WSR 24-12-047
PERMANENT RULES
DEPARTMENT OF
LABOR AND INDUSTRIES

[Filed May 31, 2024, 8:31 a.m., effective July 1, 2024]

Effective Date of Rule: July 1, 2024.

Purpose: This adoption updates a conversion factor provided in WAC 296-20-135 and maximum daily fees provided in WAC 296-23-220 and 296-23-230 for certain professional health care services for injured workers. Rule changes are necessary to maintain current overall fees for health care services, which are published annually in the medical aid rules and fee schedules.

These updates increase the resource based relative value scale (RBRVS) conversion factor, increase the anesthesia conversion factor, and increase the maximum daily caps to be consistent with the changes for other professional fees resulting from our RBRVS process and changes in the relative value units published by the Centers for Medicare and Medicaid Services.
