EMERGENCY RULES

DEPARTMENT OF HEALTH

[Filed October 25, 2024, 9:24 a.m., effective October 25, 2024, 9:24 a.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: Reduce barriers to licensure and streamline the credentialing process for the mental health counselor, marriage and family therapist, and social worker professions.

Amending WAC 246-809-110, 246-809-130, 246-809-220, 246-809-221, 246-809-230, 246-809-330, and 246-809-990 in chapter 246-809 WAC, Licensure for mental health counselors, marriage and family therapists, and social workers. The department of health (department) is continuing emergency rules, without changes, to implement parts of 2SHB 1724 (chapter 425, Laws of 2023) and E2SHB 2247 (chapter 371, Laws of 2024).

These emergency rules: (1) Allow professional experience to substitute for practicum requirements for mental health counselors; (2) lower requirements for licensure by endorsement to one year of licensure in a substantially equivalent state; (3) align the definition of "equally qualified licensed mental health practitioner" for marriage and family therapists more closely with other master-level counselor professions; and (4) remove the limit on the number of credential renewals authorized for associate credentials.

The department is adopting and continuing these amendments through emergency rule to meet the requirements of 2SHB 1724 and E2SHB 2247. These emergency rules continue emergency rules initially filed under WSR 24-14-080, on June 28, 2024. The emergency rules will be renewed while permanent rule making is in progress under WSR 24-10-012, filed April 18, 2024.

Citation of Rules Affected by this Order: Amending WAC 246-809-110, 246-809-130, 246-809-220, 246-809-221, 246-809-230, 246-809-330, and 246-809-990.

Statutory Authority for Adoption: 2SHB 1724 (chapter 425, Laws of 2023), E2SHB 2247 (chapter 371, Laws of 2024); RCW 18.130.800 and 18.225.040.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Continuing this emergency rule is necessary to support the Washington state behavioral health workforce, which is increasingly strained. By implementing the new standards through emergency rules, it will reduce barriers to entering and remaining in the behavioral health care workforce, streamline the credentialing process, and increase access to behavioral health care.

These emergency rules are also being adopted to comply with 2SHB 1724 and E2SHB 2247. In 2023, section 5 of 2SHB 1724 required the department, in consultation with the workforce training and education coordinating board, to recommend changes to statutes and rules that would remove barriers to joining the health care workforce and streamline the credentialing process. Section 6 required the department to adopt emergency rules implementing these recommendations by July 1, 2024. In 2024, E2SHB 2247 amended a statute to align with the department's recommendation to remove renewal limits on associate creden-

tials. Pursuant to these bills, amendments to chapter 246-809 WAC include:

- (1) Allowing professional experience to substitute for practicum requirements for mental health counselors;
- (2) Lowering requirements for licensure by endorsement to one year of licensure in a substantially equivalent state;
- (3) Aligning the definition of "equally qualified licensed mental health practitioner" for marriage and family therapists more closely with other master-level counselor professions; and
- (4) Removing limits on the number of renewals for associate credentials.

By continuing these emergency rules, the department will continue to implement sections of 2SHB 1724 and E2SHB 2247 and fulfill the legislature's plan to effectively reduce barriers to licensure in these professions.

These emergency rules will be continued, as permanent rule making is in progress under WSR 24-10-012, filed April 18, 2024.
