case Filings for Experience Rated Groups

BACKGROUND AND AUTHORITY: Disability insurers in the state of Washington are required to file with the office of the insurance commissioner the rates charged for disability income prior to use.²

If appropriate, each rate filing must include rates, manuals of classification, manuals of rules and rates and modifications thereof.³ WAC 284-58-033 (2)(a). Importantly, the term "rate" or "rates" are defined by rule to mean "all classification manuals, rate or rule manuals, rating plans, rating schedules, minimum rates, class rates, and rating rules that insurers must file under RCW 48.19.010(2) ..."⁴ Group disability income products are exempt from the minimum loss ratio requirements of Ch. 284-60 WAC.

Under RCW 48.18.110(2), the commissioner may disapprove any form of disability insurance policy if the benefits provided therein are unreasonable in relation to the premium charged. To prove that rates are reasonable, justification and actuarial demonstration of anticipated loss ratio are also required. WAC 284-58-033 (2)(c).

For group disability insurance, carriers can file a rate manual filing that encompasses rates for many groups. The rate manual includes standard rating methodology. A group's rate covered under this rate manual filing is developed through the standard rating methodology without using the group's partial or entire disability claim experience. The rate manual must account for all rules and formulas the company uses to calculate the premium charged. In other words, if a group's rate was developed from the rate manual, when given the demographics of this group, the OIC would be able to replicate the group's rate from the rate manual. A group's rate that cannot be duplicated exactly using the rate manual is not filed through a rate manual filing.

By nature, "experience-rating" is the development of premium rates for a single (employer) group based on that particular group's experience. As such, an insurer filing rates for experience rated groups cannot legally file one rate which applies to all experience-rated groups, as each group's rate depends on the unique group experience and the rate must be justified accordingly.

These experience rating groups, when used by an insurer to rate coverage, require particular documentation and justification of the experience rating.⁵ The OIC calls this a single case filing, or employer group filing. A company offering an experience-rated product must therefore submit a single case rate filing which is unique to that group, as they are relying on that group's unique experience to develop the rates. For rate filing instructions of a single case employer group rate filing, see Washington State SERFF Life, Health and Disability Rate Filing General Instructions (version dated 5/5/2022), Section VI (c)(ix)(3.2): For single employers. To be transparent and to ensure the single case filing requirements were broadly known, OIC,

beginning in 2019, included its expectations in its new disability filing Speed to Market tools, as well as in updates to the general filing instructions for disability insurers in 2020.

The OIC has become aware, through litigation and through review of specific filings, that not all insurers are complying with requirements pertaining to experience rating groups.

This publication is intended to remind disability insurers in Washington of these requirements, in order that any covered filings be supplemented and updated. The OIC intends for this guidance to promote fairness in the insurance marketplace as well as to improve regulatory compliance.

EXPECTATION: Each disability insurer in the state of Washington that rates any disability product on the basis of the experience of a specific group must file a single case rate filing for each such experience rating group.

Single case filing requirements apply to insurers even if their rate manual was approved and permitted experience rating in setting rates. A rate manual by itself is not sufficient to justify experience rating of a particular group. A separate single case filing is required for each experience rating group. Insurers that use experience rating must verify whether their approved filings meet the single case filing requirement and make any additional filings necessary to reach compliance.

A single case filing does not need to repeat the justification of rating factors that already provided in the approved rate manual. Instead, it should be focused on the justifications for the experience rating and incorporate the rate manual and other aspects of the filing by reference only. The OIC expects a single case rate filing to be not more than a few pages and include an actuarial certification. Adhering to this guidance will also expedite OIC review of such filings.⁶ In order to comply with this TAA 2023-03 and the filing requirements for experience rated group disability income products stated herein, regardless of whether there is any approved rate manual that might imply or include certain rating discretion, all disability insurers offering such coverage must review the current rate filings and notify the OIC of their compliance status by July 1, 2023.

In the event that a disability insurer must update filings to ensure compliance with these guidelines, the disability insurer must include in the notification to the OIC the estimated timeline by which the revised filings will be submitted for review. The estimated timeline must be no later than January 1, 2024. Insurers must email such compliance notification to Rates, Forms, and Provider Networks (RFPN) Help Desk: rfhelpdesk@oic.wa.gov with a subject line: [Insurer's Name] Notification of Compliance of Disability Income Insurance Single Case Employer Group Experience Rating Requirement. An insurer's failure to provide such notification to the OIC regarding the update of a non-compliant filing may result in enforcement action for failure to respond to an inquiry from the OIC.

Please direct the above referenced notification and any questions about this advisory to Lichiou Lee, Chief Actuary, at Lichiou.Lee@oic.wa.gov or 360-725-7128.

¹ This advisory is an interpretive policy statement released to advise the public of the OIC's current opinions, approaches, and likely courses of action. It is advisory only. RCW 34.05.230(1).

HEALTH CARE AUTHORITY

[Filed March 21, 2023, 9:48 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 23-0002 Medicare Part B Drug and Biological Average Sales Price (ASP) Change and Pharmacy Professional Dispensing Fees.

Effective Date: Anticipated on or after April 1, 2023.

