Statutes Authorizing the Agency to Adopt Rules on this Subject:  
RCW 18.04.055.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: On March 17, 2022, Governor Inslee signed into law SB 5519. SB 5519 amends existing laws to remove outdated references to certificate holders. The board of accountancy (board) has not issued such certificates since the early 2000s. SB 5519 allows for the remaining population of certificate holders to transition to a licensed but inactive status while affording such certificate holders the opportunity to become fully licensed. SB 5519 also creates this new inactive status which did not previously exist. This new licensed status provides an intermediate step bridging the gap between the licensee statuses of CPA and retired CPA. Because SB 5519 removes the certificate holder status and creates an inactive licensee status, board laws now align with other CPA jurisdictions. As a result, many board rules must be amended because "CPA-Inactive certificate holder" and "certificate" references are woven throughout the entirety of chapter 4-30 WAC, board rules. The proposed board rules also further refine the new licensed but inactive status and the processes associated with the new status. The proposed rule changes will ensure consistency with the law as enacted by SB 5519 and consistency with other CPA jurisdictions.
