

WSR 24-03-000A

PERMANENT RULES

DEPARTMENT OF HEALTH

[Filed December 28, 2023, 3:58 p.m., effective January 28, 2024]

ERRATUM

The health care authority inadvertently filed, and the code reviser's office published, a duplicate permanent rule-making order, WSR 24-02-056, to the previously filed and published permanent rule-making order WSR 24-01-100. WAC 246-817-440 and 246-817-445 are unchanged by the duplicate filing. However, the WAC histories will reflect the duplicate filing.
