

**WSR 24-18-094  
EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE**

[Order 24-171—Filed September 3, 2024, 8:59 a.m., effective September 3, 2024, 8:59 a.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: This emergency rule closes Marine Fish/Shellfish Catch Areas 21A and 22A, and all shrimp trawl subareas within, in shrimp management Subregion 1B to commercial shrimp trawl harvest.

Citation of Rules Affected by this Order: Repealing WAC 220-340-53000D; and amending WAC 220-340-530.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Permanent rules regulating state commercial shrimp harvest in Puget Sound and the Strait of Juan de Fuca require the adoption of harvest seasons contained in this emergency rule. This emergency rule is necessary to prosecute state commercial shrimp trawl fisheries in Puget Sound. This rule closes a quota area to commercial harvest following the projected attainment of the available harvest. These rules are in congruence with comanager agreements. There is insufficient time to adopt permanent rules.
