## Prevailing Rate of Wage Publication

Pursuant to RCW 39.12.015 and 39.12.020, and WAC 296-127-011, on August 25, 2023, the industrial statistician determined and published on the internet corrections to several prevailing rates of wage. The corrections will become effective 30 days from publication on September 24, 2023. These corrections will impact several trades and counties.

- Dredge Workers: Corrections to apprentice level rates in several Eastern Washington counties.
- Heat and Frost Insulators And Asbestos Workers: Corrections to journey level and apprentice level rates in several Eastern Washington counties.
- Painters: Corrections to journey level and apprentice level rates in several Eastern Washington counties.
- Power Equipment Operators: Minor corrections to job classification names throughout the state.
- Power Equipment Operators—Underground Sewer and Water: Minor corrections to job classification names throughout the state.
- Refrigeration and Air Conditioning Mechanics: Corrections to journey level and apprentice level rates in Chelan County only.
- Shipbuilding and Ship Repair: Corrections to journey level and apprentice level rates in several Western Washington counties.
- Surveyors: Corrections to apprentice level rates in a few Western Washington counties.

For more information on prevailing wage or a copy of the rates, please visit our website at <https://lni.wa.gov/licensing-permits/public-works-projects/prevailing-wage-rates/> or call 360-902-5335.