Description: The health care authority (HCA) intends to submit Medicaid SPA 23-0002 to:

- Address changes made by the Centers for Medicare and Medicaid Services (CMS) to the payment methodology for biosimilar drugs in the ASP file. The percentage for these drugs will change from 106 percent to 108 percent. In order to avoid making changes to the Medicaid state plan to reflect future percentage changes, HCA is removing the specific percentage amount and replacing it with a reference to the CMS ASP file.
- Address the level of the professional dispensing fees paid to pharmacies for providing services to Medicaid clients in the fee-for-service program. In addition to the professional dispensing fees, HCA pays a drug ingredient cost.

SPA 23-0002 is expected to increase the annual aggregate expenditures/reimbursement/payments for the payment methodology for biosimilar drugs in the ASP file by an estimated \$250,000 annually, combined state and federal funds. SPA 23-0002 is also expected to increase the annual aggregate expenditures/reimbursement/payments in the fee-for-service pharmacy program for professional dispensing fees; HCA does not yet have a formal estimate of the anticipated amount of the potential increase. HCA does not anticipate changes to the ingredient cost methodology.

SPA 23-0002 is under development. To request a copy when it becomes available or to submit comments, you may contact Wendy Steffens at wendy.steffens@hca.wa.gov regarding the payment methodology for biosimilar drugs in the ASP file and Donna Sullivan at donna.sullivan@hca.wa.gov regarding professional dispensing fees (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact: HCA, 626 8th Avenue S.E., Olympia, WA 98501, TRS 711.

DEPARTMENT OF ECOLOGY

[Filed March 21, 2023, 2:54 p.m.]

PUBLIC NOTICE

**Announcing the Draft West Point Treatment Plant Permit
and Fact Sheet for Review and Comment**

The Washington state department of ecology (ecology) proposes to reissue the Individual National Pollutant Discharge Elimination System Permit for the West Point Wastewater Treatment Plant (permit). The current permit was last issued in December 2014 and was administratively extended after its expiration in January 2020. The revised draft permit and fact sheet, which explains the legal and technical basis for the permit, are available with any associated documents for review and public comment from April 5 through June 5, 2023, at 11:59 p.m. Ecology will host two virtual workshops and two public hearings on the draft permit. The workshops and hearings will be held on May 9, 2023, from 6:00 - 8:00 p.m. and May 16, 2023, from 2:00 - 4:00 p.m.

Purpose of the Permit: The permit regulates the quality of treated wastewater discharged from King County's West Point Wastewater Treatment Plant. The permit also regulates the discharge of treated and untreated combined sewage from specific locations in Seattle. The Federal Clean Water Act and State Water Pollution Control Act require that anyone proposing to discharge pollutants into surface water bodies must obtain a permit that regulates that discharge. This proposed permit establishes requirements King County must comply with to ensure that the discharges of treated and untreated wastewater occur only at authorized locations and meet standards developed to protect the quality of area waterways.

Copies of the Draft Permit and Fact Sheet: Ecology will make the draft permit and fact sheet available online at <https://ecology.wa.gov/WestPoint-Renewal> by end of day on April 5, 2023. You may request hard copies from the Northwest Region Office records office at nwro_public_request@ecy.wa.gov or 206-594-0000.

Submitting Written Comments: Ecology will accept written comments on the draft permit from April 5 through June 5, 2023, by 11:59 p.m. Ecology prefers online comment submission via the eComment form (link below) on the permit web page. Written comments by mail must be post-marked by June 5, 2023. Comments should reference specific permit text when possible.

Online via the eComment form: <https://wq.ecology.commentinput.com/?id=Ka9ES> (preferred).

By mail: Send to Tricia Miller (see ecology contact).

Ecology Contact: Tricia Miller, Permit Coordinator, Washington State Department of Ecology, P.O. Box 330316, Shoreline, WA 98133-9716, phone 206-594-0167, email tricia.miller@ecy.wa.gov.

Assistance for Persons with Disabilities: To request Americans with Disabilities Act accommodation for disabilities, call ecology at 360-407-7285 or visit <https://ecology.wa.gov/accessibility>. People with impaired hearing may call Washington relay service at 711. People with speech disability may call TTY at 877-833-6341.

Public Workshop(s) and Hearing(s): The purpose of the workshop is to explain the permit and to answer clarifying questions prior to the formal public hearing. The purpose of the hearing is to provide an opportunity for people to give formal oral testimony and written comments on the proposed draft permit. Oral testimony will receive the same consideration as written comments.

The public hearing will begin immediately following the public workshop and will conclude when public testimony is complete.

The permit workshops and hearings will occur on May 9, 2023, at **6:00 p.m.**, webinar <https://waecy-wa-gov.zoom.us/j/88946897076?pwd=cGtsMlgxcU5CRS9JRHhRZjNmYXljdz09>; and on May 16, 2023, at **2:00 p.m.**, webinar <https://waecy-wa-gov.zoom.us/j/81908474079?pwd=aDdtNVBWM1UzOHhUanpGOFVBbCtZQT09>.

A link to the webinars can be found at <https://ecology.wa.gov/WestPoint-Renewal>.

*Workshops and hearings offered via webinar allow individuals to view the presentation and provide testimony via computer or mobile device.

Issuing the Permit: After ecology receives and considers all public comments, we will make a final decision on permit issuance. We will publish summaries of all comments along with our responses as part of the final permit record.
