PERMANENT RULES

DEPARTMENT OF HEALTH

(Board of Physical Therapy)

[Filed August 1, 2023, 11:43 a.m., effective September 1, 2023]

Effective Date of Rule: Thirty-one days after filing.

Purpose: Changing English test passing scores and removing a requirement related to an accredited program for licensure as a physical therapist. The board of physical therapy (board) is adopting amendments to WAC 246-915-120 Foreign educated applicants to change the Test of English as a Foreign Language (TOEFL) minimum passing scores. Washington state's current passing score requirements were originally established based on the Federation of State Boards of Physical Therapy (FSBPT) passing score recommendation. FSBPT's minimum passing score recommendations have since been updated. To align with FSBPT's recommendation, the board is adopting this rule to lower the minimum passing score for the writing and speaking tests and raise the minimum passing score requirements for the reading and listening tests. The board is also adopting amendments to remove the requirement that an applicant's first professional degree must only be from a Commission on Accreditation in Physical Therapy Education (CAPTE) accredited program, in order to allow applicants who went on to pursue additional professional degrees in physical therapy through a CAPTE accredited program to pursue licensure outside of the foreign-educated pathway.

Citation of Rules Affected by this Order: Amending WAC 246-915-120.

Statutory Authority for Adoption: RCW 18.74.023.
