- Amendments to securities broker-dealer rules in chapters 460-20B, 460-21B, 460-21C, and 460-22B WAC. The rules in these chapters apply to securities broker-dealers and their representatives. Many of the rules in these chapters have not been updated in more than two decades. The securities division plans to propose amendments to these rules to bring them up-to-date with federal rules,

incorporate NASAA model rules, and describe application filing procedures and requirements, among other possible updates.
